Be coaled and laugh at cold

WINTER won't be here officially for about three weeks. But old man Winter has no respect for the calendar when he plans an unexpected call. In fact, his advance agents are much in evidence for quite a while before the date that Mr. Zodiac invites him to call.

Keep your bins well filled with CERTIFIED fuel and the vagaries of this old gentleman with the icy fingers need not worry you at all, with respect to your home heating problem. Order in advance of your needs to assure no disappointment.

CERTIFIED grades of Lehigh Valley and Pittston Anthracite, Ephriam Creek Pocohontas, Franklin County Coal, Cannel Coal and Solvay Coke are among our dependable fuels. CERTIFIED means dependable.
