Women Voters' News

Professor David M. Maynard of the Political Science department, Lake Forest college, will be the speaker at the December meeting of the Winnetka League of Women Voters on Monday, in Rudolph Matz hall. The luncheon will be served at 12:30 o'clock by Mrs. George Tuestedt, chairman of 7th precinct, and her block captains. No luncheon reservations are necessary. The program has been arranged by Mrs. A. J. Bovnton, chairman of the International Co-operation to Prevent War Department, and the subject on which Dr. Maynard will speak will be "The Multilateral Treaty." Dr. Maynard has taught and traveled in the Far East, Russia, and Europe. He was a member of the American Committee in Geneva during the summers of 1927 and 1928. The Winnetka League believes that the women of Winnetka have an unusual opportunity to hear an unusually well qualified speaker upon a subject to which Congress will devote a great deal of attention within the next few weeks. Guests of honor at the meeting will be Mrs. William G. Hibbard, state chairman of the Department of International Co-operation to Prevent War, Mrs. Quincy Wright, a former state chairman, Mrs. Hermon B. Butler, Mrs. William B. Hale, Mrs. Ernest Ballard, and Mrs. Ira C. Keller. Talks have recently been given before many women's organizations in Winnetka on the subject of the Treaty by Mrs. Hibbard, Mrs. Hale, Mrs. Ballard, and Mrs. Keller.

Mrs. Ira C. Keller spoke on the subject of the "Multilateral Treaty" at the Winnetka Heights Circle meeting with Mrs. R. N. Golding, 1095 Pine street, and at the Fuller Lane Circle meeting with Mrs. Thomas F. Wright, 112 Fuller lane. Both meetings were held Tuesday, and the speaker was scheduled by the Department of International Co-operation to Prevent War of the Winnetka League of Women Voters.

Ratification of the Multilateral treaty for the renunciation of war, and the Newton bill, creating a child welfare extension service, will command the major attention of the National League of Women Voters in the coming short session of the Congress. Selection of these measures was made by the board of directors of the League, says Mrs. W. W. Ramsey of Chicago, who is Fifth Vice-President of the National League. The Illinois League of Women Voters as one of the 45 state units of the National League will be active in getting the support of our congressmen and senators for these proposals. Mrs. William G. Hibbard of Winnetka, State Chairman of the Department of International Co-operation, reports that an active educational campaign on the treaty is being carried on in all the local Leagues. Mrs. James W. Morrison, former president of the Illinois League of Women Voters, has been speaking throughout Illinois and surrounding states urging the prompt ratification of the treaty without reservations.

The league, it was made known, will be ready also to support every move for the furtherance of the membership of the United States in the World Court, a proposal which since 1923 has commanded its most active support.
