During the past two weeks the public has been shocked by two unusually heinous crimes, one in Toronto and one in Peterborough, and public indignation has very justly been excited to no ordinary extent. One would think that the most ardent champions of the anti-capital punishment movement could have very little to say why those brutes should not swing for their crimes. If such unmitigated scoundrels could only be arrested and hanged before they commit their diabolical crimes it would be better still.

By cable we learn that Lord Salisbury has recently declared in favor of Female Suffrage. He says in connection with his statements on the subject that he only speaks for himself personally. How much significance is to be attached to his words it would be difficult to say. If he could only see his way clear to declare himself in favor of doing justice to Ireland and take his cabinet with him, he would make for himself a place in history which he is not likely to occupy by his present course towards that unfortunate country.

STOUFFVILLE COUNCIL

COUNCIL CHAMBER
Stouffville, Dec. 4th, 1888.

Members all present. Reeve in the chair. Minutes of last meeting read and approved.

The clerk read a communication from Dr. J. A. Field relating to Mr. H. Highfield's affliction in the partial loss of his sight.

Bills were presented from F. Monro, painting \$1.50; Joel Barker, lumber \$2.68; H. W. Woodgate \$10; Silvester & Dougherty, spikes \$19.65; Joel Nendick, lumber \$61.64.

A circular re-exemption from Taxation, from the Mayor of Ottawa, asking the council to petition the Local Legislature to abolish all exemptions with such exceptions as the council might see fit, was read.

Mr. Highfield was then heard. He stated that he had been nearly blind for about a year, and that a medical operation was necessary for which he would require \$12 or \$15.

A number of bills passed by the Board of Health, re Peterman case, amounting to \$85.02, and one from R. J. Daley for rent, \$12.50, were read and ordered to be paid.

The case of H. Highfield was next discussed. On the suggestion of the Reeve, it was decided to leave the matter over till next meeting and in the meantime to make an attempt to raise the necessary sum by subscription.

An interesting discussion on the evils of exempting ecclesiastical and other properties from taxation then took place, in which the reeve and other members of the council, besides several gentlemen not members of the council took part. Strong grounds were taken with respect to property occupied by ministers whose congregations were situated outside the municipality in which they resided. A number of cases were cited of ministers who occupy rented houses in the village while they minister to congregations situated at some distance outside the corporation. This was considered an injustice, as the minister received no advantage, having to pay just as much rent, while the municipality lost the taxes which would otherwise have to be paid on the same property had some other person than a minister been the tenant.

A motion was then made that the council sign the petition asking the Local Legislature to abolish all Exemptions except in the case of churches, hospitals, schools, and municipal buildings.

The yeas and nays were then taken with the following result.—Yea Sanders, Leaneay, Ramer, Nays—Flint, Kemp.

Concerning the question of holding municipal nominations in the evening as provided by the statute, Mr. Flint introduced a by-law, which was put through the different stages and adopted.

The municipal nominations this year will therefore be held on the evening of Dec. 31st at 7.30 p.m. instead of at 12 o'clock as formerly. Council then adjourned to meet on 15th inst. at 7.00 o'clock p.m.

The McClary Stove works at London, Ont., were destroyed by fire, last week.

Woods the druggist is believed to be in Buffalo and will doubtless be arrested and held for extradition.

At the inquest, the doctors not having their report ready, the proceedings were adjourned till Monday, Dec. 10th.

Mrs. Celeste Coon, Syracuse, N.Y., writes: "For years I could not eat many kinds of food without producing a burning, exruciating pain in my stomach. I took Parmelee's Pills according to directions under the head of 'Dyspepsia or Indigestion.' One box entirely cured me. I can now eat anything I choose, without distressing me in the least." These Pills do not cause pain or griping, and should be used when a cathartic is required.

In a recent speech, Lord Salisbury has declared himself in favor of Female Suffrage.

For more than a generation, Ayer's Sarsaparilla has been before the public and its popularity was never greater than at present. As a remedy for various disorders caused by constitutional taint, this medicine has no equal. The demand for it is prodigious.

It is Absurd

For people to expect a cure for Indigestion, unless they refrain from eating what is unwholesome; but if anything will sharpen the appetite and give tone to the digestive organs, it is Ayer's Sarsaparilla. Thousands all over the land testify to the merits of this medicine.

Mrs. Sarah Burroughs, of 248 Eighth street, South Boston, writes: "My husband has taken Ayer's Sarsaparilla, for Dyspepsia and torpid liver, and has been greatly benefited."

A Confirmed Dyspeptic.

C. Canterbury, of 141 Franklin st., Boston, Mass., writes, that, suffering for years from Indigestion, he was at last induced to try Ayer's Sarsaparilla and, by its use, was entirely cured.

Mrs. Joseph Aubin, of High street, Holyoke, Mass., suffered for over a year from Dyspepsia, so that she could not eat substantial food, became very weak, and was unable to care for her family. Neither the medicines prescribed by physicians, nor any of the remedies advertised for the cure of Dyspepsia, helped her, until she commenced the use of Ayer's Sarsaparilla. "Three bottles of this medicine," she writes, "cured me."
