Winnetka Residents Heed "Mail Early" Advice, Report Shows

With more than two hundred sacks of parcel post mail received for dispatch at the Winnetka post office early last Monday afternoon, all records for receipts of outgoing mail in a corresponding length of time in Winnetka were shattered, and the fact established that people, in general, have been heeding more than ever the admonishment to mail early.

With the heaviest Christmas mail on record, Uncle Sam's postal workers are appreciating the effort of residents to aid them by observing the early mailing custom which is growing in favor every year.

The newspapers and the radio broadcasters have persistently heralded the advantages of early mailing and perhaps few villages the size of Winnetka will report a more satisfactory response.

By the end of this week, the receipt of incoming mail had grown proportionately and Postmaster Braun and his force are expecting to maintain the office record of years past to have the bulk of the mail delivered in time for Santa's needs on Christmas Day.

A few straggling parcels are always received after Christmas, but it is thought this season will witness a minimum of tardy mail.

Mrs. George Stanley Parker, 200 Linden avenue, will give a luncheon next Thursday in honor of Louise Badgerow, Eleanor Sherman, Louise Fentress, and Louise Lackner, at her home.

Miss Helen Lolita Burdette, daughter of Mr. and Mrs. C. W. Burdette of 300 Poplar street, a senior at Goucher college, returned home on December 18, for the Christmas holidays.
