HOSPITAL REMEDIES.

What are they? The growth of intelligence in medical matters has given rise to a demand for a class of genuine, reliable medicine. The opportunity of the ignorant quack, who grew rich curing everything out of a single bottle has passed. To supply satisfactorily this demand this list of remedies has been created. They are the favorite prescriptions of the most famous medical practitioners of the day, gathered from the hospitals of London, Paris, Berlin and Vienna. Prescriptions which cost the patients of these specialists from \$25 to \$100 are here offered prepared and ready for use at the nominal price of one dollar each. Not one of them is a cure all; each one has only the reasonable power of curing a single disease, and each one keeps its contract. Sufferers from Catarrh, Diseased Lungs, Bronchitis, Asthma, Consumption, Rheumatism, Dyspepsia, Liver and Kidney Complaints, Fever and Ague, Neuralgia, Female Weakness, Leucorrhoea or Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedy Co., 303 1/2 West King St., Toronto, Canada. If your druggist does not keep these remedies remit price and we will send direct.

LOCAL ITEMS

SOMETHING NEW.—A Big Stock of Men's ready made Clothing will be shown at Spofford's Great Bargain House on Saturday ranging from \$3.95 per suit up to \$15.00

D. Stouffer & Co must be anticipating an enormous trade in Boots and Shoes—judging from the stock they are laying in. So mote it be.

LADIES' AID SOCIAL.—On Tuesday evening next the Ladies' Aid of the Methodist church will hold a social at the residence of Mrs. Clendenen. A pleasant time is expected.

ON DECK.—All who are interested in the formation of a base-ball club in town are requested to meet at the Tribune office on Monday evening next at 8 p.m. for the purpose of organizing. No matter whether you are a player or not, if you admire the game come along.

The sale of magazines, papers, &c. at the Mechanics' Institute rooms on Thursday evening, 7th inst. was not a very great success, only a few persons were present. Consequently only a small quantity were disposed of. The sale will be continued on Friday afternoon, 15th inst., at 2 p. m., previous to the opening of the Farmers' Club meeting. This is a chance to get some cheap reading.

REFORM MEETING.—A meeting of Reformers of Division No. 3, Whitechurch, held a meeting for the election of officers last Saturday evening at Reeve Jones' office, Bloomington. John Jamieson was elected chairman. Geo. W. Patterson, Secretary. Committee on voters lists, M. Jones, J. Jamieson, G. W. Patterson; J. J. Brown, L. Baker.

THE DEVASTATORS IN CHURCH.—On Sunday night last the gentlemen who have been making such a stir in business circles attended one of our popular churches and were shown to a front seat. In the course of his sermon the minister, to illustrate a point in his sermon, referred to the race for bargains in "cheap tinware." The remark caused quite a ripple of laughter among the congregation.

"The Leading Shoe House" has received 23 cases of Boots and Shoes—with more to follow—which, added to their already splendid stock, will make an assortment, unsurpassed in Quantity, Quality, Style and Price. The public will be cordially welcomed by D. Stouffer & Co.

HOME TO BE BURIED.—The remains of "Duke" Lloyd, whose death was recorded in last week's issue, arrived here from California on the 5.30 train from Toronto on Wednesday. The coffin was opened for a short time to allow his many friends to take a last look at his body, which was then taken to Dixon's Hill cemetery for burial.

STOLEN ROBE.—On Friday last Constable Douglall received word that a robe and some tinware had been stolen from Mr. J. Bundy's shop in Claremont on the previous night. The same afternoon a man driving a horse attached to a democrat cutter in which was some tinware and hidden in the bottom of a cutter a robe, stopped at a farmer's south of Stouffville and after repairing damaged shafts he proceeded towards Yonge St. Word was sent to Mr. Bundy who after getting a warrant set Mr. W. Reynolds on the trail. It is to be hoped that the thief will be captured.

