Mr. Whealen, the church of England student who has been spending his Xmas holidays here returned to Toronto on Tuesday to resume his studies in Wycliffe College.

The Methodist parsonage is about completed and we will likely see the pastor Mr. Wilkinson comfortably settled in it before another week passes. It is owing to his efforts that the house has been built and we hope that he may now enjoy the benefits of his hard work.

The Ladies Aid of the Methodist church held a social at the residence of Mr. Nelson Wagg on Monday evening and the fine moonlight night brought a large number of persons in cutters and sleighs the ladies realizing a nice sum of money which is to be applied to the parsonage fund.

Last week we had Mr. Sweetman, the Post Office Inspector here investigating certain charges which were brought against the postmaster but Mr. Chapman was able to explain everything that was brought against him to the satisfaction of the Inspector and the majority of those present.

LEMONVILLE.

A large audience greeted Mr. J. C. Cox, the new president of the Gospel Temperance Society in the Methodist church last Friday evening. An excellent programme was presented in which some friends from a distance took part. The reading of Miss Etta Emerson is worthy of special mention. The club singing by J. C. Brodie was prominent feature in the proceedings. Mr. W. Willoughby of Stouffville delivered an appropriate address at the chief point of which the script prohibited the use of intoxicants as a beverage. He quoted several verses to prove his position. At the close of his address he intimated that he would come on a future occasion and take up the passages which seem to sanction the moderate use. The audience by a unanimous vote requested Rev. gentlemen to come the next evening and discuss those passages. He only consented to do so, an intellect.

It is therefore in store for those who may be present at the next meeting. Fourteen new names were added to the roll which brings the membership up to two hundred and sixty-nine. The next meeting will be held on Friday February 1st.

Mr. J. L. Pipher who has been suffering from pneumonia for the last few weeks is now recovering.

The Methodist friends propose holding a tea social at the residence of L. Paisley on the evening of Friday 18th inst when a good time may be expected.

MOUNT ALBERT.

The election excitement has all cooled down. The members elected are: Reeve J. Ramsden; 1st Deputy C. Trivias; 2nd Deputy M. Doan; Councillors J. Condon, John Hopkins. (Maj. J. A. close call for John.)

The A. O. U. W. elected officers at their last meeting having a lively time. Afterwards the visiting brethren from Queensville were entertained at an oyster supper at Mr. Currie's. The officers elected are as follows: P. M. W. T. Wallis; M. W. P. Steeper; Foreman—A. Dunn; Recorder—M. Bosworth; Overseer—I. S. Rose; Financier—D. Anderson; Guide—A. Last; I. W. A. Jones; O. W. J. Leek.

A SURPRISE PARTY.—A number of merchants and others from this place went to Queensville on Thursday 10th inst. to attend the annual meeting of the East Gwillimbury Agricultural Society and endeavor to secure the fall show for Mount Albert. It was a surprise when John and his mighty host stepped up to the Secretary and fifty-one paid in their dollars and became members; and when the election of officers came on and votes were called for, the way the boys from Mount Albert held up their hands made the Queensvillites think they were swamped.

LAYD UP.—Mr. Perry Reynolds, who has been laid up for a month or so, is still very low, but hopes are held out that he will pull through.

ODDFELLOWS MEETING.—The Rev. Mr. Shannon of Markham, will give an address to the Oddfellows next Sunday afternoon in the Methodist church here.

CHANGE IN POST MASTER.—Mrs. Jackson, having handed in her resignation as post-mistress, Mr. R. Rowland was appointed to fill the vacancy. He has engaged Miss Leek as an assistant.

A NEW CREED.—A sleigh load of Mennonites came over from Zephyr on Sunday evening, and held a service here in Mr. Brook's Hall. They are something of the style of Quakers. They had a very good meeting.

V. S. CHANGE.—Our esteemed and obliging veterinary Mr. M. Quigley, has sold out his business to Mr. N. Graham, of Zephyr, who has moved into our midst, bringing with him a young bride and partner in life. Mr. Quigley has left for a larger field of practice in Uncle Sam's domain, Dakota State. He was tendered an oyster supper and the well wishes of the citizens for his future success.

HYMENEAL.—Mr. Sia York, who has been in the work of the S. Army for the past four months, came home lately with a blushing bride of sweet sixteen. He intends to reside here for a while and give the S. A. a lift, which is very much needed. Young men wanting a wife only need to join the S. A. for a short time when they will have plenty to choose from.

A letter in the Newmarket Era signed Dixey, is not far astray, and the playing of checkers and other games in business hours should be dropped at once. They should take Dixey's advice; for I think myself they could be at something more profitable to themselves. And the merchants should see that their stores are not kept as a room for loafers and gaping small boys with uncouth remarks to the ladies.—Journal.

What might have resulted in a serious accident, occurred Sunday afternoon, as Andrew Stouffer with his sister and little brother, were coming home from Stouffville, the horse slid at a dog, overturning the buggy in the ditch, spilling them all out.

The horse ran some distance with the capsized buggy, but was stopped by a gentleman holding up his fur coat, the rig was badly damaged, but fortunately no one was injured.

C. R. Hall Grayville, Ill., says:—I have sold at retail price since the 1st of December last 156 bottles of Dr. Thomas' Electric Oil, guaranteeing every bottle. I must say I never sold a medicine in my life that gave such universal satisfaction. In my own case with a badly Ulcerated Throat, after a physician pencilling it for several days to no effect, the Electric Oil cured it, thoroughly, in twenty-four hours, and in threatened croup in my children this winter it never failed to relieve almost immediately.

CATARH.

CATARRHIAL DEAFNESS—HAY FEVER.

A NEW HOME TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated, whereby catarrh, catarrhial deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N. B.—For catarrhial discharges peculiar to females (white) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. DIXON & SON, 303 West King Street, Toronto, Canada.—Scientific American.
