*Would Open New Gym
to Men of Township
During Winter Time*

The Board of Education of the New Trier Township High school, in response to many requests from the community is considering a plan to open the new gymnasium two nights a week for the use of the men of the township.

If a sufficient number are interested the gymnasium will probably be open for this purpose Tuesday and Thursday nights during January and February, and possibly March.

There will be opportunity for basketball, handball, squash, volley ball, indoor ball, track, etc. The play facilities are unusually fine.

Membership sufficient to cover operating expenses must be secured in advance. Those interested should communicate at once with W. L. Childs at the high school.
