Above—Cigaretts exhale an atmosphere of impressive dignity when born aloft in this lovely green cut crystal box supported by two lithesome maidens of classic grace. Exquisitely wrought of metal finished in Verde green. An ideal gift for the man or woman who has everything else, \$13.95.

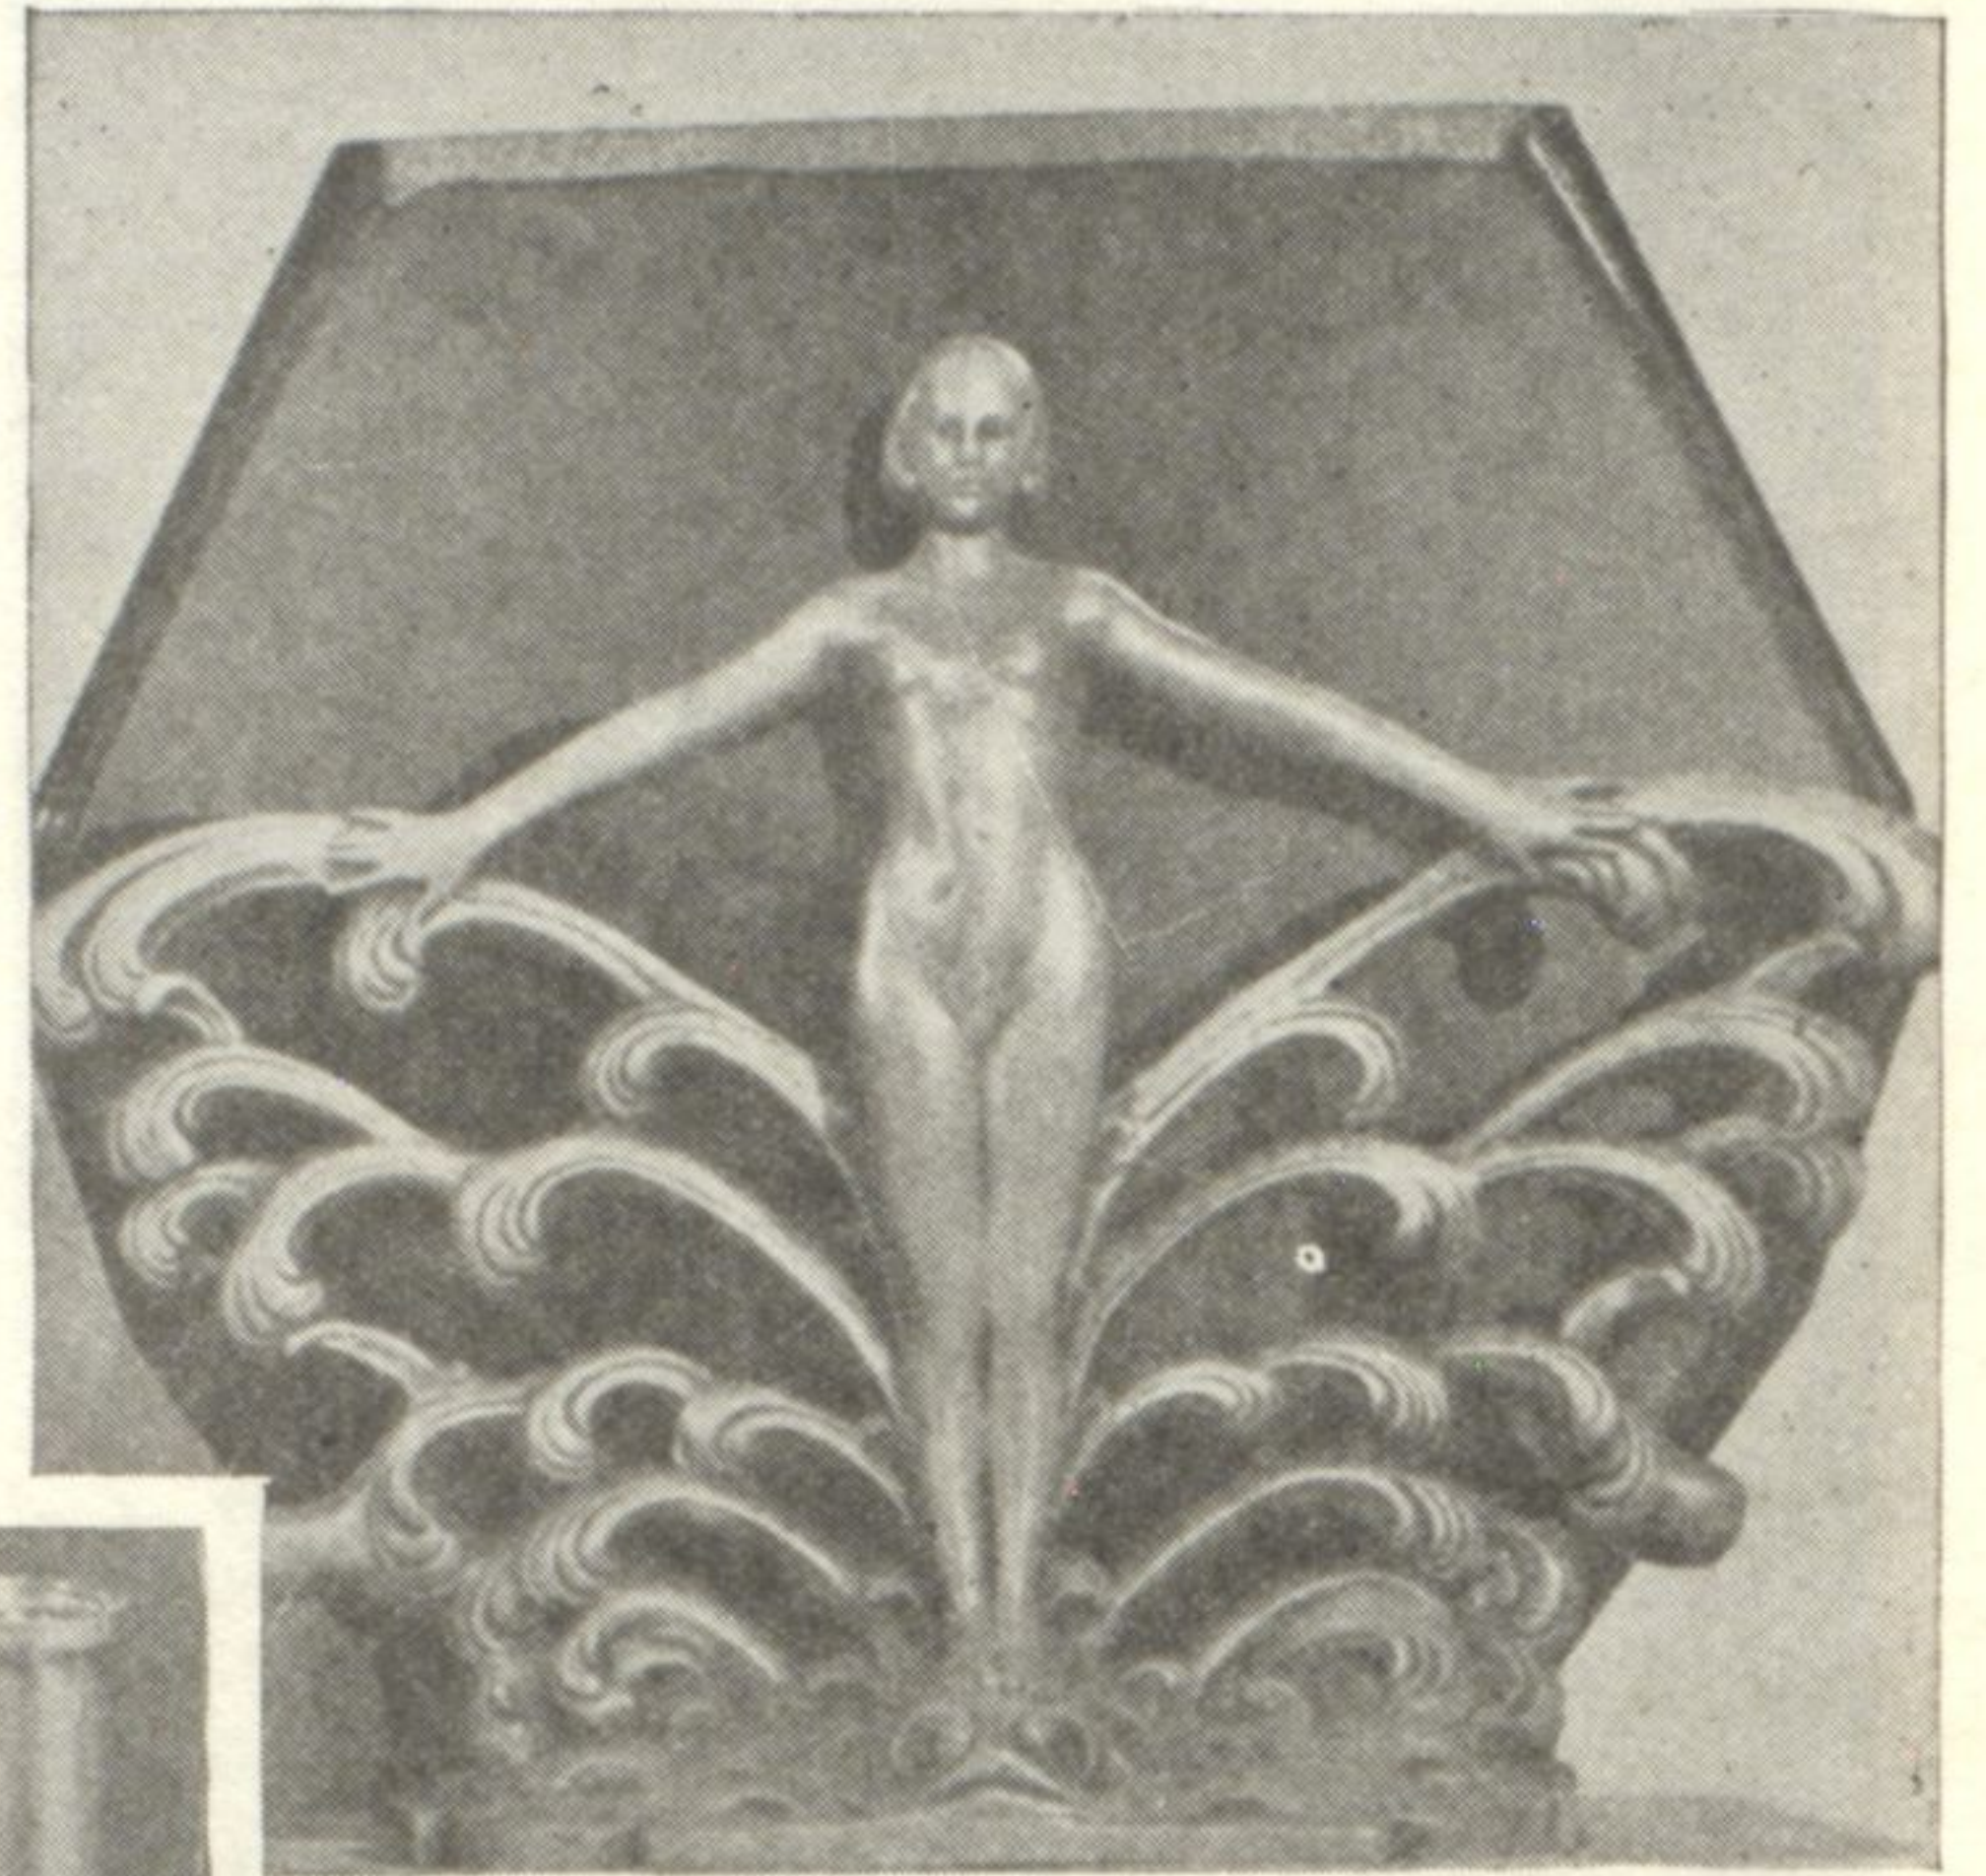

Below—It does not take a dog lover, necessarily, to appreciate the beauty of the stunning Paul Herzl book ends. Anyone, man or woman, would be charmed with such a gift. Proud police dogs, silver finished on bronze, stand guard on substantial bases of the same finish. The pair, \$10.95.

Below—A superb gift in pewter, not likely to be duplicated is the quaintly rotund waffle set of early American design. A generous batter jug, syrup pitcher, powdered sugar shaker and round tray comprise the set, \$29.50. Pewter candle holders, as unique in design as they are beautiful, are \$10.95 the pair.

