DISTRICT NEWS.

BLOOMINGTON.

The season for tall yarns has commenced. A ewe belonging to Mr. Barton Ward recently gave birth to five lambs. Three of them are living. If the rest of the flock are as prolific the price of mutton may be expected to take a big drop.

ATHA.

Our school has closed for a week on account of measles.

While Mr. A. B. Lehman was on his way to the shop, with some irons he had the misfortune to break the axle of his buggy. Steady next time, Abraham.

Mr. Thomas Lott, of Uxbridge, was the guest of Mrs. Abraham Lott recently.

Scott Act talk is all the rage in this locality. Less talk and more work next.

People wonder if Maggie has had the mumps yet.

NIGHTINGALE.

For purifying the blood, stimulating the appetite, and invigorating the system in the Spring and early Summer, Ayer's Sarsaparilla is unsurpassed. Be sure you get Ayer's Sarsaparilla and no other; else the result may be anything but satisfactory.

AGINCOURT.

Mrs. Chisholm, of Port Perry, spent a few days here with her brother-in-law last week.

Miss Ferguson, who has been in bad health lately, is away spending a few weeks on the shores of Lake Ontario. We hope she may enjoy her visit. Miss Maud Haslet is catering to the public wants in Miss Ferguson's absence.

The Agincourt Rifle Club go to Highland Creek on Saturday to shoot a match over their range.

Mr. W. J. Raymond has purchased the trotting stallion "Clear Grit" of Mr. Greenshield's, of Guelph. Clear Grit is a beautiful chestnut, sixteen hands high, and is one of the best bred horses in the country.

The Rev. Dr. Lane, formerly of this place, will fill the Presbyterian pulpit here next Sunday.

LEMONVILLE.

Miss Lucinda Cook and Mr. W. Burkholder have gone on a visit to Mich.

Mr. and Mrs. Hannas smiles upon us once more as they have returned to our hamlet to remain, at least for the Summer.

Our worthy Postmaster Mr. W. L. White very ably filled the pulpit at Bethesda on Sunday afternoon on account of the illness of our pastor, Rev. W. P. Brown.

We see our old friend J. P. Lemon of the firm of Lemon and Button of Cresco Iowa, is with us once more but only for a short stay as he is purchasing another car load of horses.

Willie Lemon who has been very ill is slowly recovering, also the little son of Mr. Abram Raymer is recovering from a severe attack of pneumonia.

Wood bees are very much in order just now as there were only six in the neighborhood this week.

PHILLIPS.—At Toronto, on Saturday March 28th, Rachael, fourth daughter of Mr. Jas. Phillips, of Toronto and formerly of this place.

The remains were brought by Monday morning train to Stouffville where they were met by relatives and friends and proceeded to the Lemonville cemetery for interment, Rev. W. P. Brown officiating.

There are cases of consumption so far advanced that Bickle's Anti-Consumptive Syrup will not cure, but none so bad that it will not give relief. For coughs, colds and all affections of the throat, lungs and chest, it is a specific, which has never been known to fail. It promotes a free and easy expectoration, thereby removing the phlegm, and gives the diseased parts a chance to heal.

LINCOLNVILLE.

Mr. Chas. Kirbyson, of Toronto, has been visiting at Robt. Clarkson's during the past week.

Revival services are being carried on at this place under the excellent leadership of Rev. W. P. Brown, of Stouffville.

Chester Brown Esq. returned home on Wednesday of last week from the vicinity of Gravenhurst to visit those near and dear to him. Chester brings a very good report of the town and surrounding country.

Quitting bees are the latest craze of the town.

Miss Laura Rae has returned to the city after spending a few weeks at her home.

People seem to be revolutionizing this town as nearly everybody is moving or changing.

WARNING.—If a certain young man does not quit going down the road on Sunday nights he has the promise of a pair of black eyes, by his rival.

What some of the people are anxious to know:

Who was independent last week.

Is it to be taken as prima facie evidence that a dog has been guilty of gandericide simply because he drops his caudal appendage between his rear members of locomotion when an excited young man yells gander at him?

