WORLD OVER.

Mrs. Folsom, mother of Mrs. Grover Cleveland was married on Monday evening, to Mr. H. E. Perrine, of Buffalo.

A mass meeting numbering about 3000, in Hamilton, on Monday evening met and passed a resolution condemning Jesuit aggression.

Public analysts have discovered that the adulteration of drugs has reached a high state of perfection. Twenty-six samples were genuine, 5 adulterated and 14 doubtful.

Some New York doctors have got themselves into trouble by being too hasty in performing an autopsy on the body of mind reader, Bishop without authority. His wife says they killed him.

The audience at the Academy of Music, in Jersey City, N. J., showed marvellous pluck Tuesday night. The woodwork underneath the gallery took fire through a leaky gas pipe during the performance of "The Still Alarm," and the people sat and watched the real fire scene unmoved. A fire truck was called immediately and a squad of policemen, were in the theatre in an incredibly short space of time after the discovery of the blaze. When the firemen entered the building a few persons showed a disposition to rush out, but one fireman dealt a man a powerful blow with his fist, and this had the effect of stopping the rush, which might have resulted in a panic. The police did good service in allaying the fears of nervous men and women. The audience watched intently the firemen, as they battled with the flames. The orchestra played with commendable vigor, which imparted confidence during the excitement. When the fire had been subdued, Mr. Harry Lacey, the leading actor, addressed the audience, complimenting them on the pluck displayed.

The citizens of Toronto voted by a majority of over 1200 that the court house and city hall for city and county purpose be completed at an extra cost of \$500,000 above the estimates. All that remains now is for the council to appoint the right men as commissioners to see the work completed and the money laid out properly in order that the metropolitan City and County of the province may have headquarters worthy of them.

The results of the Easter Examinations of the Ontario Agricultural College are just out. In the first year Mr. E. Rowan, of Holt, was 12th in general proficiency and in the 2nd year Mr. G. A. Brodie, of Bethesda, stands first. In the Honor Examination Mr. Brodie was also first in Agriculture, Judging Cattle, Meteorology, Practical Horse, and second in a number of other subjects. York County boys generally give a good account of themselves in any contest of brain or muscle.

If the evidence in connection with the Chicago Insane Asylum revelation is correct the wrong parties are in custody we think. The attendants themselves should be under lock and key. The evidence of George Hill, an inmate consists of one story of cruelty after another, that are enough to make the blood boil in the veins of the meekest saint on earth. Besides the horrible cruelties inflicted upon himself, he describes the treatment meted out to other unfortunates one of whom he declares was done to death by the brutal attendants Locke and Julian, the poor fellow's offence being that he did not know enough to find his way to the dining room and eat his meals.

GRAIN MARKET.

Farmers resident in the Township of Scott apparently prefer Mount Albert to Uxbridge as a grain market, as they have petitioned the council for a grant to improve the road to the former place. They claim that prices are five or six cents higher there than at Uxbridge at some seasons. The Journal wants a Board of Trade organized to remedy this.

We have a Board here and it is to be hoped that it will attend to its duty and endeavor to improve the tone of our grain market. We know of no town more advantageously situated than Stouffville for the purchase of grain, and if to our excellent produce market, be added a good one for grain, it cannot but prove a great benefit and give a considerable impetus to the trade and growth of our town. Let the matter be ventilated at the meeting of the Board on Thursday evening next.

The June number of Lippincott's Magazine contains the first of a series of papers of extraordinary interest. These are nothing less than the "Recollections of George W. Childs," written from his own dictation by a personal friend. In the present paper Mr. Childs gives a sketch of his early life. This bit of autobiography cannot fail to excite the widest interest, portraying the early struggles and ambitions of a representative American who has made his name famous throughout the civilized world. To the youth of today it points a shining example. "I owe my success," says Mr. Childs, "to industry, temperance, and frugality." The sketch is characterized by that modesty which belongs only to the really great. This is especially evidenced in Mr. Childs's own story of his wonderful business successes. Many interesting, personal reminiscences of great men with whom Mr. Childs has enjoyed intimacy are given, such as Longfellow, Irving, Motley, Ticknor, Hawthorne, Benton, Bancroft, Lowell, and a host of others. In the next paper Mr. Childs will give his recollections of Gen. Grant; his long and unbroken intimacy with this famous man will impart to the article a peculiar interest.

