HOSPITAL REMEDIES.

What are they? The growth of intelligence in medical matters has given rise to a demand for a class of genuine, reliable medicine. The opportunity of the ignorant quack, who grew rich curing everything out of a single bottle has passed. To supply satisfactorily this demand this list of remedies has been created. They are the favorite prescriptions of the most famous medical practitioners of the day, gathered from the hospitals of London, Paris, Berlin and Vienna. Prescriptions which cost the patients of these specialists from \$25 to \$100 are here offered prepared and ready for use at the nominal price of one dollar each. Not one of them is a cure all; each one has only the reasonable power of curing a single disease, and each one keeps its contract. Sufferers from Catarrh, Diseased Lungs, Bronchitis, Asthma, Consumption, Rheumatism, Dyspepsia, Liver and Kidney Complaints, Fever and Ague, Neuralgia, Female Weakness, Leucorrhoea or Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedy Co., 303 1/2 West King St., Toronto, Canada. If your druggist does not keep these remedies remit price and we will send direct.

A GREAT CHANCE.

By special arrangements with the publishers of Toronto Saturday Night and Canadian Fireside Weekly, we are enabled to offer both those valuable journals together with ours at the following remarkably low rates:

GOOD READING.

At this time of year when everyone is endeavoring to provide amusing and instructive reading for the fireside, Toronto Saturday Night should be remembered as one of the best written, cleanest and most elaborately illustrated papers published in the Dominion. It contains twelve pages of reading matter and pictures, many of which are reproductions of the finest work of art in Europe, while its pages of humorous selections are direct reproductions of the choicest pictures and paragraphs of the English and American comic papers. The publishers challenge the world for an equally attractive illustrated five-cent newspaper. It contains the Family Herald stories which appear simultaneously with their original publication in England, and throughout it is a paper for which every father of a family should subscribe. By special arrangements with the publishers we are enabled to offer Toronto Saturday Night and THE TRIBUNE at \$2.25 per annum. It is certainly an opportunity of which all should take immediate advantage, for we are really giving our paper and Saturday Night for the price of the latter. The Fireside Weekly is made up exclusively of stories, poetry, and answers to correspondents. The Sheppard Publishing Company truthfully claim it to be the cheapest family story paper in America, its price being \$2 per year, while that of its American rivals, not to mention better in style and much inferior as to contents, are each \$3 per annum. We offer the Fireside Weekly and THE TRIBUNE at \$2.00 per annum. Could anyone ask more?

LOCAL ITEMS.

SKATING.—Two loads of skaters from Claremont enjoyed the fine skating on Stouffville Rink on Saturday night last. Come again.

POINT MATCH.—In a point match for a medal played on Wednesday last among the members of the village curling club, Wm. B. Sanders was the winner with a score of 26 points.

BINDERS.—From the appearance of the station yard one would fancy the farmers are anticipating a bountiful harvest. There were about twenty Maxwell binders awaiting their purchasers the other day which speaks well for the ability of the agent Mr. H. L. Vanzant.

TEACHERS' INSTITUTE.—We have received a copy of the programme of the South York Teachers' Institute to be held in Parkdale on Thursday and Friday, 21st and 22nd inst. Papers will be read on interesting subjects by J. D. McKay of Markham, Wm. Houston M. A. and others.

ROSE, SHAMROCK AND THISTLE.—The entertainment given by John R. Clarke on Friday evening last, was a great success. The attendance was large and thoroughly appreciated the capital stories and songs. The Royal Templars deserve well of the community, for providing such an excellent entertainment.

UNION TEA MEETING.—The ladies of the Lemonville Methodist circuit will unite in giving a grand tea-meeting in Daley's Hall, Stouffville, Tuesday Feb'y 19th, 1889. After tea a splendid programme will be presented consisting of addresses by the resident ministers; readings, recitations and music by local talent. The usual admission prices.

CURLING CUP.—Two rinks of our village club go to Toronto to-day (Friday) to compete for a silver cup presented by Mr. H. Lemon of the Clyde Hotel. The competitors are Woodbridge, Aurora, Stouffville, Markham, Scarborough, Maple Leaf, Scarborough Heather. The draws will be played on Moss Park Rink. We hope to see the cup in Stouffville next week.

