Godey's Lady Book speaks for itself and needs no praise. The March number, now before us, is a fair indication of the value of this favorite indication the year round. It is sparkling, spicy, sensible, and sure to please all ladies who want a magazine for home improvement, fashion, intelligence, and general culture. Subscription price, \$2. per year. Address, Godey's Lady's Book, 1226 Arch Street, Philadelphia, Pa.

A YEAR old to-day. Fifty-two times the TRIBUNE has gone on its weekly visits and from the many complimentary remarks we hear, there is reason to believe that it is growing in popular favor. During the year we are now entering upon, we intend with the co-operation of our correspondents, to make the TRIBUNE a regular budget of news and interesting items. If there is some subject that you would like to see discussed start it yourself and we will give you space if possible.

## WORLD OVER.

It is reported by Lieut. Baert at Brussels that Stanley will not return either by way of the Congo or Zanzibar, but will attempt to conquer Khar-toum and wrest the Soudan from the Mahdi.

The Parnell Commissioner's business is about concluded. Pigott from whom the Times purchased the famous letters has been pretty well pumped by Sir Chas. Russel and there is very little doubt that Pigott himself was the author of the letter. Later he admitted in presence of witnesses that he forged the letters and next morning he had skipped.

F. E. Clark, a druggist, was assassinated last night while at work in his store, corner of Harrison street and Hermitage avenue Chicago. The victim was shot in the back, a bullet penetrating his heart. No one saw the deed done. People living above the store heard a cry for help, then the shot, followed by hurrying footsteps. The perpetrator and his motives are unknown. The murdered man was a young Sarman, who had been in Chicago for two or three years and had a couple of months ago opened a drug store here. He was highly respected in his native town.

On Thursday and Friday last the Teachers of South York gathered in convention at Parkdale. There was an average attendance and the proceedings were full of interest. On account of the illness of the President, D. Fotheringham, the chair was filled by the Vice-President James Hand. A number of papers on school subjects were read and discussed, the most amusing of which was that of J. W. Milne of Don School, on Drawing.

Parmelee's Pills possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body. Mr. D. Carswell, Carswell P. O., Ont., writes: "I have tried Parmelee's Pills and find them an excellent medicine, and one that will sell well."

Now is the time to subscribe for the TRIBUNE, One Dollar a year in Advance.

## A GREAT CHANCE.

By special arrangements with the publishers of Toronto Saturday Night and Canadian Fireside Weekly, we are enabled to offer both those valuable journals together with ours at the following remarkably low rates:

## GOOD READING.

At this time of year when everyone is endeavoring to provide amusing and instructive reading for the fireside, Toronto Saturday Night, should be remembered as one of the best written, cleanest and most elaborately illustrated papers published in the Dominion. It contains twelve pages of reading matter and pictures, many of which are reproductions of the finest work of art in Europe, while its pages of humorous selections are direct reproductions of the choicest pictures and paragraphs of the English and American comic papers. The publishers challenge the world for an equally attractive illustrated five-cent newspaper. It contains the Family Herald stories which appear simultaneously with their original publication in England, and throughout it is a paper for which every father of a family should subscribe. By special arrangements with the publishers we are enabled to offer Toronto Saturday Night and THE TRIBUNE at \$2.25 per annum. It is certainly an opportunity of which all should take immediate advantage, for we are really giving our paper and Saturday Night for the price of the latter. The Fireside Weekly is made up exclusively of stories, poetry, and answers to correspondents. The Sheppard Publishing Company truthfully claim it to be the cheapest family story paper in America, its price being \$2 per year, while that of its American rivals, not one whit better in style and much inferior as to contents, are each \$3 per annum. We offer the Fireside Weekly and THE TRIBUNE at \$2.00 per annum. Could anyone ask more? 50-53.

Great Results are Speedily Accomplished by the leading alternative, Northrop and Lyman's Vegetable Discovery and Dyspeptic Cure. Indigestion ceases, biliousness disappears, constipation gives place to regularity of the bowels in consequence of taking it. Ladies suffering from complaints peculiar to their sex experience long wished for relief from it, and impurities in the circulation no longer trouble those who have sought its aid. Give it a trial and you will not regret it.

## It is Absurd

For people to expect a cure for Indigestion, unless they refrain from eating what is unwholesome; but if anything will sharpen the appetite and give tone to the digestive organs, it is Ayer's Sarsaparilla. Thousands all over the land testify to the merits of this medicine.

Mrs. Sarah Burroughs, of 248 Eighth street, South Boston, writes: "My husband has taken Ayer's Sarsaparilla, for Dyspepsia and torpid liver, and has been greatly benefited."

## A Confirmed Dyspeptic.

C. Canterbury, of 141 Franklin st., Boston, Mass., writes, that, suffering for years from Indigestion, he was at last induced to try Ayer's Sarsaparilla and by its use, was entirely cured.

Mrs. Joseph Aubin, of High street, Holyoke, Mass., suffered for over a year from Dyspepsia, so that she could not eat substantial food, became very weak, and was unable to care for her family. Neither the medicines prescribed by physicians, nor any of the remedies advertised for the cure of Dyspepsia, helped her, until she commenced the use of Ayer's Sarsaparilla. "Three bottles of this medicine," she writes, "cured me."

## Ayer's Sarsaparilla,

PREPARED BY  
Dr. J. C. Ayer & Co., Lowell, Mass.