"Sure but not Slow."—People who have used Dr. Thomas Electric Oil to get rid of pain, find that, is sure but not slow. A cough, even, or long standing, is speedily controlled and cured by it. Rheumatism, neuralgia, corns, lame back, and swelled neck rapidly disappear when it is used.

YORK COUNTY TOLL TAKERS.

The Lessees of the Gates for the Ensuing Year—Conditions for Two.

The York County Commissioners held a meeting on Thursday afternoon, when the toll gate question formed the chief topic of discussion. There were present Warden Ramsden and Councilors Anderson and Humberstone. A deputation from the City Council, consisting of Ald. Carlyle and Lennox, waited upon the board and asked that the Lake Shore toll gate be permanently leased, as they expected to make arrangements with the County Council at the June session whereby Toronto would control that part of the road opposite city property. Reeve Wilson of York Township presented the resolution passed at the meeting at Eglinton on Wednesday asking that the leasing of No. 1 toll gate in Yonge street be so arranged that it may be discontinued in view of the fact that it is hoped that all toll gates in the county will be abolished. The board decided that clauses to this effect should be inserted in the leases of the toll gates mentioned, so that the leases might be avoided on a month's notice.

The board granted licenses to the toll gates as follows, the lessees being nearly all the same as last year and the figures differing but slightly:
Yonge street—No. 1, Joseph Moat; No. 3, Wm. Richardson; No. 5, H. B. MacKenzie; No. 6, Mrs. Susan Bell. Nos. 2 and 4 have been removed.
Kingston road—No. 1, Mrs. Thompson; No. 3, George Crandall; No. 4, S. Jakes. No 2 is gone.
Dundas street—No. 1, Mrs. Atkinson; Nos. 3 and 4, Patrick Herbert. No. 2 is gone.
Lake Shore road—No. 1, John Hickey.

The June number of Godey's Lady's Book is on hand, one of the earliest and most welcome visitors to our sanctum. The fashion plates are plentiful and the descriptions full. The short stories are plentiful and interesting and the whole number is above the average in excellence. The Price is \$2.00 a year. Address Godey's Lady's Book, Philadelphia, Pa.

Mr. Henry Graham, Wingham, writes us: "For fifteen years I have suffered with indigestion, and during that time I could get nothing to give me relief, although I tried a great many different kinds of medicine recommended for that complaint. I now feel like a new man, and this wonderful change has been accomplished by the use of four bottles of Northrop & Lyman's Vegetable Discovery. To me it has been a valuable medicine."

What a Time

People formerly had, trying to swallow the old-fashioned pill with its film of magnesia vainly disguising its bitterness; and what a contrast to Ayer's Pills, that have been well called "medicated sugar-plums"—the only fear being that patients may be tempted into taking too many at a dose. But the directions are plain and should be strictly followed.

J. T. Teller, M. D., of Chittenango, N. Y., expresses exactly what hundreds have written at greater length. He says: "Ayer's Cathartic Pills are highly appreciated. They are perfect in form and coating, and their effects are all that the most careful physician could desire. They have supplanted all the Pills formerly popular here, and I think it must be long before any other can be made that will at all compare with them. Those who buy your pills get full value for their money."

"Safe, pleasant, and certain in their action," is the concise testimony of Dr. George E. Walker, of Martinsville, Virginia.

"Ayer's Pills outsell all similar preparations. The public having once used them, will have no others."—Berry, Venable & Collier, Atlanta, Ga.
