

Motor Field Leader

William T. Wehrstedt, Winnetka Motor company, is one of the pioneers in the automobile business in this vicinity. He is also a leader in civic affairs and a helpful member of the New Trier Commercial association. Dodge Motor cars are his specialty.

PAYS EVANSTON FINE FOR WILMETTE WORK

Now Tree Trimmer Is More Careful of Boundary Lines

Proof of the exact boundary line between Evanston and Wilmette was furnished again Saturday afternoon when Paul Hansen, 200 South boulevard, employed by R. W. Loudon, 200 South boulevard, was fined \$10 and costs by Judge John F. Boyer in police court for trimming trees without a license on the southeast corner of Isabella street and Eastwood avenue.

When the offender was brought into court by officers Charles Pash and B. J. Hanke he was rather perplexed. "I was in Wilmette and they require no license," he remonstrated with the Judge.

"You were not in Wilmette," corrected Judge Boyer. "The middle of the street is the boundary line. When you are south of the middle it's Evanston, when you're north of it it's Wilmette. You can settle for \$10."

Hansen was fined under the order issued by the city council July 12, which requires licenses for tree trimmers, street vendors and other merchants.

WHOOPING-COUGH SCARE

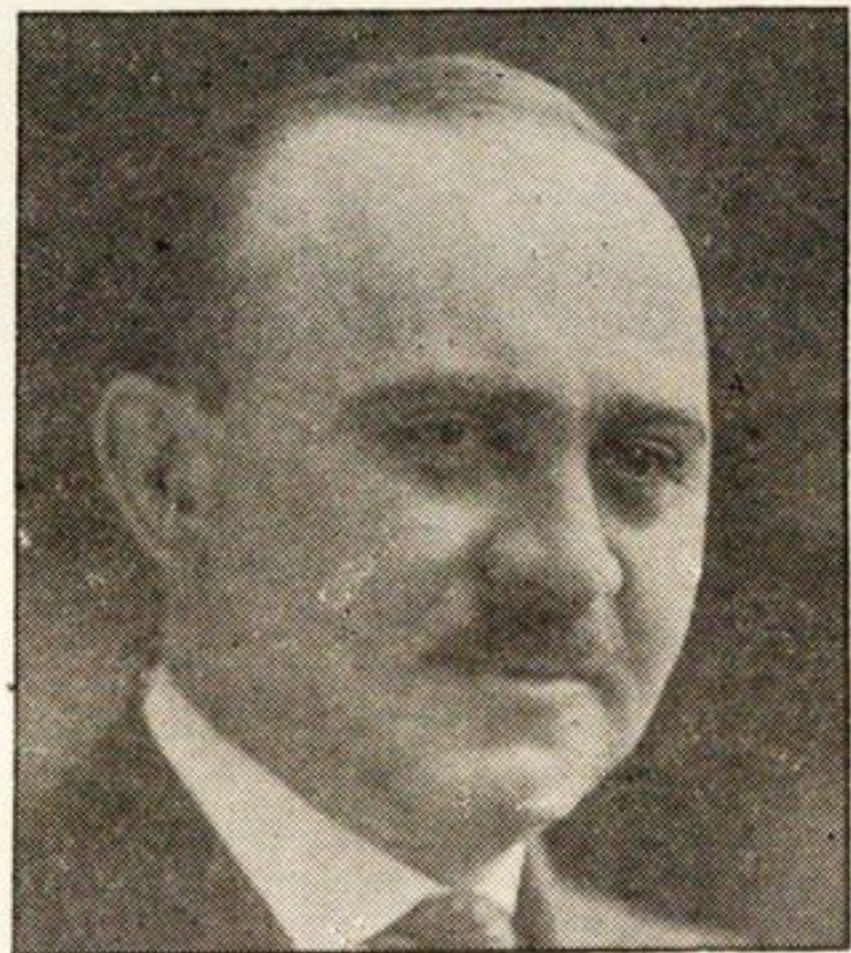

Twenty-five new cases of whooping-cough have developed since the first of July at Evanston, "and," says the Evanston News-Index, "is the cause of a strenuous campaign by the health department to compel people to report new cases to the city."

TOM'S WATER CARNIVAL COMES OFF AUGUST 19.

North shore residents who have been taking Tom Robinson's water courses at Northwestern university this summer will have an opportunity to give a public exhibition this Saturday, when Coach Robinson's swim carnival will be held in the N. U. tank, in Patten gymnasium. There are 155 entrants in Tom's gala water contest, ranging in age from 5 to 55 years.

There will be \$100 worth of gold and silver medals, now on display in Lord's department store, Evanston, as prizes for the events. There will be 40 yard races for both boys and girls between 10 and 15 years of age, a 40 yard championship, a 20 yard race for women, and many others. Coach Robinson, himself, will give an exhibition, swimming around the tank, with hands and feet tied, and a blindfold over his eyes, to show the youngsters that freedom is not necessary to swimming, if an accident should demand swimming with the clothes on.

Real Stand-by

Earl L. Weinstock, Winnetka Coal-Lumber company, can always be counted upon to assist in any village or township civic venture. He is a staunch member of the New Trier Commercial association and a New Trier Day booster of the first water.

IN every city in the country are men and women who, years ago, stopped driving their own cars. They have used chauffeur-driven cars merely for transportation. Now they are driving the Wills Sainte Claire. Why? Because in this car they have found a new thrill and satisfaction in luxurious motoring.
