**SKOKIE SCHOOL**

A very original and delightful party was given at the house of Mrs. Marcus Richards last Friday evening, November 16, for the teachers of Skokie school. There were thirty-five people present, including the school faculty and parents. After supper they were entertained by a "Cootie game." Miss Lilly received first prize for drawing the most artistic cootie. Miss Person took the prize for being the noisiest person, and aside from these, twenty-three other prizes were distributed. Mr. Yingling played the piano, while everyone sang, and Erskine Wilder sang a group of songs. "Good night, ladies" finished the evening, and everyone went away feeling that Mrs. Richards' party had been most successful.

**TO SPEND HOLIDAY IN EAST**

Mr. and Mrs. Francis I. Lackner, 339 Linden avenue, left last Wednesday with their son, Francis, for the east. They will meet Francis, Jr. who is attending Harvard, and will then go to Vassar where Miss Louise and Miss Antoinette are in school, so that they will all be together for Thanksgiving.

**Winnetka to Meet Strong Highwood Eleven Tomorrow**

It's here! The game that Winnetka football fans have been eyeing all season and with great interest, is at last a reality. The strong bunch of huskies shown above, representing the Winnetka football team, will engage the equally strong Highwood team tomorrow at New Trier High school field.

Both teams have had an unusually successful season, and this game is certain to be one that will long be remembered by the local grid enthusiasts. Although the Winnetka team did not play last Sunday due to the wet condition of the field, they have practised hard this week, and with Cassell and Jensen back in the lineup, Coach Doepel promises to give Winnetka its strongest defensive combination of the year. The backfield candidates are all in good trim and it is undecided as to which four will start the game. It is thought that the starting backfield may be composed of Martin, Affeldt, McKinney and Concidine, while Baker and Jackett are sure to get into the fray and show their worth.

The Winnetka team has a record to be proud of this season, having played eight games, winning six and being held to two scoreless ties. They have compiled 109 points to the visitors' seven. Let's get out and cheer our boys along, and help them go through an unmarred season. The game is scheduled for 2:15 at the New Trier High school field. Everybody welcome!

**EXPERIENCED BUILDERS KNOW**

Most of the experienced builders of the North Shore suburbs, those who build homes for sale, agree with us that those persons who spend their Sundays "looking" at new houses rarely, if ever, buy.

We believe that the man or woman who can afford to own a home on the North Shore is so situated as to be able to inspect possible purchases almost any day of any week.
