## Many Said After Last Christmas--

"It surely was gratifying to send Billy Boys for Christmas gifts.

The true ring of genuine enthusiastic appreciation was so pronounced that of all the presents given Billy Boy Nuts were so unusual, so different and so delicious that we derived a lot of satisfaction in sending them.

The nuts were so artistically arranged and packed with such exacting care that many commented on the beautiful appearance, and were surprised that not a nut was out of place."

Your Christmas giving will be easy and satisfying if you let Billy Boy do the work—your list of names and addresses—your cards for enclosing—select your boxes and Billy Boy does the rest, and carefully, too.

### TRUE STORY MOMENT with Billy Boy

An Evanston woman related the following:

"We were invited to dinner to the home of a friend who lives on the South Shore. While at the table, the hostess said, 'I want to apologize for the nuts we are serving for we well know that they are not the Billy Boys that you get in Evanston.'"

Come in early to be sure of wide selection of boxes.
