## First Rank Movies on Bill Next Week at Community House

Next week the Community House in Winnetka will show "Glorious Betsy" and "The Gaucho," both pictures of the first rank. Dolores Costella (Mrs. John Barrymore) and Conrad Nagel are the stars of the former, while Douglas Fairbanks has the leading role in the latter, with Lupe Velez, Mexican star, playing the principal feminine part. Both films will be shown with complete phototone accompaniment, the apparatus recently having been installed at the Community House.

"Glorious Betsy" is considered by producers one of the most beautiful pictures ever screened. It is concerned with the love affair of Jerome Bonaparte, brother of great Napoleon, and Betsy Patterson, Baltimore's most beautiful girl. Jerome, posing as a French tutor, wins Betsy's love, later reveals his true identity, and upon being called back to France by his powerful brother takes his bride with him. The beautiful Betsy is not allowed to land on French soil, for Napoleon has arranged that Jerome marry a European princess. The completion of the story, as presented on the screen, although not true in history, is altogether pleasing to the theater patron. "Glorious Betsy" is booked for next Tuesday at the Community House.

Douglas Fairbanks has scored again in "The Gaucho," coming to the Community House next Friday.
