"Did n't Know 't was Loaded"

May do for a stupid boy's excuse; but what can be said for the parent who sees his child languishing daily and fails to recognize the want of a tonic and blood-purifier? Formerly, a course of hitters, or sulphur and molasses, was the rule in well-regulated families; but now all intelligent households keep Ayer's Sarsaparilla, which is at once pleasant to the taste, and the most searching and effective blood medicine ever discovered.

Nathan S. Cleveland, 27 E. Canton st., Boston, writes: "My daughter, now 21 years old, was in perfect health until a year ago when she began to complain of fatigue, headache, debility, dizziness, indigestion, and loss of appetite. I concluded that all her complaints originated in impure blood; and induced her to take Ayer's Sarsaparilla. This medicine soon restored her blood-making organs to healthy action, and in due time re-established her former health. I find Ayer's Sarsaparilla a most valuable remedy for the lassitude and debility incident to spring time."

J. Castright, Brooklyn Power Co., Brooklyn, N. Y., says: "As a Spring Medicine, I find a splendid substitute for the old-time compounds in Ayer's Sarsaparilla, with a few doses of Ayer's Pills. After their use, I feel fresher and stronger to go through the summer."