SAD NEWS.—Mr. D. Brooks of this village has just received the news of the murder of his nephew Arthur Brooks at the hands of the natives on the East coast of Africa. Mr. Brooks had been engaged by the London Mission Society since May, 1882, in its missionary work among the natives, and was just returning to England on furlough and had travelled five hundred miles in safety until he reached the region of the troubles with Germany where he was shot dead. We extend our sympathies to the bereaved family, many of whom live in this vicinity.

The following is the standing of pupils in the Stouffville Public School for January, 1889, the names are in order of merit:—Fifth Class—Wm. McCarty, Fred. Percy, B. Dougherty. Junior Third, No. 2—Ernest Wales, Alex. Brown, Sarah Kelly. Second Class, No. 1—Bessie Dixon, Celia Daley, Edith Williamson. Second Class, No. 2—Minnie Minns, Kenneth Pollock, Harman Marriot. Second Class, No. 3—Ethel Cryderman, Martha Yake, John Brown. First Class, No. 1—Rolph Kerby, Bertram Willoughby, Nancy Armstrong. First Class, No. 2—William Yake, Lillian Widdifield, May Watts. First Class, No. 3—Barbara Robinson, Jacob McMullen, Walter Booker.

GOSSIP TEMPERANCE MEETING.—The regular meeting of the Stouffville G. T. S. was held on Tuesday evening last. Considerable interest was added to the proceedings by the presence of the Band who rendered some favorite selections and the leader Mr. N. Stouffer whose cornet solo was well received. The reading by Mrs. B. Eck and recitations by Miss Blanche O'Brien, and Master Wilbert Lehman were "along the temperance lines". The feature of the evening was an address by the Rev. H. Knowles who departed a little from the line of usual temperance speeches and delved deep to find the root of drunkenness. The cause of a good deal of drinking, he said, was a lack of restraint in the appetites of children who were allowed to have what they wanted simply because they liked it and without regard to the good of their health. He made an eloquent plea for healthy physical amusements as an offset to the drinking habit.

G. A. Dixon, Frankville, Ont., says:—"He was cured of Chronic Bronchitis that troubled him for seventeen years by the use of Dr. Thomas' Electric Oil."

ROUND ABOUT US.

NOTES GOT BY HOOK OR BY CROOK WITH SCISSORS OR PEN IN HAND.

J. C. Robertson, hardware dealer, of Newmarket, is reported to be in business difficulties.

The position of Modern Language Master of Uxbridge High School has been awarded to Mr. S. B. Leacock, of Sutton, at a salary of \$700.

The chief of an Australian tribe delivered the following Temperance lecture in one line:—"One drink is too much; two are not enough."

At the last meeting of the Georgina Council a resolution was carried, removing the cost of vaccination from the individual and placing it upon the municipality.

On Sunday night fire destroyed the largest store of Preston & Lee, at Bethany, Ont., containing a large general stock. The fire is supposed to have been the work of an incendiary.

Mrs. Woods, of Deer Park, was getting off the C. P. R. train, at West Toronto Junction on Thursday of last week, when she slipped and fell on the platform, breaking her leg just above the ankle.

The Peterboro bakers were up before the magistrate the other day to explain why their bread was under weight. After examining the culprits the limb of the law discharged them as he did not think they intended fraud. Over 100 loaves were confiscated.

Mr. Geo. Doan, of Sharon, and his son John, will go out this spring to their land in the neighborhood of Regina, N. W. T., where they will be occupied in making the wilderness blossom as the rose during the coming season. We wish them success.

The Aurora Borealis has removed to West Toronto Junction and will be known henceforth as The Comet. The Borealis ranks among the newest and best of our exchanges, and by its removal Aurora loses its best paper. We wish the venture every success.—Sun.

While Frank N. Leavens of the Pickering News, was running the Gordon press Monday morning he accidentally placed his right hand between the edge of the feed-board and the cog-wheel, and the ends of his second and third fingers were pinched off below the first joints. Frank has just nicely finished his apprenticeship here, and is built in such a way that loafing around for a month nursing a pair of sick fingers went agree with him at all.

Two young men, one from Zephyr, and one from Devil's Elbow, were surprised on Sunday night by a vicious animal following after them in the cutter on the side road north of Mt. A., which they state acted very savagely like that of a link, but one of the adventurers says it was white like a rabbit. The settlement is very much disturbed over the strange animal.

There is a great deal of excitement round about Pine Orchard, through some person or persons having been poisoning dogs. No less than five dogs have died inside of eight months. It will be very interesting if the perpetrator is found out.

