STAGE BIG PAGEANT AT ARDEN SHORE CAMP

Children of the Tenements Vacationing at North Shore Camp to Give Presentation of Robin Hood Stories, Wednesday

NORTH SHORE INVITED

Women of this Vicinity Direct Pageant; Camp Workers Invite Inspection on Pageant Day

Children of the Arden Shore Vacation Camp at Lake Bluff will give a Pageant at the camp on Wednesday afternoon, August 24, at 3 o'clock. The presentation will consist of three episodes in the story of Robin Hood and has been written and arranged by Miss Eleanor Perkins of Evanston.

The first episode is a scene in Sherwood forest showing Robin Hood's band making merry and keeping a sharp watch for fear of detection by the officers of the King.

The second episode shows the court of King Henry, the king and queen disputing over the prowess of their rival bands of archers. The queen makes a wager with the king that her marksmen can shoot better than his and a contest is arranged.

Stage Real Contest

In the third episode the contest takes place and Robin Hood appears, masked, to shoot for the queen. He wins the wager for her and she wins for him, from the King, a year of grace.

The parts will all be taken by the children who are vacationing at the camp. There will be singing, dancing, wrestling and archery bouts, and many other stunts.

North Shore Women Help

Miss Virginia Lilienfeld of Wilmette, Miss Florence Pease of Kenilworth, Miss Miriam Henry, the assistant superintendent at the camp, and others of the staff, are working together to make the Pageant a success. It will be given on the green in front of the Administration building, with the surrounding forest trees as a background.

Mrs. Carl R. Latham, the President of the Arden Shore association, and the Board of Directors, extend a most cordial invitation to all friends of the camp to come out on August 24 and see this beautiful place and the 500 happy mothers and children who are there.

The Milwaukee Electric has a station at the entrance to the camp which is on Sheridan Road just north of Lake Bluff.

BEING A FISH STORY OUR FRIEND DAN HATES TO TELL

Fishy, Fishy in the brook. Dan near' caught him with a hook. And at that happy juncture the deputy game warden appeared gliding over the undulations of Powers Lake, the fish ducked and Dan fumbled frantically for a license he had never taken out.

It happened last week-end. Dan Noe was "up at the lakes" with his friend Walter Gibbon. Came Sunday afternoon Walter turned his thoughts to slumber and Dan went out to try his luck with the rod and tackle.

He got one bite, then the goldurn fish warden bit him for just thirty-one times the fisherman's license fee in Wisconsin, which is \$2 for non-residents. Have you taken out your fishing license? Carry it along next time! Dan has his sewed inside his fishing jacket.

Street Name Honors Roswell Hayes Fuller

Village Names Orth Sub-Division Street "Fuller Lane" in Memory of Slain Winnetka Flyer

Roswell Hayes Fuller, Winnetka Gold Star hero who lost his life in the fighting in France, was accorded lasting honor this week when the Village of Winnetka named a new street in the Orth sub-division, "Fuller lane". The street is in the vicinity of the slain aviator's former home. Roswell Fuller was the son of Mrs. Frank R. Fuller, 110 Church road.

In connection with the designation of a new street, Superintendent of Public Works Gbbon, who suggested the name, announced the proposed early improvement of the subdivision by the construction of forty new homes to cost approximately \$25,000 each.

The project is to be carried out by the H. J. Hoffman Construction Company of Indiana and work is to start without delay. Each of the homes will be built by private contract thus obviating the necessity of special assessment proceedings and effecting a considerable saving to the village.

INSTALL DRINKING FOUNTAINS

Sanitary drinking fountains were installed by the Village Department of Public Works this week near the three Chicago and Northwestern stations in the village. Fountains were placed at Winnetka avenue, Elm and Gage streets.

A DAY OF REST

It used to be that Sunday was the popular day to "look" for houses. Times have changed. The Real Estate brokers of the north shore now enjoy a day of rest the same as the grocer, the butcher or the banker.

Sunday looking for homes is now confined to the careful reading of Want Ads of the newspapers and making a list of homes you want to see on Monday.

Many of the north shore Real Estate brokers are using the Want Ads of this paper to tell you what they have to offer. It is a time saver for them and for you. You will profit by careful reading. Here is the way one of the brokers tells his story, you will find others on the regular page:

VILLAGE TREES CLEAN, SAYS FORESTER LYNCH

Constant Care of Trees on Both Private and Public Properties Prevents Killing Moth and Maple Scale

Winnetka's trees are virtually clean and unmolested by the oft-mentioned Tussock moth and maple scale, according to Village Forester Thomas J. Lynch, who conducts a flourishing tree surgery business in the village.

