

**Lee Says:**

FIRST aid for  
WEAK Christmas  
LISTS—a  
SHEAFFER fountain  
PEN. The children  
ARE no more  
DELIGHTED with one  
THAN is Grandfather.  
GET a SHEAFFER  
FOR any member  
OF the family.

ONLY a father can  
UNDERSTAND the glow  
IN his heart  
WHEN he unwraps  
A box of his  
FAVORITE cigars on  
CHRISTMAS morning and  
FINDS his daughter's  
CARD in it.  
THAT'S our idea of  
A really personal  
GIFT.

**Speaker Will Tell About  
Auto-Chrome Photography**

Edward A. Renwick, of Evanston, will give an explanation of auto-

chrome photography at an assembly to be held at the Hubbard Woods school next Monday morning, December 17. Mr. Renwick has traveled extensively, and has taken color photo-

graphs in practically every country in the world. Mr. Renwick's photographs are not colored after the plates are developed, but the colors are recorded when the picture is taken.
