Dr. Herbert L. Willett to Address Sunday Evening Club: "Flu" Stops Program of Music

Dr. Herbert L. Willett, minister of the Kenilworth Union church and prominently identified with the Divinity school, University of Chicago, will deliver a Christmas message at the Wilmette Sunday Evening club December 23, at the First Congregational church.

Sunday's Christmas service was to have been featured by the rendition of the "Messiah" by the combined choir of Wilmette churches. This portion of the program was of necessity postponed until Sunday, March 31, because of the prevalence of influenza which has seriously depleted the personnels of the various choirs.

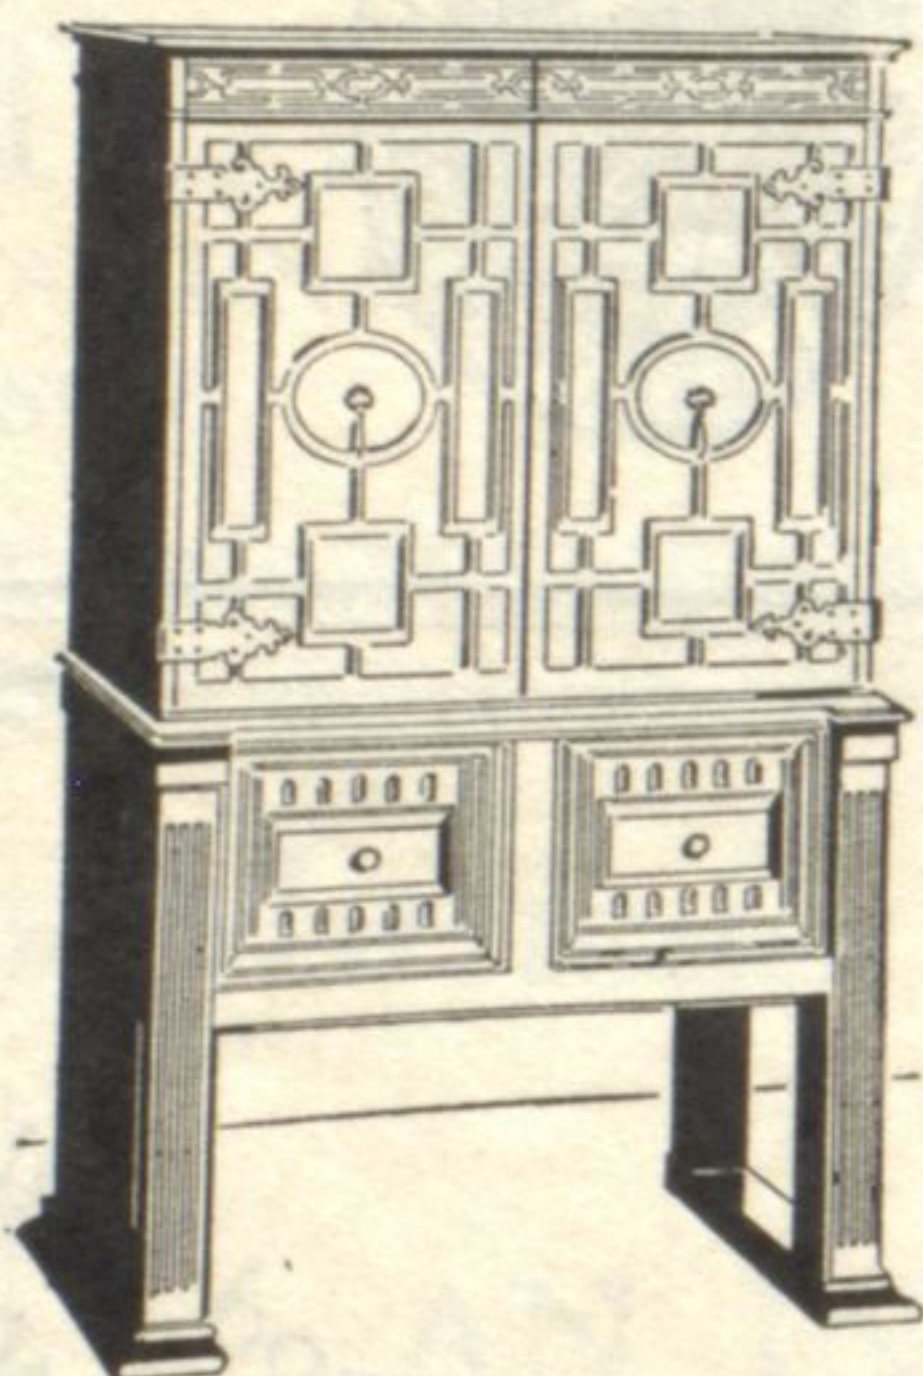

Dr. Willett has achieved international fame as a lecturer, one of his outstanding series of discussion bearing the title, "Lectures on Timely Topics." He has been widely heralded by the press of Europe and America, and ranks with the foremost platform speakers in the country. Concerning Dr. Willett's lectures one commentator says:

"Dr. Willett is one of the advance thinkers of the age." Another refers to him as "the most polished speaker on the American platform," and still another ranks him as "a great educator of broad outlook and high ideals."
