CULTIVATION OF CURRANTS.

As a rule currants are not cultivated at all. They are planted in some out of the way place, or along a fence where at best they can be cultivated or hoed only on one side.

The best way to renovate an old row of currant bushes is to set out new ones where you can cultivate on both sides of the row.

There is danger in neglecting a cold. Many who have died of consumption dated their troubles from exposure followed by a cold which settled on their lungs.

It is reported in Toronto and believed by a good many that Mr. W. R. Meredith is to go on the bench and Dalton McCarthy take his place as leader of the Opposition in the Local House.

Warrants are issued for the arrest of Gen. Boulanger and some of his friends. They are charged with conspiracy to destroy the French Republic.

Owing to the distressed condition of the laborers on the Panama Canal, the British Consul, on Monday distributed bread among them.

Notice is hereby given that the partnership heretofore subsisting between us the undersigned, as the firm of J. & E. Raymer, carriage manufacturers, in the Village of Stouffville, in the County of York, has been this day dissolved by mutual consent.
