Country Day Hockey Team Winds Up Play With String of Wins

The hockey team of the North Shore Country Day school closed its season Saturday morning of last week with a 10 to 1 victory over the Chicago Latin team. The game was played at the Lincoln park field and completes a successful season for North Shore, in which its entry won all of its three outside matches.

In Saturday's game the first half ended with a 4 to 1 score, the play up to this time having been very slow.

Both teams began playing with more vigor at the opening of the second half. North Shore charged down the field, putting the ball through Latin's goal six times and also preventing scoring by the opponents.

The North Shore line-up follows:

V. Lamson, R. W.; M. Street, R. I.; R. Beardslee, L. W.; A. Beardslee, R. H.; D. Gerhard, C. H.; J. Hill, L. H.; H. Fulton, R. F.; A. A. Clark, L. F.; F. Well, goal.

Thursday of last week North Shore team defeated the Carl Schurz team, 6 to 0.

Mrs. Harold Ickes Opens Home for Tea and Exhibit

Mrs. Harold Ickes, 900 South Private road, opened her home recently for a reception for several hundred guests and an exhibit of portraits of eminent women and their children by Henry Salem Hubbell, who is spending much time now on the north shore painting portraits. Mrs. Hubbell is with him.

Among the canvases viewed was a portrait of the Ickes' little son in the costume of an Indian brave which he wears when on holidays at his home in New Mexico.

A NEW KIND OF CHARM In Winter Vacations at Los Cerros

Los Cerros has a charm which brings our guests back again each year. For some it seems to be the great rolling ranges of the Sangre de Cristo which rear away from our very door, crisscrossed with bridal paths over which our western horses lift you to new horizons. For some it is the brilliant sunshine of New Mexico, the warm mid-days and the nights crisp for open fires and sound sleep under piled blankets. For some it is the quaint old Spanish charm of Santa Fe, the cliff dwellings of forgotten races, the vivid color of the Pueblo Indian. And for some it is the modern comforts of Los Cerros, with steam heat and excellent cuisine to greet you after hours in the open. Los Cerros is just two miles from Santa Fe, an easy run from Chicago. Come and find its charm yourself this winter. A booklet direct if you wish, or from Ask Mr. Foster or Marshall Field Travel Dept.
