To Mr. Asa A. Brown, Toronto, Ont.

Sir: I hereby certify that I have used your MAGIC LINIMENT for horses, and have found it to prove very effective in the cure of Sore Shoulders.

Having cured several very bad cases while the horses were subject to the hardest kind of work, being used in lumbering, I can recommend it to others who have horses that are in constant use as an excellent remedy, being far superior to any preparation that I have ever used.

Yours respectfully, J. NO. VANNOSTRAND, Whitchurch, Ont.

Mr. Morley of Toronto, proving a disappointment to the enthusiastic few who assembled to hear and explicitly believe in his terribly weak and puerile arraignment of the Jesuit Estates Act.