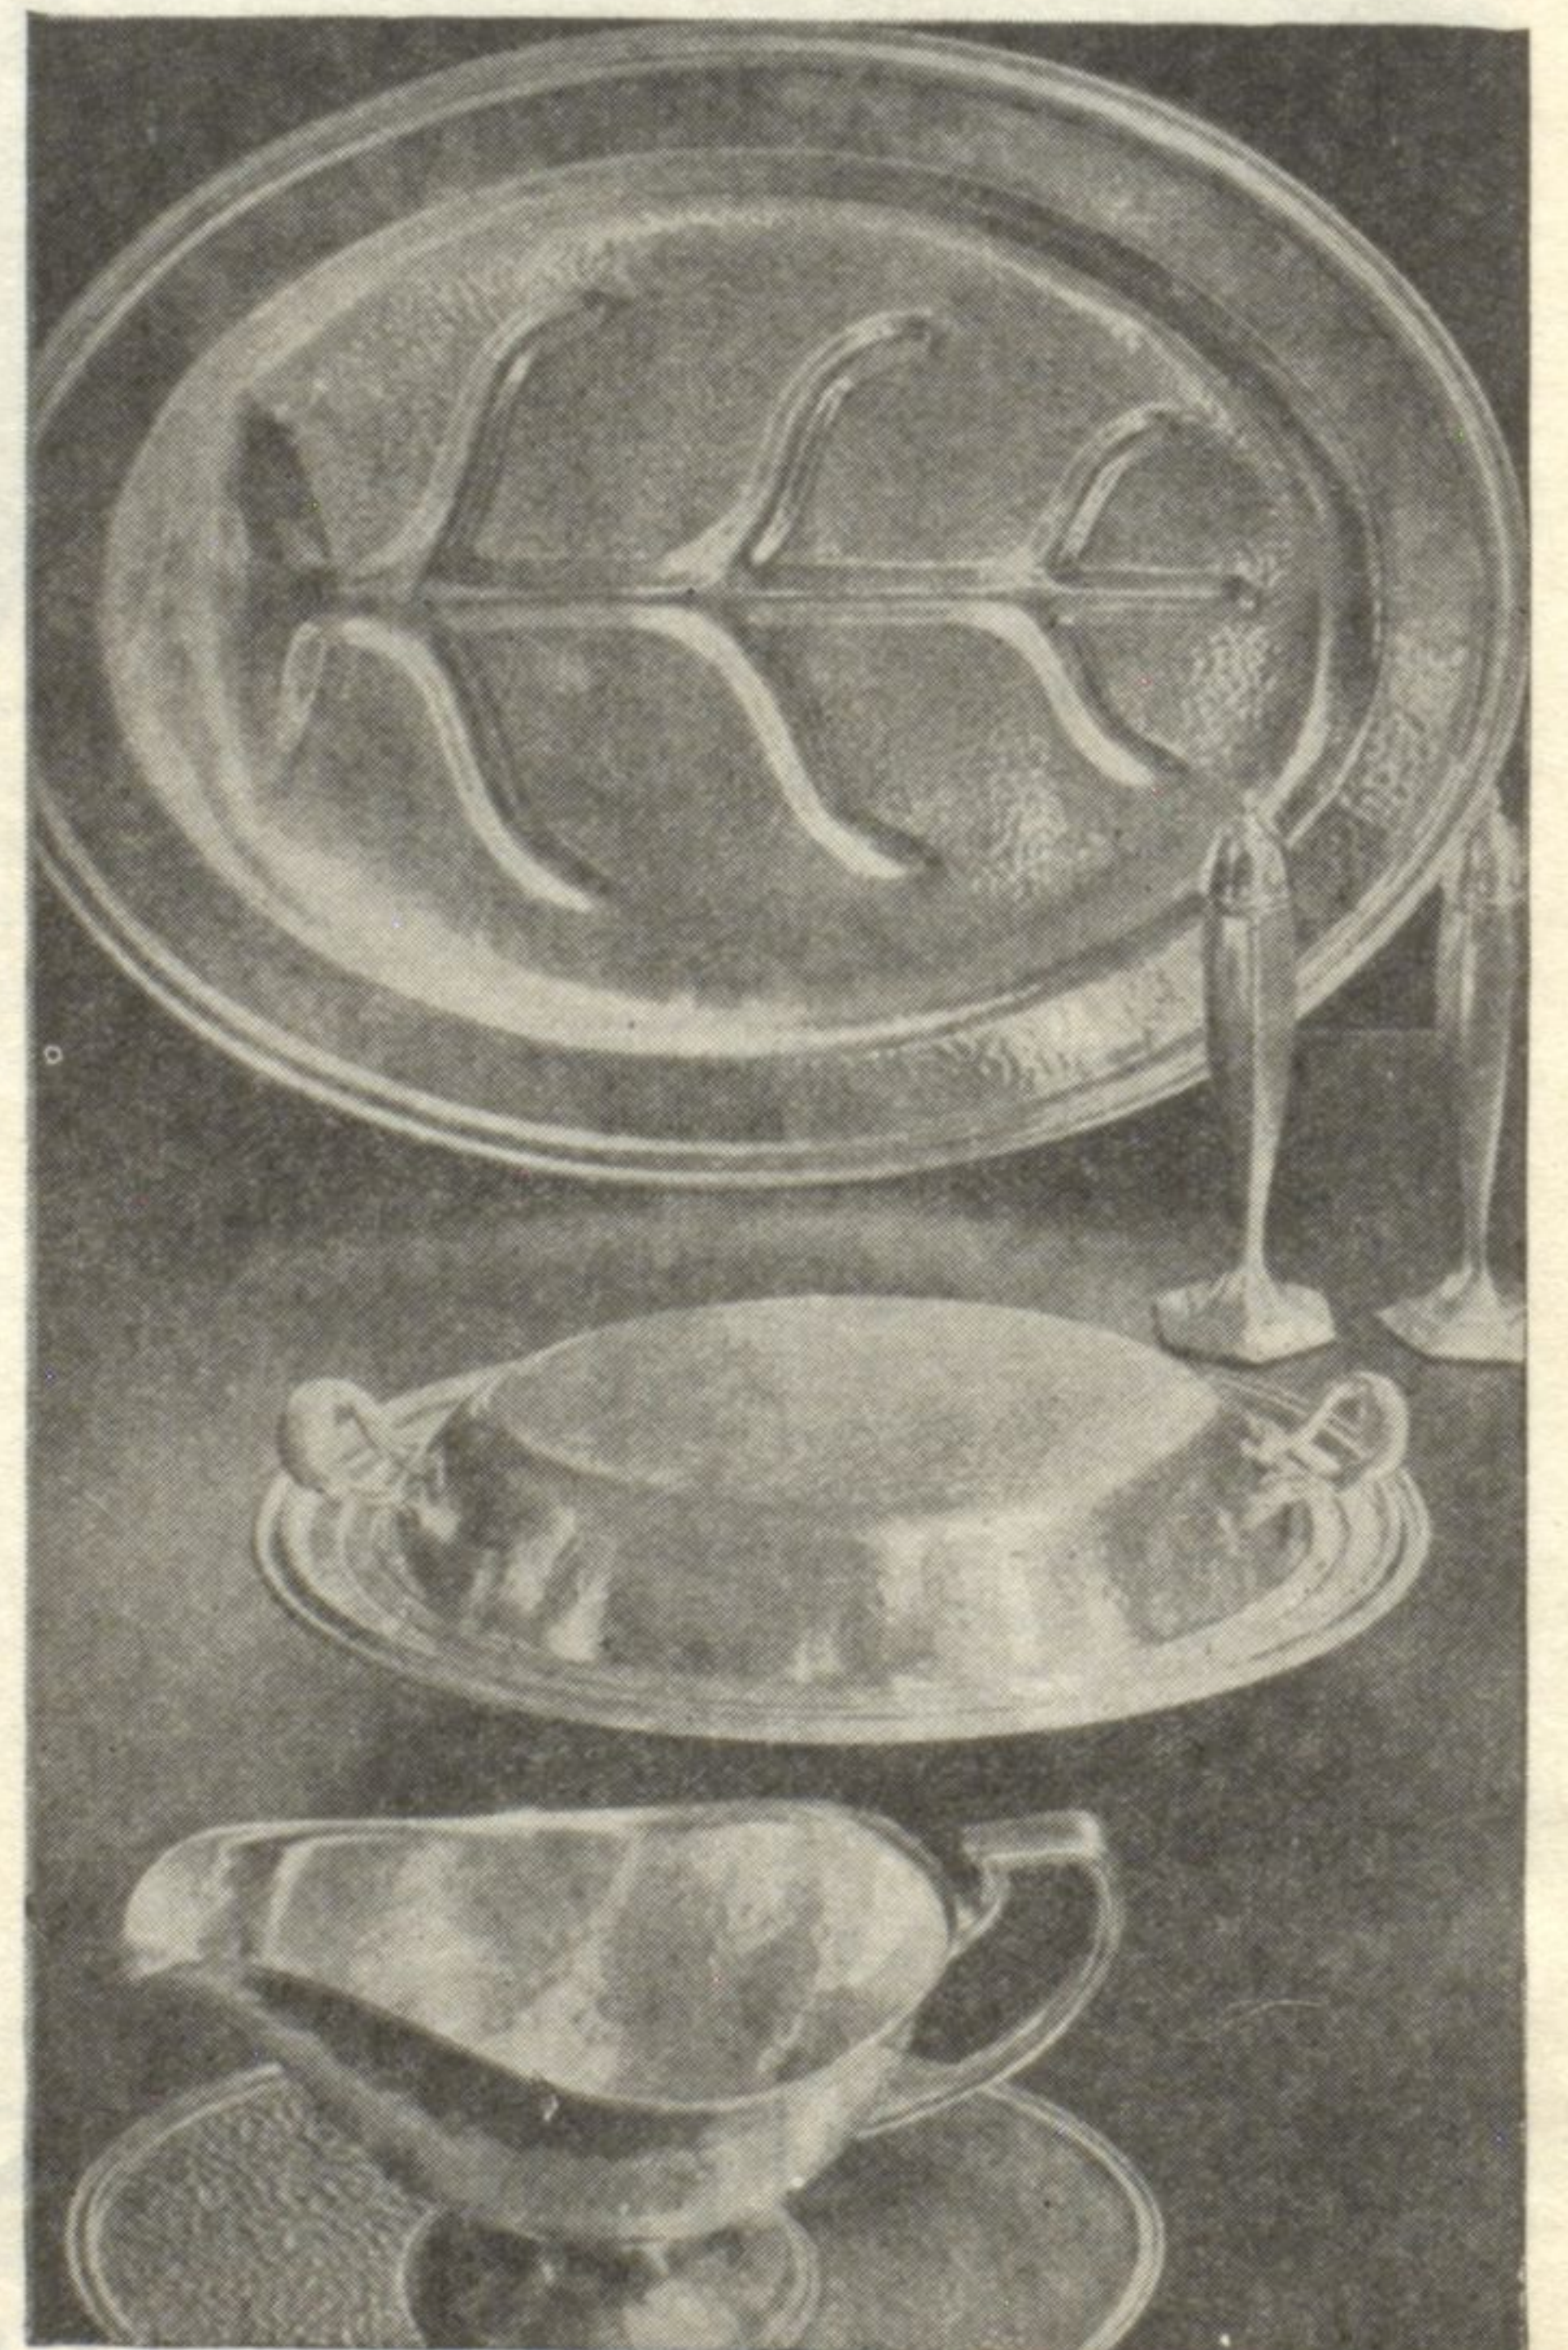

Above, right—Place your money on this jockey for he wins admiration with his noble horse and modernistic ash tray, \$1.95. Left—Guarding an imported pastel colored ash tray is the modernistic doe, \$1.95.

Above—Creating an illusion of a mystical wonderland far beneath deep seas is this most novel of modern aquariums, of soft Verde green. Sea nymphs with arms outstretched, command the wrought metal waves which are reflected and seem to undulate in the water of the aquarium. Oddly hexagonal, the lovely glass bowl is also a deep sea green, \$5.95.

Below—Beauty and practicability combine to make the well and tree platter a gift that is always appreciated. Hammered silver plate on nickel, 14 inch size, \$10.00. Double vegetable dish to match, \$10.00.

A silver gravy boat is always an excellent gift idea, as many women who have everything else in silver, lack a gravy boat. Hammered silver on nickel, \$10.00. Stately salt and pepper, silver plated, \$3.50 the pair.
