To Save Life

Frequently requires prompt action. An hour's delay waiting for the doctor may be attended with serious consequences, especially in cases of Croup, Pneumonia, and other throat and lung troubles. Hence, no family should be without a bottle of Ayer's Cherry Pectoral, which has proved itself, in thousands of cases, the best Emergency Medicine ever discovered. It gives prompt relief and prepares the way for a thorough cure, which is certain to be effected by its continued use.

S. H. Latimer, M. D., Mt. Vernon, Ga., says: "I have found Ayer's Cherry Pectoral a perfect cure for Croup in all cases. I have known the worst cases relieved in a very short time by its use; and I advise all families to use it in sudden emergencies, for coughs, croup, &c."

A. J. Eldson, M. D., Middletown, Tenn., says: "I have used Ayer's Cherry Pectoral with the best effect in my practice. This wonderful preparation once saved my life. I had a constant cough, night sweats, was greatly reduced in flesh, and given up by my physician. One bottle and a half of the Pectoral cured me."

I cannot say enough in praise of Ayer's Cherry Pectoral," writes E. Braxton, of Palestine, Texas, "believing as I do that, but for its use, I should long since have died."

Dr. J. C. Ayer & Co., Lowell, Mass.

CANADIAN LIVE STOCK AND FARM JOURNAL.

There have been few more marked successes in journalism than have been achieved by the CANADIAN LIVE STOCK AND FARM JOURNAL, of Hamilton, Ont. Though devoted especially to stock raising, it includes The Farm, The Dairy, The Apiary, Poultry, Horticulture, and The Home, so that for the general farmers, or such farmers as make live-stock breeding in any of its departments a leading feature of their business, we do not know where to find its equal in Canada. We heartily recommend it to our patrons as the leading agricultural paper in the Dominion. Price, \$1.00 per annum. A beautiful lithograph of the Ontario Agricultural College and Experimental Farm, Guelph, is given to every subscriber for 1889. We can furnish it and our paper together from now to December, 1889 for \$1.75. Call at our office and see a sample copy, also lithograph.
