Some had to remain home as they could not find standing room. The President, Mr. J. C. Cook ably filled the chair. An interesting programme was presented consisting of vocal and instrumental music, recitations and songs. The Rev. Mr. Willoughby of Stouffville, as promised took up those passages of scripture which seemed to favor the moderate use of intoxicants and that the subject in a masterly manner. The Lemonville orchestra rendered good service and was warmly applauded also the Vandal's quartet and the Stouffville Brothers. Miss Maggie White gave a recitation which was well received. Their object is to encourage the temperance workers their, and if possible organize a Gospel Temperance Society in that neighborhood. A cordial invitation is extended to all temperance workers and others within reach of Ballantrae to attend this meeting. We would say to the friends who are engaged in this work, the words of the poet:
Go on, go on, go on, go on,
Go on, go on, go on,
Go on, go on, go on,
Go on, go on, go on.