The London Advertiser wants Mr. Brown's committee on "Frauds on Farmers" to investigate into the workings of the N. P. Mr. Wallace's "combine" committee could profitably consider the present tariff as it doubtless comes within the range of their subject.

Byron makes the following characteristic note of a party at which Sheridan was present, and the wine as usual was freely circulated:—"First silent, then talky, then argumentative, then disputatious, then unintelligible, then altogether, then inarticulate, and then drunk."

A powerful deputation of ladies headed by Dr. Emily Stowe and Mrs. Dr. Parker, waited on the Attorney General on Friday last to enlist his support in favor of Mr. Water's Bill enfranchising the ladies. Another deputation from the Ontario Temperance Alliance urged more stringent amendments to the Crook's Act.

A terrible accident occurred on Wednesday night on the Credit Valley Division of the C. P. R., near Islington, by which Mr. George Flemming of that place lost his life. The unfortunate man was on his way from his home to the residence of his brother-in-law, Mr. Wm. A. Thompson, and was either crossing the railway track or travelling along it near the bridge over the Mimico Creek when he was struck by the evening express and instantly killed, the body being frightfully mangled. The deceased was a young man of excellent character and respected by all who knew him. He was a butcher by trade and the successor of Messrs. J. & J. Woolings, of West Toronto Junction.

English Liberals propose and mean to insist that voters' lists shall be revised twice a year, and that a public official in each constituency shall be held responsible for their correctness. Canadian Tories suspend revision of the list for two years, hold elections on the three-year-old registers, make no provision by which revising-officers can be held to account for their work, and yet do not succeed in bye-elections.—Journal.

It is in the air. A few years ago Ontario wanted to find out where the best farm was. Of course Rennie's was far ahead. Last year Andrew Hood proved to the world that he was the best plowman in the Dominion. A short time ago Walter Clendenning was easily champion of Canada with quoits. Who is the champion of Canada with checkers? Why a Scarborough man, Fleming of course. To be sure he lives in Markham but then he was born in Scarborough and where a match is imminent he comes back again, to sniff Scarborough air. We are full of champions. But we have broken out in a fresh place. The Horse Shoer's Journal offered a magnificent prize for the best essay on contracted feet, and lo! our Jas. Ley carries it off, from competitors all over the North American continent. The shoer of Maud S. was among the defeated. The best men in Chicago yielded the palm. It is reported that Mr. Ley declined a position as foreman in the most fashionable shops in Chicago. He is afraid to leave our Scarborough air.—Economist.

Mr. Wm. Wells and wife, of King City, are visiting friends in town.

THE TOMB.

SPEIGHT.—At his residence Markham village, on Thursday 14th inst., Michael Speight, aged about 56 years.
JERMAN.—On Tuesday, 21st inst, infant daughter of John Jerman, aged 3 weeks 5 days.
SIMPSON.—On Saturday, 9th inst., at Ballantrae, Mary Jane Simpson, of inflammation, aged 21 years 6 months.

WHO AM I?

My native home America
I'm not, animal, beast or man,
Of Indian origin my name
From the province of Yucatan.
From the island of Tobago
My name derived some say,
And others from Tobasco
In the Gulf of Florida.

The letters of my wondrous name
The golden number make,
The Spaniards it to me transferred
From one I truly hate.
But homely as my name appears
I've gained the polished ears,
I'm often found in palaces,
While Kings my name hold dear.

With Sir John Hawkins the ocean crossed
And reached the Britains home,
In fifteen hundred and sixty five
By Britains was enthroned.
Sir Walter Raleigh, and Francis Drake
Their homage paid to me,
And bore me from my native land
Across the great blue sea.

I'm found in the temples reared for God
In legislative halls,
In hovels where the poor reside,
Within the prison walls.
I am a thief I don't deny
The poor man's bread I take,
His wife and children clothed with rags
Their poverty is great.

I'm filthy too, I'll own the truth
But what care I for that,
When Knights and Nobles kiss my cheek
And lift to me their hats.
My enemies are numerous
They call me filth and slime,
They surely can't be gentlemen
They must be feminine.

I'm sometimes black and sometimes brown
I'm stamped as genuine,
I'm sometimes flat and sometimes round,
Dudes think me very fine.
To me Rev. Sam Jones, bows the knee
I must be fine indeed,
Although some naughty persons say
I am a filthy wad.—W. PARCY.