The Best Way to Repair Strength and increase the bodily substance is to invigorate the stomach and improve the circulation with Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. Simultaneously with the disappearance of indigestion it relieves that morbid despondency, and the nervousness which are as much the product of dyspepsia as the weakness of the stomach and loss of vigor and flesh which proceed from it; as a blood purifier it has no equal.

PERSONALS.

Mr. Edward Wheeler, of Cataract, is in town.

Mrs. Carveth, of Toronto, who was visiting in town, returned on Saturday.

We are sorry to hear of the illness of Mr. R. Barnes, "Paralytic stroke"

Miss Grove, of Little Britain, is visiting her sister Mrs. J. G. Clarke.

Miss Clara, McCallum is visiting with her brother at Dunville, Ont.

Among the names of the successful candidates at the Dental Intermediate Examination, we are pleased to note that of Mr. Bert Sangster.

Any person or persons knowing anything of the whereabouts of John Kellington who left home on March 6th will please communicate with his anxious Parents at Goodwood. When last seen he was driving North West.

Any parties wanting to purchase a farm should call on R. J. Daley, who has seven or eight now on his list. Prices low, terms easy.

REAL ESTATE TRAFFIC.—Mr. J. A. Mitchell, of Ringwood, has bought the rear half of lot 33 eighth concession of Markham. This property was formerly known as the "Mills Place."

ASSEMBLY.—The assembly in Daley's Hall on Friday evening last was quite a brilliant affair. Markham, Port Perry, and the adjoining neighborhood were well represented and a most enjoyable time was spent.

Great Bargains. Wonderful Bargains Tremendous Bargains, Awful Bargains at Spofford's Store.

SALE OF REAL ESTATE.—Mr. James Brown, of the east end sold his property there to Mr. Wm. Brown, and we are sorry to say has decided to remove from town having bought a farm in the vicinity of Hamilton.

WHO! EMMA.—As Mr. Dan Cook was driving down street leading one horse behind and driving the other, the horse he was leading jumped both front feet into his cutter, the other took freight and commenced running, upsetting the cutter, but he succeeded in holding the one he was driving, the other got away. Dan is quite a horse trainer.

NEARING COMPLETION.—Baker's new saw mill near the G. T. R. is being rapidly finished the frame work being up and we expect soon to hear the merry buzz of the saw. No doubt the easy access to a lumber market will give a great boom to the extensive building operations that are expected in the spring.

GREAT RACKET.—The great rush at Spofford's Store creates quite a sensation to see who gets there first is all the question.

The Rev. C. O. Johnson will (D. V.) deliver his celebrated lecture on "Home Life" in the Bethesda Methodist church on Tuesday 19th of March, 1889, at half past seven o'clock. He will also sing several pieces and play on the guitar during the evening. He will also lecture at Ballantrae on "Influences" on Thursday 21st March at half past seven. Admission: 15 cents, children 10 cents.—Rev. W. P. Brown Pastor.

GOSPEL TEMPERANCE MEETING.—The attendance at the meeting on Tuesday evening was very good, all the seats being well filled. A volunteer Glee Club was formed, which rendered some good music. Mr. Benson Smith's solo being especially appropriate. Rev. Messrs. W. P. Brown and Percy gave short addresses; and Gerlie Daley a capital recitation. The Rev. N. Hill, of Markham, made a capital speech, brim full of anecdote and illustration and argument bearing on prohibition. A number signed the pledge at the close of the meeting. The boys who sit in the rear of the room and stamp their feet should be provided with front seats or else standing room outside.

Spofford is doing a slashing trade in his large, well filled store in Daley's Block.

THE FESTIVE BURGLAR.—On Saturday night last some one crawled in the window of the Queen's Hotel and having previously secured a key, affected an entrance to the bar-room. A bottle of brandy was the only thing missing. Constable Douglall followed the thief's footsteps around the stable and over to Church Street. On Sunday night a panel of the back door of the building, occupied by the Devastators was removed by the means of a jack-knife and a kick, the bolt was then shoved back and the burglar was free to try the next door which proved an easy task. Operations were commenced on the third door with the knife, but were interrupted by the noise of someone lighting a fire in the neighboring room. There is a room under the steps of Daley's Hall familiarly known as a "cooler" which would look well with a lodger in the person of the burglar aforesaid if the law could get a grip on him.

