Chicago Coliseum Will House Gigantic Jamboree

Local Scout troops have a pretty full program of doing things themselves. On Friday and Saturday, December 14 and 15, however, many north shore troops, patrols and family groups will journey to the mammoth Coliseum in Chicago to witness the gigantic Scout Jamboree, in which 14,000 Scouts will take part.

A three-hour program interesting, thrilling, brimfull of events, showing Scouts doing things, will be demonstrated. The opening pageant, depicting the evolution, growth and development of Scouting, will be participated in by 14,000 Chicago Scouts winding back and forth in a great parade of Scouting progress across the Coliseum floor. Chief Scout James E. West of New York City, and Walter W. Head, Omaha banker and President of the Boy Scouts of America, will invest new Scouts who have joined the great brotherhood of boys during the last few weeks.

The Firemanship Merit badge, showing a small model house actually on fire in the center of the floor, will be demonstrated by Scouts skilled and trained in this work. Various types of camps will be illustrated, Foresters, Indian Villages and Bicycle camps. First Aid, pioneering, with all its collection of towers, cabins, derricks, etc., will be erected.

A huge pageant depicting the massacre of Fort Dearborn will be shown.

All Scouts and parents will want to take in this greatest picturesque gathering of Scouting ever held in the Middle West.

Mr. and Mrs. Maurice Bosley, 528 Warwick road, Kenilworth are being congratulated upon the birth of a son, Saturday, December 1.

Zoning Ordinance Complaints Heard by Village Board

A number of violations of the zoning ordinance, most of which are minor in nature and reported from various parts of the village, were considered by the Council at its meeting Tuesday evening.

The use of single family houses by additional families; the use of private garages in the residential district by carpenters and other small contractors for the storage of building equipment, and private schools in residential districts were the principal complaints.

The matter was referred to the zoning committee to make a study of the situation and recommendations as to what the Council should do.

Women to Serve Supper to Builders of Cabin

Saturday, December 15, at sundown a group of Winnetka women will serve coffee and doughnuts to members of the Izaak Walton league and the Rotary club who are constructing the new log cabin west of Glencoe on the county line which will be used primarily by the Community House groups. The "eats" will be served before the fireplace in the new cabin.
