

Lee Says:

THERE'S a little CALENDAR here by our DESK that has reached ITS last stage of USEFULNESS—after TODAY it will HAVE to give place to A BRAND new one—and WE kind o' hate to SEE that little calendar GO because it's watched US go through our PACES here for the past TWELVE months and it has HELPED us a lot to KEEP tab on our ENGAGEMENTS and pay OUR bills when due— BUT 1929 is coming AROUND the bend and WE hope she—or should WE say he?—brings you A LOT of joy and PROSPERITY—and we also HOPE that our store MAY be permitted to FIGURE prominently in YOUR 1929 activities— WE'RE ready, willing and ANXIOUS to serve, always.

Junior Leaguers Present "Treasure Island" Jan. 5

Members of the Junior league are holding regular rehearsals for "Treasure Island," which they will present at the Harris theater, Chicago, Saturday morning, January 5. Edith de Nancrede, who directed "Racketty Packetty House," is also directing the new play. The last performance of "Racketty Packetty House," which was to have been given December 22, was postponed because of illness among members of the cast, and the general holiday rush.

Village Mails Special Assessment Bills Due

Bills for special assessments in the Village of Winnetka were sent out recently from the village collector's office, and if paid on or before January 2, 1929, no additional interest need be added, according to Village Manager H. L. Woolhiser. Payments after that date should include an additional amount for interest on the current installment from January 2 to the date of payment, Mr. Woolhiser stated.

Warm Weather Foe of Holiday Skating Fans; Rinks Ready

The warm weather of the last week has been disappointing to many Winnetkans who had hoped to make use of the village's three ice skating rinks at Hubbard Woods, Skokie Playfield, the Indian Hill station park during the holiday period.

The plan of the Winnetka Park board to provide family membership for the use of the skating rinks at one dollar per family has met with a very general response, according to Village Manager H. L. Woolhiser.

