Does Christmas leave you feeling prosperous?

Your financial position, temporarily strengthened by bonuses, gifts and dividends, can be permanently improved if you invest wisely.

This firm's 6% First Mortgages and First Mortgage Bonds, issued on first class North Shore real estate, offer a safe and profitable investment. They are safeguarded by the conservative judgment of a firm with a 44-year reputation for integrity and discrimination. Rising values constantly increase the investor's margin of safety.
