

### Victor Klebba Is New Chief Deputy to County Coroner

Victor Klebba, 1526 Central avenue, a prominent citizen of Wilmette and a first lieutenant in the Officers' Reserve corps of the United States Army, has been appointed chief deputy coroner of Cook county by Coroner Herman N. Bundesen, with whom he has been associated for the last five years. During the last year he was Dr. Bundesen's first assistant in his duties as director of health of the Chicago Sanitary district.

Mr. Klebba has taken an active interest in the work of the Wilmette post of the American Legion and is chairman of the Americanization committee of that organization. He is also drum major of the Legion Drum and Bugle corps.

The war record of Mr. Klebba brought him praise from Gen. John J. Pershing, in command of the American Expeditionary forces, and a decoration by the king of Montenegro.

After serving a year in the army medical corps, Mr. Klebba was transferred to the army railway engineers. He was made chief clerk to restore order in the demoralized Paris office which regulated all American traffic in the district of Paris. For his success in this task he was cited by General Pershing. Also while engaged in this work Mr. Klebba was decorated by the king of Montenegro, whose soldiers in France were clothed with uniforms salvaged by Klebba's men.

Mr. Klebba was inducted into office Monday of this week, taking his oath of office with Coroner Bundesen.

### CHRISTIAN SCIENCE CHURCHES

A Thanksgiving service was held in all Churches of Christ, Scientist, on Thursday, November 29.

Subject: "THANKSGIVING"

The Golden Text was, "I will praise the name of God with a song, and will magnify him with thanksgiving" (Psalms 69:30).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it" (Malachi 3:10).

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Self-forgetfulness, purity, and affection are constant prayers. Practice not profession, understanding not belief, gain the ear and right hand of omnipotence and they assuredly call down infinite blessings" (p. 15).

Mr. and Mrs. H. J. Cary-Curr of 1050 Spruce street are spending the winter in Chicago at the St. Clair hotel.