Constant care of trees both on private and public properties in the village has been responsible for keeping Winnetka's shade trees in healthy condition, Lynch explains. While other villages of the north shore are complaining of the prevalence of the pests that destroy the trees there is scant room for complaint in Winnetka, he says.

Work is Forester Lynch's greatest hobby. With eight experts on the job every day he has been rendering a service to the village that cannot be estimated in dollars and cents.

The village forester is soon to conduct a tree trimming campaign along beautiful Sheridan road from the Kenilworth line through Glencoe.

Lynch is also Village Forester for Glencoe and Kenilworth and has established an enviable reputation in this vicinity as an expert in every department of tree surgery and care. His services have been in demand in various parts of the country including several towns in Iowa and other middle western states.

Lynch is a member of the Winnetka Post of the American Legion and as sergeant in the World War, saw service in many important battles.

DEATH TAKES AGED RESIDENT

Mrs. Henry J. Jewett, aged 77 years, of 879 Cherry street, passed away at her home Thursday, August 18. Mrs. Jewett, who had been an invalid for several years, was well known in the village. She is survived by her husband and a daughter, Mrs. Spaulding.

Funeral services will be held Monday morning, August 22, at 10 o'clock. Burial will be at Libertyville, Ill.

SMALL CHILD BURNED

The small daughter of Mr. and Mrs. Ivar Hallquist, 809 Oak street, was severely burned about the face and arms this week when a match which she had found and struck on a stairway of the home ignited her clothing. The child was painfully burned before members of the family, coming in answer to its screams, could extinguish the flames.

COUNCIL INSPECTION TOUR

Members of the Village Council Tuesday afternoon conducted an inspection trip to the Village Water and Light plant on the lake front where the officials observed the progress of the new filtration plant and inspected recent improvements in the electric plant.

WINNETKA ENDORSES NEW TRIER OUTING

Village Council Unanimously Adopts Resolutions Officially Recognizing Annual Township Holiday

LEND MATERIAL HELP

Permit Use of Village Equipment for Skokie Park Picnic and Close Offices During the Day

New Trier Day, occasion of the annual township outing sponsored by the New Trier Commercial association, was this week officially endorsed by the Winnetka Village Council in regular session Tuesday evening.

The invitation of business men of the village and township extended to residents of New Trier to join forces in a day of picnicking at Skokie Park was enthusiastically accepted in the name of Winnetka when the matter was suggested at the Council meeting.

On motion of Trustee Pierce, seconded by Trustee Brown, and carried, the following resolution was unanimously adopted:

Pass Resolution

"Be it resolved by the Trustees of the Village of Winnetka, in Council assembled.

"That we hereby officially endorse and recognize August 24 as New Trier Day in recognition of the importance of the New Trier Commercial Association in the Community."

On roll call, Trustees Ballenger, Brown, Huddle and Pierce voted aye. In recognizing New Trier Day the Village will co-operate with the New Trier Commercial association in complying with the business houses of the township by closing the Village offices in the day of the outing so as to permit the village officials and employees to participate in the events of the day.

The village has gone a step farther than other north shore towns in contributing to the success of New Trier Day by donating for the occasion and installing refreshment stands, seats, tables, and making other similar arrangements for the accomodation of the picnickers. Equipment belonging to the Village Department of Public Works and used on occasions of Community celebrations on the Village Green is to be placed at the disposal of the Commercial association for the day.

WHO HAS A SPARE ROOM TO HOUSE A SCHOOL MA'M?

With the opening of the public schools near at hand, the Board of Education is confronted with the problem of housing the teachers who are this year to instruct the youth of the village.

An appeal to Winnetka people published in a recent issue of the Talk, asking those who can to provide comfortable living quarters for teachers, brought several responses, but, school officials explain, rooms have not been found for all the teachers.

Residents of the village who have rooms to spare through the school season are asked to communicate with Mrs. Barret Conway, 387 Linden avenue, phone Winnetka 616.

NEW PASTOR. ALTER PROGRAM AT SCANDINAVIAN CHURCH

With the appointment of a new pastor, the Rev. A. Brookhouse, the Scandinavian Evangelical church of Winnetka this week announces a revision of the church program of services. The church is located on West Elm street.

One of the important changes is the agreement to have all Sunday services in the English language, beginning September 11. Services on Sunday are at 11 A. M. and at 8 P. M. Sunday school convenes at 9:45 A. M.

Services at the church on Wednesday evening will be in the Swedish language when some of the most noted Swedish pastors will appear at the local church.