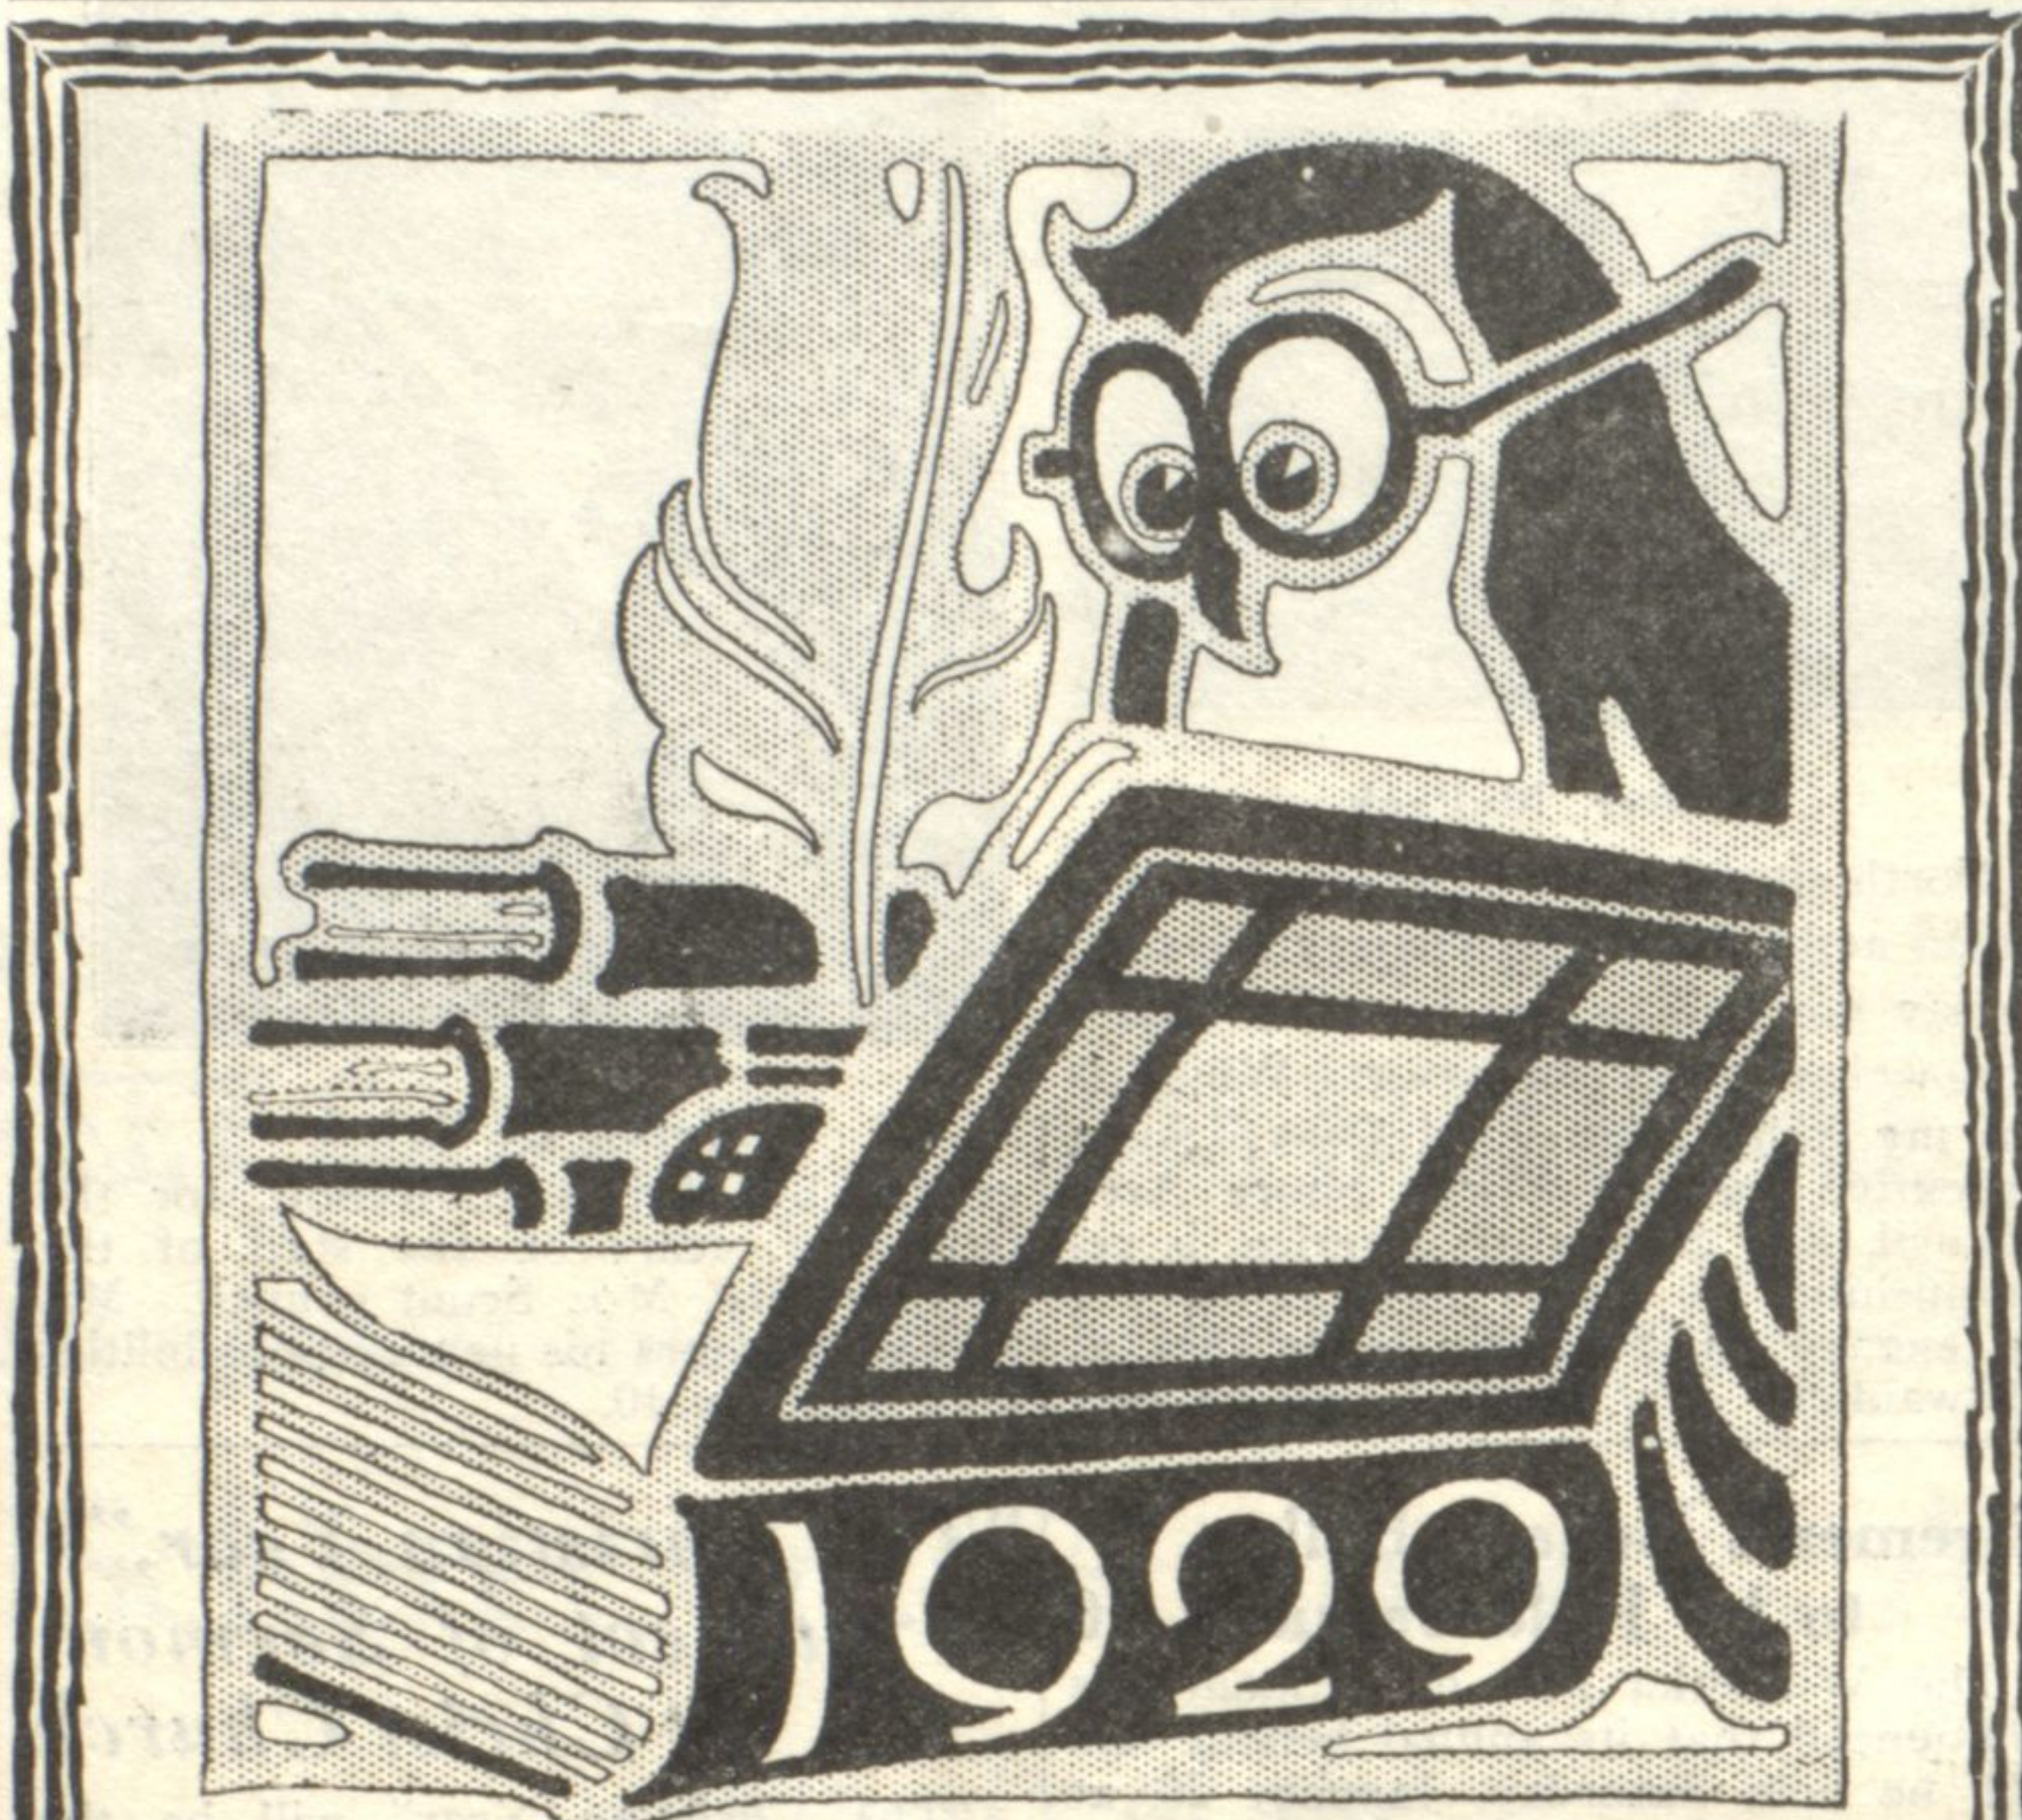

As soon as weather conditions permit, every effort will be made to provide good ice, Mr. Woolhiser stated. Persons who have not applied for their skating memberships have been urged to do so at once, as the use of the rinks will be restricted to those who have paid the fees.

What about 1929 ?

Here's our answer to that question. We know that any year is exactly what you make it.

And we're going to make it our record year.

But resolutions alone won't do it. It means that we must give more service than ever, more value; it means that we must work harder for you.

If we do those things 1929 will take care of itself.