CRITIC.

ALTONA.

Our ministers came down heavy on those opposed to Temperance, last Sunday.

Next Thursday, April 4th, will decide whether the Scott Act shall continue in force in the County of Ontario or be repealed. Vote as you pray.

On Wednesday evening of last week a fairly well attended meeting, in the Town Hall, was addressed by Rev. J. W. Wilkinson and Mr. J. D. Weeks of Goodwood, on the subject of Temperance. The chair was occupied by Mr. E. Boothby and several of our local speakers assisted.

Mr. Henry White started for Dakota, Tuesday, March 26th. He took with him four horses and we may expect the boys to give a good account of themselves next harvest.

Mr. Wm. Reynolds was fortunate in the selection of a day for his sale. The weather was all that could be desired and a large attendance was the result. The fall of the hammer corresponded to a fair price in most cases.

Quite an excitement was caused in this neighborhood last week by the marriage of Miss Sarah A. Wideman to Mr. James Holden. A large number of guests were present and the wedding gifts were numerous and costly. Your correspondent is not worth a cent at describing costumes and can with difficulty distinguish "mashed strawberry" from "ruddy gore red." So must be contented with saying that the bride and bridesmaids were tastefully dressed and all concerned looked their best. Quite a procession accompanied the happy couple to the station where they were welcomed by the Stouffville Cornet Band. We understand that Mr. Holden came down handsomely to the Band and the boys.

Queer queries:—How far would a young man walk through the mud to see a pretty girl?

Who will superintend the culinary department of A's establishment?

Who will assume the management of the mail service?

Want of Sleep

Is sending thousands annually to the insane asylum; and the doctors say this trouble is alarmingly on the increase. The usual remedies, while they may give temporary relief, are likely to do more harm than good. What is needed is an Alterative and Blood-purifier. Ayer's Sarsaparilla is incomparably the best. It corrects those disturbances in the circulation which cause sleeplessness, gives increased vitality, and restores the nervous system to a healthful condition.

Rev. T. G. A. Coté, agent of the Mass. Home Missionary Society, writes that his stomach was out of order, his sleep very often disturbed, and some impurity of the blood manifested; but that a perfect cure was obtained by the use of Ayer's Sarsaparilla.

Frederick W. Pratt, 424 Washington street, Boston, writes: "My daughter was prostrated with nervous debility. Ayer's Sarsaparilla restored her to health."

William F. Bowker, Erie, Pa., was cured of nervousness and sleeplessness by taking Ayer's Sarsaparilla for about two months, during which time his weight increased over twenty pounds.

Ayer's Sarsaparilla,

THE BEST PILLS.—Mr. Wm. Vandervoort, Sydney Crossing, Ont., writes: "We have been using Parmelee's Pills, and find them by far the best Pills we ever used." For Delicate and Debilitated Constitutions these Pills act like a charm. Taken in small doses, the effect is a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and vigor.

PRESENTATION.

On Saturday evening last a number of the young people gathered at the Menonite Parsonage to bid adieu to the Rev. Mr. Moyer who left on Monday for a new field of labor near St. Catharines. During the evening the following address was read, after which speeches, singing, etc. were given and a pleasant evening spent.

Mr. Joy, March 22nd '89.
Dear Mr. Moyer:—

As the time of your departure is near at hand, we as friends and neighbors cannot see you depart without showing in some small degree our appreciation of your efforts to give us a helping hand whenever it was required. We feel that you have always taken a deep interest in our spiritual welfare, and we trust that the religious principles which you have instilled into our minds may leave a lasting impression.

Throughout the last year you have labored among us imparting that knowledge necessary to become useful and honest men. As a very slight token of the good will already expressed we beg you to accept this purse as a small token of the sympathy and regard which we feel for you and your family; hoping that you may be more than successful in your new field of labor.

In conclusion we wish every success may attend you and yours and pray for heaven's choicest blessing upon your path way.

Signed in behalf of the Non-Menonites by
A. MONKHOUSE,
PHILIP MYER,
ALBERT WIDEMAN.
