

SAFETY FOR YOUR VALUABLES

ARE YOU ABSOLUTELY CERTAIN

that the papers, securities and treasures now in your office safe are secure against fire or theft?

that your home offers adequate safety for documents and valuables that would be difficult to replace?

that the papers and almost priceless articles you own will not be lost through carelessness in misplacing them?

AT THE COST OF LITTLE MORE THAN A CENT A DAY YOU CAN

guard your valuables, papers and securities with the most modern mechanical and electrical safeguards.

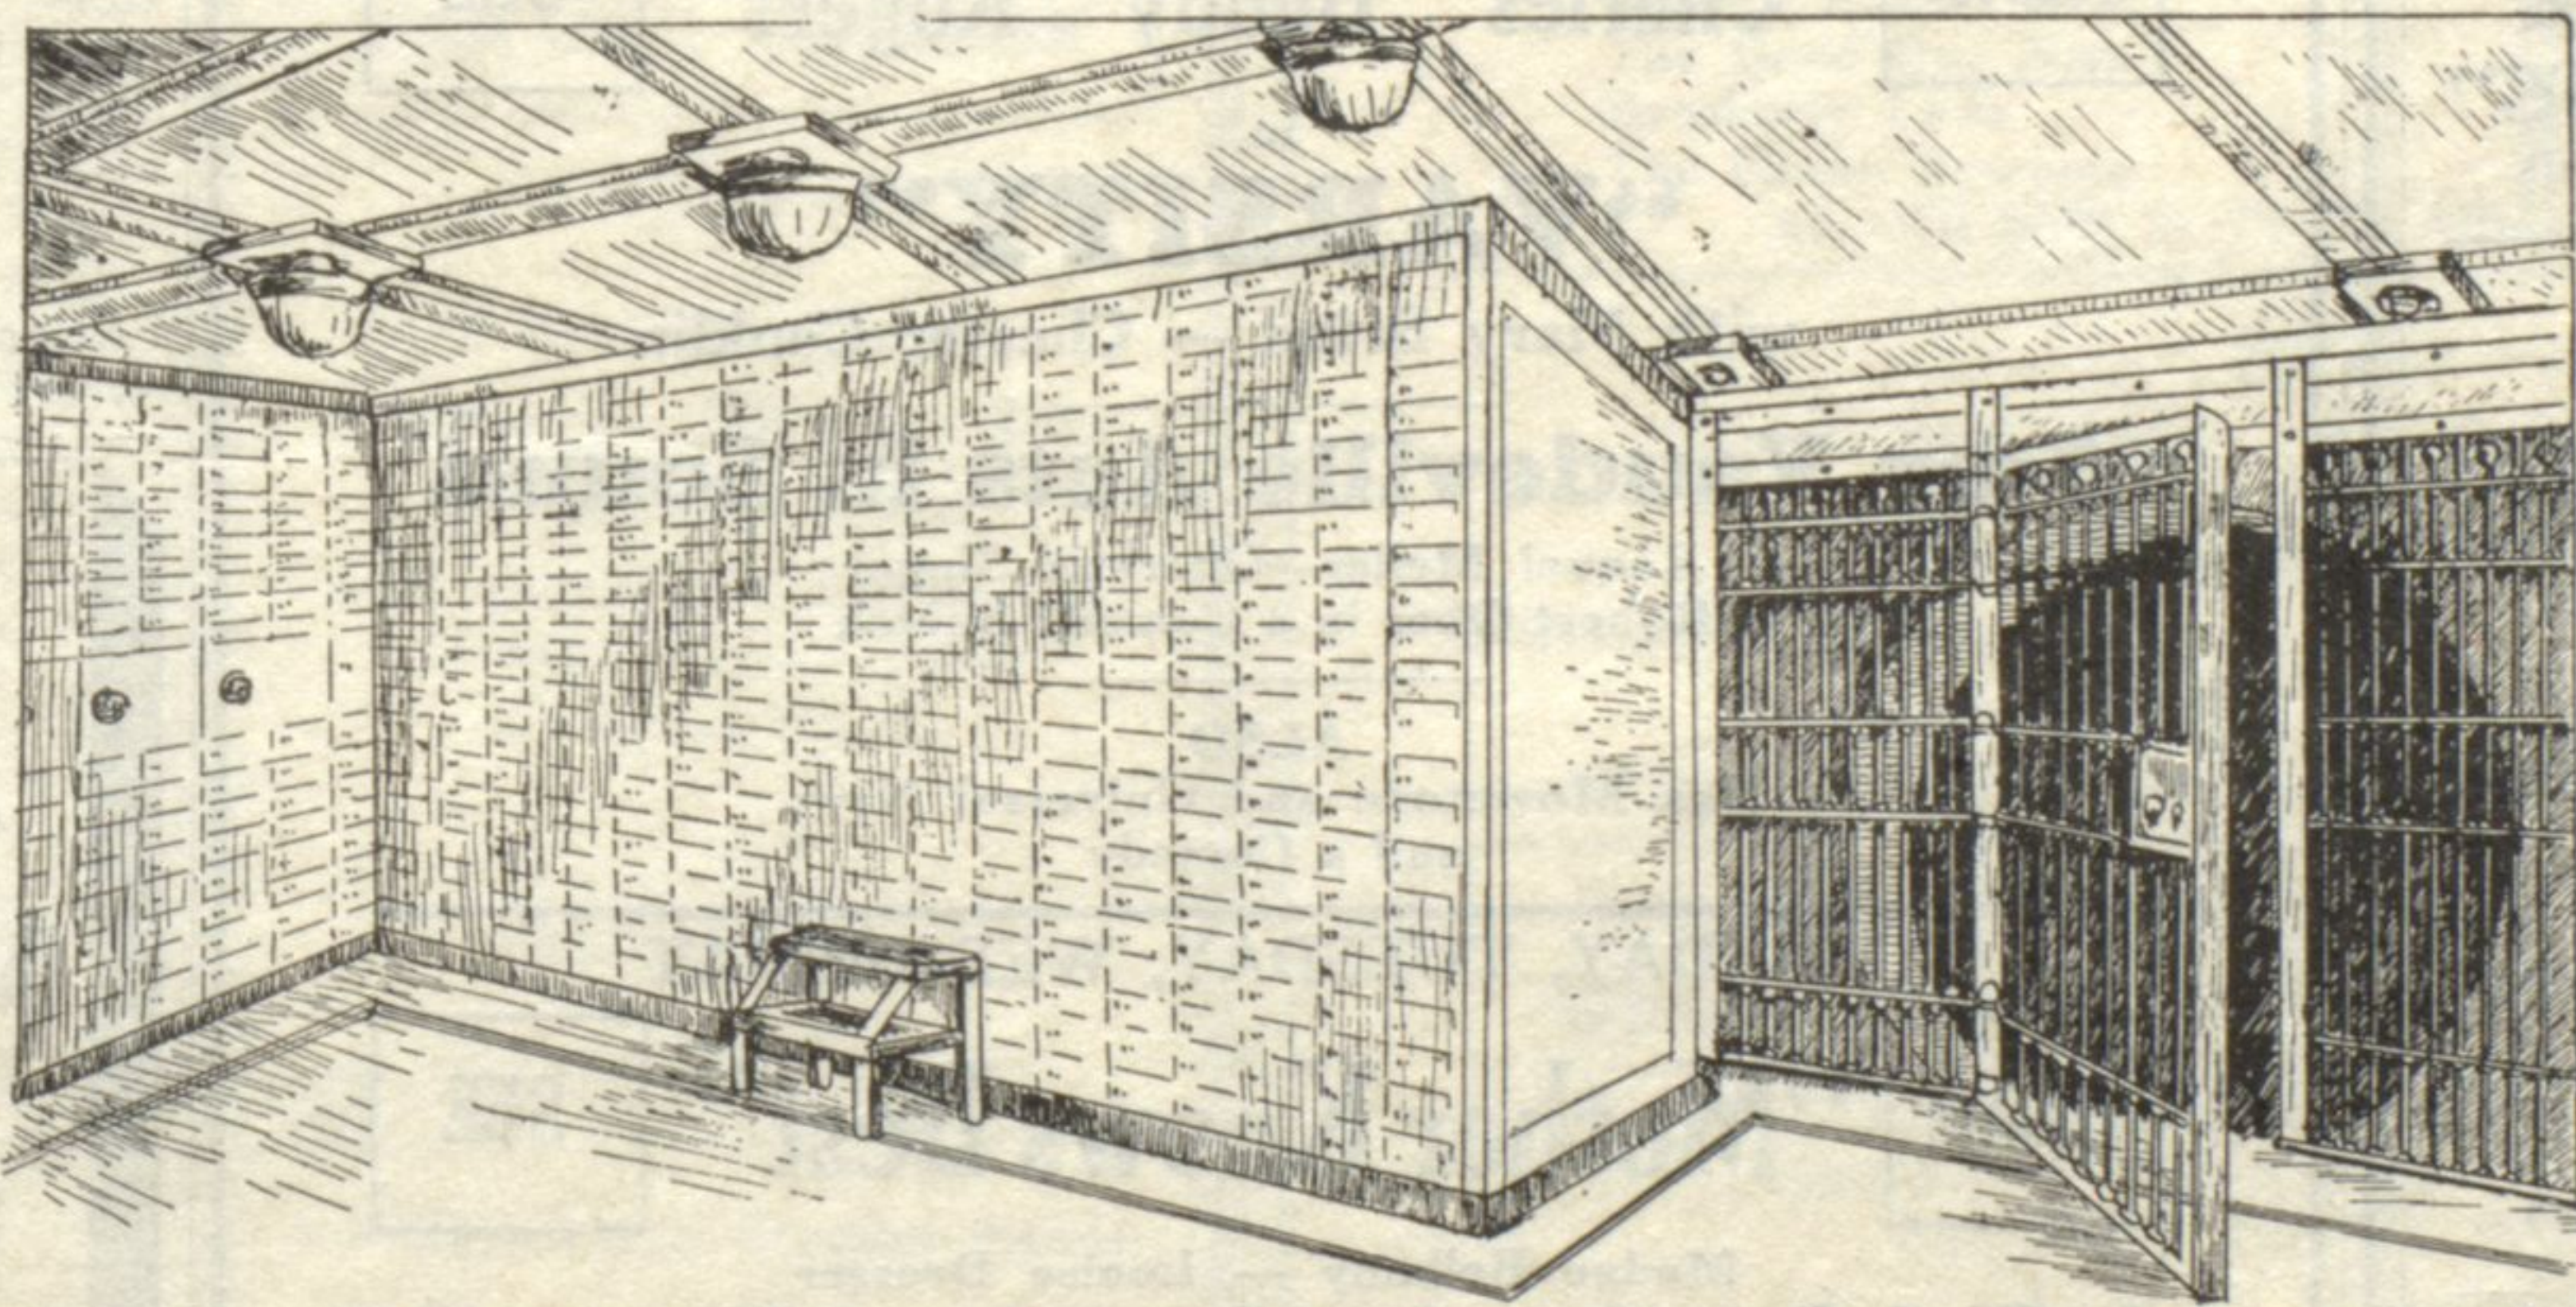

keep your treasures in a modern vault so constructed as to be as water, fire and burglar proof as is humanly possible.

give proper protection to the things you value highly by renting a box in the State Bank and Trust Company's vaults.
