

DISTRICT NEWS.

GREEN RIVER

The sporting fraternity purpose celebrating Thanksgiving Day in true orthodox style. A little hunting and shooting party has been organized, consisting of two veteran sportsmen from Toronto and a number of our local amateur cracksmen who will shoulder their little guns and followed by their hounds take a south-easterly course where Reynard is supposed to hold high carnival. We predict for them a fine day any amount of fun and probably some game.

Our Baptist friends contemplate dedicating their new church in this place on Sunday Nov. 18th. The Rev. D. A. McGregor will conduct the Morning and evening services at 10 a. m. and 7 p. m. respectively, while the afternoon service will be conducted by Rev. Mr. Kay at 2.30. Music furnished in the morning by Green River choir, afternoon by Whitevale Baptist, ev'g. by 12th line Methodist. Envelope collection at each service in aid of building fund. On the ev'g. following, Monday Nov. 19 a social tea will be held when the following Rev. gentlemen are expected to deliver addresses:—Messrs. J. Reel, W. S. Barker, Hall, J. F. Barker, Sherman, and Cowie. Tickets 25 cts. Children 15 cts. Tea served from 5.30 to 7.30. Come and rejoice with us.

LEMONVILLE

Our Gospel Temperance Meeting on Friday evening last was well attended as usual. The principal feature of the evening was the debate on the subject—"Resolved that War has caused more misery and death than Intemperance."

Messrs. L. Patsley, R. C. Perkins, and Seneca Baker spoke on the affirmative, and Messrs. J. H. Lemon, Thos. Mahon and B. Bebec spoke on the negative.

Each gentleman fought bravely for his side, and after a warm, interesting and instructive contest the decision was given in favor of the affirmative, which was won by two points. After the debate a reading was given by Miss Jamieson, which showed up the evils of intemperance. A cordial invitation is extended for all to be present at our next meeting on Dec. 7th, it being the last meeting of the year, every effort is being put forth to make it successful.

On Wednesday, 14th inst., Mr. Marshal Hainah was married to Miss Lottie Sutton of this village. Look out for a fuller account next week.

Doubled.—On Wednesday, Nov. 7th the sun rose all luminous after days of leaded dampness. Why it showed his decided preference is accounted for by the old proverb: "Happy is the bride the sun shines on," for on that day Miss Mary Wallace became the bride of our enterprising merchant, Mr. Jas. Canning. The wedding took place at the residence of the bride's father, Mr. Wallace, of Shrubmount, in the presence of a large and fashionable gathering of friends and relatives, the nuptials being performed and the wedding breakfast partaken of the happy couple departed amid showers of rice, good wishes and the proverbial

al, old shoes to other scenes. On their arrival at their future home in Lemonville, they received a most hearty welcome from the boys and girls of the hamlet, who discoursed music from instruments of all kinds, and with cheer upon cheer for bride and groom, showed their hearty appreciation of Jim's all-important step. The young people in their turn were sent home happy loaded with the goodies furnished by the liberal groom. Don't mention it; but it is hinted that some of our citizens were effected as is the small boy after Xmas feasts. The young lady customers now carry away a small sweet parcel, the gentlemen the same or a quiet smoke as suits their tastes. Oh that more young business men would take the hint and leave our bachelor ranks paying for their liberty as liberally.

ACCIDENT.—While the people were wending their way home from the Temperance meeting the other night, one of the company, a married lady, had the misfortune to misstep footing in the dark, and stepped off the end of the bridge into the pond, where she experienced a very refreshing bath. After making a big splash in the water she soon found her way out while her husband stood on the bridge expressing his sympathy for her. The lady also sprained her ankle in the fall and had to be taken home in a buggy. The married citizens of our hamlet should build a railing along such dangerous places.

ALTONA

Miss Mary Stouffer and Miss Elizabeth Reesor, missionary collectors, have been making good use of the recent fine weather.

Our assemblage of fair ones has received an attractive accession.

Miss Mary Jones who has been suffering for some time from an attack of typhoid fever, has completely recovered and is able to attend school.

Miss Mary Monkhouse left for Oshawa on Monday last, to attend Demill College.

Mrs. Geo. Morden met with an unfortunate accident on Monday last. She was ascending a flight of stairs leading to the rooms above her woodhouse and when about half way up fell to the floor, receiving a severe sprain. Happily no bones were broken and we are pleased to hear that she is doing well.

Mr. John Hoover and Miss Lydia Nighswander of this place celebrated Halloween by driving to the Christian parsonage, Stouffville, where the services of Elder Willoughby were required to unite the happy couple in bonds of matrimony. Mr. Hoover has taken his bride to the old homestead. May their wedded life be a long and happy one.

The Weekly Press says that a New York dairyman, who was milking a large herd of average cows, took five of the best and five of the poorest ones, and keeping an account of the cost of feed and care, found that, while the five good ones were paying a good profit, the other five were actually costing him \$7 per head annually over and above the value of the milk they yielded.

THE ALTAR

HOOPER-NIGHSWANDER.—By the Rev. J. Willoughby, at his residence, Stouffville, on Oct. 31st, Mr. John A. Hoover to Miss Lydia Nighswander all of the Township of Pickering.

A Famous Doctor

Once said that the secret of good health consisted in keeping the head cool, the feet warm, and the bowels open. Had this eminent physician lived in our day, and known the merits of Ayer's Pills as an aperient, he would certainly have recommended them, as so many of his distinguished successors are doing.

The celebrated Dr. Farusworth, of Norwich, Conn., recommends Ayer's Pills as the best of all remedies for "Intermittent Fevers."

Dr. I. E. Fowler, of Bridgeport, Conn., says: "Ayer's Pills are highly and universally spoken of by the people about here. I make daily use of them in my practice."

Dr. Mayhew, of New Bedford, Mass., says: "Having prescribed many thousands of Ayer's Pills, in my practice, I can unhesitatingly pronounce them the best cathartic in use."

The Massachusetts State Assayer, Dr. A. A. Hayes, certifies: "I have made a careful analysis of Ayer's Pills. They contain the active principles of well-known drugs, isolated from inert matter, which plan is, chemically speaking, of great importance to their usefulness. It insures activity, certainty, and uniformity of effect. Ayer's Pills contain no metallic or mineral substance, but the virtues of vegetable remedies in skillful combination."

CATARRH.

CATARRHIAL DEAFNESS—HAY-FEVER.

A NEW HOME TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been discovered whereby catarrh catarrhal deafness, hay fever are permanently cured in a few days by three simple applications made at the office of the patient once in two weeks. N. B. Being used in regular discharges peculiar to females (Medical) remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of 25 cts. by A. H. DIXON & SON, 303 Wellington Street, Toronto, Canada.—Scientific American.
