Look to CHRYSLER
for Leadership in
Performance - - Style and Comfort

The Automobile-buying public has come to look to CHRYSLER for Leadership.

This confidence has not been misplaced — CHRYSLER has not disappointed the public with the introduction of every new idea in motor cars since 1924. And now for Winter driving, let us show you the many CHRYSLER innovations to enhance your comfort and convenience in driving through the hard, cold days that are coming.
