

NEWS SUMMARY

The fact that the Whitechapel murders have all been committed at the changes of the moon is taken as strengthening the lunatic theory.

BERLIN, Nov. 19.—The parting between the Emperor and his mother was very touching. He kissed and embraced her many times. The party met the Prince of Wales at Flushing and embarked on the royal yacht which started for England near midnight.

LONDON, Nov. 19.—Most of the English papers, in referring to the visit of the ex-Empress of Germany, express warm sympathy and welcome.

LONDON, Nov. 18.—The Royal yacht bearing the Empress Frederick, of Germany, and her daughter, and the Prince of Wales, reached Port Victoria this morning. Queen Victoria and the Princess Louise, and Beatrice left Windsor this morning to greet the Empress on landing.

Among the warmest advocates of the use of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure are ladies formerly in delicate health, whose vigor and bodily regularity have been restored by it. Cases of debility of long standing, chronic biliousness, weakness of the back and kidneys, remittent ailments, and obstinate types of nervous indigestion, are overcome by it.

There was only a small crowd at the station on the arrival of the Queen's train and there was no cheering, or uncovering of heads.

The Empress landed shortly after the arrival of the Royal train at Port Victoria. When the greetings were over the whole party proceeded to Windsor, where they arrived this morning.

There is still a talk of war in Europe. Russia and Austria take time.

The Medicine for Liver and Kidney Complaint. Mr. Victor Auger, Ottawa, writes: "I take great pleasure in recommending to the general public Parmelee's Pills, as a cure for Liver and Kidney Complaint. I have done for the last five years with all attending physicians, and have taken many medicines which were recommended to me without relief, but after taking eight of Parmelee's Pills I was quite relieved, and now I feel as free from the disease as before I was troubled."

On Monday last Lord Sackville perpetrated a huge joke on the good people of Washington, who of course are supposed to cordially hate every thing in the shape of humbug. A lot of old plate, crystal and crockery-ware etc., which was supposed to have been in his Lordship's family for years, was advertised for sale by public auction. A large crowd of the native big-bugs attended, and the prices paid were large. The spokesman says the stuff realized a larger sum than could have been obtained in any junk shop in the world.

The use of Ayer's Sarsaparilla purifies the blood, stimulates the secretions and imparts new life and vigor to every function of the body. For nearly half a century, it has remained unrivalled as the best blood medicine ever discovered. Be convinced by a trial.

The Governor-General of Canada is Sir John Macdonald, who is classed among the most astute of modern English statesmen. He made a speech at Ottawa recently, after dinner (our English kin take the intervals of filling the stomach to empty the brain—with great skill sometimes), in which he alluded to the annexation scheme. He did not advise it. He felt that it would not be congenial, in many ways, for the Queen to part with any more colonies, especially Canada. His occupation, apparently, would be gone, since his is an appointive office, and for many other good and sufficient arguments, he would vote against it. The Blade apparently knows a great many things that are not so.

WHAT OUR EXCHANGES SAY ABOUT US.

BRIDGE TIMES

Mr. F. Munro has sold his paper, the Stouffville TRIBUNE to Messrs. Hoidge Bros. and last week the TRIBUNE came out in a new dress, which much improves its appearance. It is now a bright little eight page paper, which reflects credit upon its proprietors. The TRIBUNE has met with favor from its subscribers, while in the hands of Mr. Munro, and it will doubtless continue on in the same way with Messrs. Hoidge Bros. and give them the reward for their enterprise, which they deserve.

PICKERING NEWS

The Stouffville TRIBUNE has been sold to Hoidge Bros., and changed to the eight-page form. It already begins to look half-decent.

WEST DURHAM NEWS

We have received a copy of the Stouffville TRIBUNE, published by Hoidge Bros., who have recently purchased that office. The initial number by the new firm is a great improvement on the original publication, and the publishers are to be congratulated on their enterprise. We wish them success in their venture.

AURORA BANNER

The TRIBUNE, published at Stouffville, has changed hands, Messrs. Hoidge Bros. having purchased it from Mr. Munro. The form of the paper has been changed from what is called a "blanket sheet" to an eight-page, and it has also been otherwise improved.

HERALD, RICHMOND HILL

CHANGED HANDS.—Mr. F. Munro, editor and proprietor of the Stouffville TRIBUNE, has sold out to Messrs. Hoidge Bros. Some slight changes have been made in the paper and we believe the new firm will be pushing men.

MARKHAM ECONOMIST

Mr. Munro has sold the Stouffville TRIBUNE to Messrs. Hoidge Bros., who have charge last week. The paper has been altered to an eight page form, with a patent inside. We wish the new proprietors success but are afraid the village is too small to support two newspapers.

Don't Wait

Until your hair becomes dry, thin, and gray before giving the attention needed to preserve its beauty and vitality. Keep on your toilet-table a bottle of Ayer's Hair Vigor—the only dressing you require for the hair—and use a little, daily, to preserve the natural color and prevent baldness.

Thomas Munday, Sharon Grove, Ky., writes: "Several months ago my hair commenced falling out, and in a few weeks my head was almost bald. I tried many remedies, but they did no good. I finally bought a bottle of Ayer's Hair Vigor, and after using only a part of the contents, my head was covered with a heavy growth of hair. I recommend your preparation as the best hair-restorer in the world."

My hair was faded and dry," writes Mabel C. Hardy, of Delavan, Ill.; "but after using a bottle of Ayer's Hair Vigor it became black and glossy."
