

# THE GREAT NEW STORE.

## No. 1 Daley's Block,

NEXT DOOR WEST OF BANK.

### STOUFFVILLE.

We beat them all every time and sometimes twice.

Owing to the GOOD VALUE in Dry Goods, Gents Furnishings, Carpets and Oilcloths together with the GOOD MANAGEMENT and PLEASING MANNER of my ABLE MANAGER, Mr. Porter, we have built up the largest trade ever known in any country town in such a short time as we have been open. I do heartily thank our numerous customers for their liberal patronage for the five short weeks we have been in their midst, and I sincerely hope that in the future five years we will so please you that the Great Spofford House will never be forgotten.

Our determination is to sell all Goods at the lowest possible price we can and live.

We do a strictly CASH BUSINESS in our City Stores as well as out here, both in buying and selling, and by so doing we can undersell those who give Credit or those who take produce in exchange. So take your produce to our excellent market which is a credit to the Village, and get your Cash and come to the Great Spofford House where you can save a large per cent., and besides you will be treated well by our worthy manager, Mr. Porter. Don't forget the above facts nor the place where they are carried out.

We have no room for prices in this week's paper, but they are lower than ever and new goods every day are being opened.
