

GOES TO BIGGER JOB

Walter McPeek, North Shore Scout Executive, to Accept New Scout Post in Milwaukee January 10

Walter McPeek, Scout Executive for the North Shore Area council, Boy Scouts of America, for the past two years, or since the inception of that organization, will leave January 10 to assume new duties as education director of the Milwaukee County council, Boy Scouts of America.

Simultaneously with the announcement of Mr. McPeek's decision to enter upon a new field of Scouting work, came the information this week that the North Shore council had retained M. O. Rybolt, for the past four years a member of the staff of Boy Scout directing personnel in Kansas City, Mo., to assume the duties of north shore Scout Executive.

Mr. McPeek goes to an enlarged and more specialized work in the Scouting field. He has established an enviable reputation as a leader and organizer on the north shore and was largely responsible for the phenomenal advancement in Scouting interest in this vicinity. His first work on the north shore was the alignment of the various Scout groups in the north shore communities under a common council, which effected direct channels of communication with the national organization. Having accomplished this objective, he next launched upon the task of rehabilitating existing Scout units and building new troops, and generally expanding Scout activity. One thousand Scouts are under his general supervision as the New Year begins, a fact which, in itself, represents a phase of the astounding development of Scouting in this locality.

Mrs. Leon Allen, 258 Melrose avenue, Kenilworth, entertained her bridge club at luncheon last Tuesday afternoon.

When in Difficulties

Just Call Our Firemen

Winnetka's fire department serves the village in more ways than one, as incidents of the last week will show. Last Sunday afternoon at about 3:15 o'clock the Ralph Ettlinger family, 440 Elder lane, returned home to find themselves locked out of the house. The fire department was called, ladders were raised, the firemen gained an entrance through a second story window, and then opened the door for the family. On Saturday at the E. R. Lewis residence, 1138 Hampton-dale avenue, a roast caught fire, and there was considerable smoke. Again the firemen were called, but not in time to save the roast.

Elm Street Garage to Have New Management

Announcement was made this week that beginning January 1 the Elm Street garage, 718 Elm street, Winnetka, will operate under new management. Roy H. Scherer and Arthur C. Anderson, formerly of the Better Service garage, 715 Oak street, will have charge of the new garage. Increased automobile repairing business made necessary a move into larger quarters, according to an announcement appearing in this week's issue of WINNETKA TALK concerning the change. Mr. Scherer and Mr. Anderson have announced that in their new garage they will specialize in Lincoln service and complete automobile repairing, as well as washing, polishing, simonizing, and lubricating.

Mrs. Henry Ilg, Jr., returned shortly before Christmas with her daughter after spending the last three months visiting her mother in Huntington Park, Cal.