SURPRISE.—On Wednesday evening last about 8 o'clock, a load of young people might have been seen drying through our village, filling the air with their joyous strains. On enquiry they proved to be from Markham. They pulled up in front of Mr. S. C. Fleury's residence where they disembarked, and took possession of the house, where they remained until the "wee sma' hours" began to strike on the town clock, when they returned homeward, filling the still midnight air with those sweet strains that a Markham crowd so well knows how to produce, and expressing themselves as delighted with the outing.

AROUND TOWN.

St. Patrick's day next Sunday.

Have you put your sig. to the street lamp petition?

Keep your eye peeled for the blooming burglar with a jack knife.

Lent began on Wednesday last week. Remember your failings.

Curling is about done and the boys are beginning to talk base-ball.

The "innards" of the Albert Mills are being torn out to make room for the new machinery. The new men are hustlers.

The bad old girl who struck town Monday would not take the train that night. She had sobered down considerably the next morning.

The gentleman who lost his rubbers during the sleigh ride on Monday evening, hopes there will be no more snow as he does not care to invest in a new pair.

Nothing ever grates more on my keen susceptibilities than the sight of a drunken woman. A degraded, be-sotted man is bad enough; but to see a form once beautiful ruined by drink and a nature once modest and chaste lost to all sense of shame, and begging for five cents to get a drink causes a momentary shudder of disgust.

It begins to look as if the "peck of March dust" will be forth coming.

The hens want to get down to business as Easter will soon be here.

There were several games of fisticuffs among the small boys on Tuesday night. Better let them fight it out and find out who is best man. Better a black eye or two than continual bad blood.

ROUND ABOUT US.

NOTES, GOT BY HOOK OR BY CROOK WITH SCISSORS OR PEN IN HAND.

We received a notice from the postmaster of a neighboring village, a short time ago, informing us that one of our papers directed to a subscriber in that hamlet, remained uncalled for in his office. On the dotted lines following the word "Reason," was written "He is dead." Your paper will not reach him where he now is. We hope it is not because he is in that place where the paper would scorch on the mail route.—Omeme Herald.

On Sunday night last a young man named Albert Wilson shot and killed Sarah Marshall because she refused to let him go home with her from a country church near the village of Walsford. He had purchased a revolver some time previous and had threatened that if she continued to refuse his company she should not keep company with any one else. He is still at large.

It may be only a trifling cold, but neglect it and it will fasten its fangs in your lungs, and you will soon be carried to an untimely grave. In this country we have sudden changes and must expect to have coughs and colds. We cannot avoid them, but we can effect a cure by using Bickle's Anti-Consumptive Syrup, the medicine that has never been known to fail in curing coughs, colds, bronchitis and all affections of the throat, lungs and chest.

The following, which we clip from an exchange, needs no comment: "Ask a farmer to furnish the church with wood free of charge? Ask the painter to paint it without receiving pay for it? Request the carpenter to shingle the roof and do it without pay? Absurd!" say you "they will never do it!" Of course they won't. But these same people expect the local papers to give notices of entertainments, &c., for nothing.

A BROKEN HEART.

HEALED WITH \$\$\$\$.

Dr. Karn, of Woodstock, was the central figure of a breach of promise case in Walkerton on Tuesday last. He did not deny the charge and the jury assessed the damages at \$1500. The complainant is a pretty young lady of eighteen summers named Olga Niemcier, of Neustadt. The letters read in court were up to the usual standard in point and sweetness.

Fever and Ague and Bilious Derangements are positively cured by the use of Parmelee's Pills. They not only cleanse the stomach and bowels from all bilious matter, but they open the excretory vessels, causing them to pour copious effusions from the blood into the bowels, after which the corrupted mass is thrown out by the natural passage of the body. They are used as a general family medicine with the best results.
