

Select Five N. T. Men as All-Star Suburban Gridders

Five New Trier High school football players are placed on the first team of an all-north suburban selection by Walter J. Harris, sports writer for the Chicago Evening Post. They are: Art Wienecke, New Trier captain; Carl Hall end; Thompson, tackle; Hunter Hicks, quarter-back, and Morris Nelson, halfback.

Mr. Harris made his selection from the four high school teams in the north suburban district—New Trier, Evanston, Deerfield, and Waukegan. Of the remaining six places on the first team, Evanston got four, and Deerfield and Waukegan, one each.

New Trier also copped four places on the second all-north suburban team—Milton Guy at end, Slim Rositer at tackle, Charles McArthur at guard, and Al Richards at halfback.

This year's team at New Trier was one of the best in the history of the school. It went through the season undefeated, sinking most of its opponents under decisive scores. New Trier tied Lindblom of Chicago 6 to 6, and was held to the same score by Evanston, also an undefeated team this year. Walter Ashenbach is the New Trier coach.

Mr. and Mrs. Herman Bartholamay, 631 Blackthorn road, will not give their annual New Year's day reception on account of "Flu" in the family.

Helen Aldrich, daughter of Mr. and Mrs. Paul I. Aldrich, 394 Chestnut street, returns today from Ferry Hall for the holidays.

Mr. and Mrs. Joseph Coombs, 142 Church road, will entertain at a dinner dance at Vista del Lago tomorrow evening.

Charles Pajeau Elected Commodore of Yacht Club

Sheridan Shore Yacht club elected Charles H. Pajeau commodore for the ensuing year at the annual meet last Thursday evening and closed its season with an impressive record for racing.

Sheridan Shore boats were victors in practically all the inter-club races they entered and enjoyed the distinction of having one of their members, Earl T. DeMoe, take the Lake Michigan championships for the second successive year in Dream Star. Several boats are in prospect which will increase the size of the fleet, which now rates as the largest of star class sloops on the Great Lakes. A representative will be sent next summer to Detroit to compete in the Great Lakes regatta.

Trophies for the past season's races will be awarded at a dinner dance to be held in the latter part of January.

Besides Mr. Pajeau, the new officers of the club are: Oscar Haugan, vice-commodore; Harry Thorpe, Jr., rear commodore; Robert C. Teare, treasurer, the office he held last year; Walter Stockton, secretary; Harold H. Elliott, who was commodore during the past year, and Sam Goss are the new directors.
