D. Matheson is giving up storekeeping, and offers his stock of dry goods, groceries, glassware, and delfware, at and below cost until the whole is disposed off.

The Christian Sunday School enjoyed a long and pleasant sleigh ride on Wednesday last. Two sleighs filled with happy children made the welkin ring with merry shouts and laughter. In the evening children and friends gathered in the church and partook of bounties provided and enjoyed an excellent programme.

ATHA.

Mr. Jacob Nighswander's house was discovered to be on fire Saturday forenoon, but the flames were put out before much damage was done.

Death visited our locality and removed Mr. Andrew Lapp on Monday morning of last week. A large number of friends followed his remains to the Altona cemetery.

Recent visitors in this neighborhood were Mrs. Weaver, of Indiana; Mr. G. Wilkinson, of Markham, at Ralph Nighswander's; and Mr. Boyd Burk, of Bringham, at Mr. Levi Wismer's. The question of the hour is, what man lost his medicine bottle.

GOODWOOD.

The following was the programme of the Mutual Improvement Society on Monday evening:—Song by Miss McCullough; Reading by Peter Davey; Reading by J. T. Bradshaw; Reading by Wm. Henderson; Recitation by Miss Lottie Jones; Instrumental music by Miss Collins and Miss Bently. The debate was "Resolved that the horse was a more useful animal than the cow." The audience gave their verdict in favor of the affirmative side. John Davey & Jonas Vanzandt spoke on the merits of the horse while Wm. McGuekin and Simon Alecock spoke for the cow. Mr. Geo. Dowswell ably occupied the chair.

On Thursday the Church of England had an oyster supper and a neck-tie social in the town hall, which was very well attended. After disposing of the oysters the literary part of the entertainment took place with the following programme:—Song by Miss Hinson, of Toronto; Song by Mrs. Carey; Song by Mrs. Bradshaw; Song by Mrs. Davidson. Reading by Mr. A. B. Surby; Reading by Mr. Dyer, of Uxbridge; Reading by Mr. J. T. Bradshaw; Reading by Mr. Chapman. Instrumental music by Miss Collins, and a dialogue by Miss Lottie Jones and Master Geo. Higgins. The meeting was brought to a close with the national anthem.

"I have used Ayer's Pills for the past 30 years, and am satisfied I should not be alive to day if it had not been for them. They cured me of Dyspepsia when all other remedies failed."

SUTTON.

To late for last issue.

It is reported that one of our boys while on a visit to Uxbridge beat a hasty retreat as he was shown a machine used for dusting carpets with.

Hallelujah Bill Longfellow from the North is in town.

One of our boys giving up the Jewellery business, disposed of his watch at a reasonable figure.

One of our citizens started on foot from Stouffville Tuesday morning arriving here the evening previous and causing quite a sensation.

Is it a rule for a person to charge a brother Salvationist for apples eaten while visiting evenings?

North York Sunday School Convention was held in the Presbyterian church here, on Thursday and Friday 7th and 8th inst.

Plenty of snow and good sleighing have started business sleighing again. The boss harness shop had to put another man on so as to try and fill all orders. He is called Cranev. He is so long and lean and always hungry.

The Sutton Cornet Band intends holding their annual Ball in St. James Hall, on March 1st. Turn out and give the boys a benefit.

Boyd is still rushing the ice harvest. He has about seventeen men to work cutting and loading cars. The city of Toronto will have pure ice next summer.

A farmer named Cuthbertson met with a serious accident this week. He was into the village and got a colt shod. Leading the animal home behind his cutter it got scared at something and reared up and struck Cuthbertson on the head with its front foot nearly cutting off one of his ears and otherwise hurting him badly on the shoulder and head.

Judging by the loads of store goods addressed to Geo. Evans of Virginia passing through this village from the station, he must be pushing business with a vengeance, but George is well liked and people go a long distance to deal with him. They do say he sells very cheap.

One of our Sutton mechanics struck a very tight man the other day. He only wanted to pay \$3.00 on a \$3.55 bill and to get off a \$4.60 account by paying \$4.00. Some people get rich by meanness, but I do not think it does them much good. CONSCIENCE.

The great lung healer is found in that excellent medicine sold as Bickle's Anti-Consumptive Syrup. It soothes and diminishes the sensibility of the membrane of the throat and air passages, and is a sovereign remedy for all coughs, colds, hoarseness, pain or soreness in the chest, bronchitis, etc. It has cured many when supposed to be far advanced in consumption.

Like all Sterling Remedies, Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure deserves a fair trial. It would be absurd to suppose that this or any other medicine of kindred nature could produce instantaneous effects. For the thorough removal of Chronic Dyspepsia, Constipation, Liver Complaint, and other ailments to which it is adapted, its use should be continued some time, even after the chief symptoms are relieved. That it then effects complete cures is in fact established by ample and respectable evidence.
