HOSPITAL REMEDIES.

What are they? The growth of intelligence in medical matters has given rise to a demand for a class of genuine, reliable medicine. The opportunity of the ignorant quack, who grew rich curing everything out of a single bottle has passed. To supply satisfactorily this demand this list of remedies has been created. They are the favorite prescriptions of the most famous medical practitioners of the day, gathered from the hospitals of London, Paris, Berlin and Vienna. Prescriptions which cost the patients of these specialists from \$25 to \$100 are here offered prepared and ready for use, at the nominal price of one dollar each. Not one of them is a cure all; each one has only the reasonable power of curing a single disease, and each one keeps its contract. Sufferers from Catarrh, Diseased Lungs, Bronchitis, Asthma, Consumption, Rheumatism, Dyspepsia, Liver and Kidney Complaints, Fever and Ague, Neuralgia, Female Weakness, Leucorrhoea or Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedy Co., 3034 West King St., Toronto, Canada. If your druggist does not keep these remedies remit price and we will send direct.

LOCAL ITEMS.

REAL ESTATE.—We wish to call attention to Mr. R. J. Daley's advertisement in another column. Any one interested would do well to call on Mr. Daley and get particulars concerning the properties he offers for sale.

ECCLESIASTICAL.—The Baptist Pulpit was occupied last Sunday morning and evening by Elder Hainer of Newmarket and the Methodists on the same day had the pleasure of listening to an old Stouffville boy, Rev. Paul Flint.

JUVENILE PIC-NIC.—Miss Mary Unsworth and her Sunday School Class with some other young friends had a very enjoyable pic-nic, on Monday last in the fields just south of the village. We understand Miss Unsworth is to soon leave for Winnipeg on a visit. The youngsters as well as her other friends will miss her.

WESTWARD HO!—Messrs. Jas. Park and D'Alton Eckhardt started on Tuesday last for Washington Territory. We wish our young townsmen every success, still we are sorry to see so many of our young men going over to Uncle Sam's domain when we have a bigger, better and in every way more desirable heritage of our own.

DOMINION DAY.—The Ladies' Aid of the Stouffville Congregational Church will hold their annual Strawberry Festival on Monday July 1st, 1889, in Daley's Hall. Strawberries and ice cream served from five o'clock. During the evening the usual entertainment consisting of music, recitations, etc., will be given. Admission free. The public cordially invited.

JOHN R. CLARKE.—As previously announced by posters and in this column, John R. Clarke will deliver two of his lectures in Daley's Hall, on Monday and Tuesday evenings next. His subjects are "To and Fro in London" and "Every Day Folk." Admission prices, 25cts. Double tickets, 40cts. Children half price. The lectures are under the auspices of the Presbyterian Church.

THE WEATHER.—It rains every day or so, doesn't it? Let us see! The oldest inhabitant says that although he was not present at the time of Noah's little excursion (by the way it rained that time, too), one of his ancestors was, and since that time, he has not known such a continued, long-drawn, persistent, regular and constant season of damp, wet, moist disagreeable weather, except in eighteen hundred and ever-so-few, when it rained every day for six weeks. The O. I. probably is thinking of Glasgow, where it rains every day except when it snows.

NOT WANTED.—It is complained by a number of our citizens, that nearly every Sunday bunnings from neighboring villages, are to be seen on our streets, more or less intoxicated, indulging in furious driving, profane language and otherwise making themselves a nuisance. This matter wants looking into. These fellows got their whiskey somewhere, and whoever sells it to them, ought to be dealt with summarily. One of the great arguments of the whiskey party against the Scott Act was, that nobody respected the law, and therefore the Act was no good. As we are to have Licenses, let the dealers be consistent and respect the law which they have worked so hard to obtain.

PERSONALS.

Messrs. R. Graham and R. J. Nidderly, of Clarendon, were in town on Tuesday evening.

Mr. and Mrs. B. Rowan, Mr. and Mrs. A. S. Leaney and Mr. and Mrs. A. von Buseck have taken up summer quarters at Jackson's Point.

Reeve Sanders was one of a committee of three who visited Pittsburg, Pa. on Monday last, at the expense of the Metropolitan Street R. Co., who want the privilege of running an electric railway on Yonge St.

SPORTING SQUIBS.

The Oaklands, of Toronto, defeated the Markham team at baseball, at the latter place, on Saturday. Score 12 to 11.

Lindsay celebrates Dominion Day by a base-ball tournament. They offer prizes of \$50 and \$25 to the winning team.

The return match between the Stouffville and Unionville baseball nines was played on the grounds of the latter on the latter, on Saturday last. Owing to the heavy rain during the early part of the afternoon the grounds were in a dreadful state, the water standing inches deep in some places. The game was begun about 4.30 and as the score shows it was any ones game till the sixth innings. Then the boys found the ball and pounded out seven runs, and virtually won the game. Hoidege pitched and Clendenning and Wallace caught for the visitors while Hemmingway and Gormley, Ed. Eckhart occupied the points for the useless nine. Mr. A. Fleury umpired the game in a most satisfactory manner, and it is to be hoped that visiting umpires will be treated with as much fairness in the future on our own grounds. Score by innings.

Unionville 2 2 1 0 0 1 0 3 5 -14
Stouffville 1 2 4 0 0 7 5 0 4 -23

Mr. Jacob D. Miller, Newbury writes: "I was troubled with inflammation of the Eyes, so that during nearly the whole of the summer of 1882 I could not work; I took several bottles of Northrop & Lyman's Vegetable Discovery, and it gives me great pleasure to inform you that it cured me of my affliction. It is an excellent medicine for Costiveness."

PALESTINE.

It was very dull around here Sunday as the most of the people were attending the Conference at Altona.

There has been considerable rain for the past few weeks, but it is very good for the light soil.

Mr. Baker has stumped his side-hill farm, and is planting fifteen acres of corn and beans.

Mrs. Edward Hill, of Colorado, is spending a few days with her brother William.

Mr. and Mrs. Wm. A. Quantz have gone out to Woodbridge on a visit. We wish them a pleasant trip and a safe journey.

Mrs. Galloway, from Georgina, is visiting at her father's.

The members of the Christian Church are making preparations for their party on the First.

There was a good attendance at the Gospel Temperance meeting in the Presbyterian Church at Ballantrae on Friday night. The President, W. H. Jones occupied the chair, and Sarah E. Gray presided at the organ. A fine programme was presented, readings by several gentlemen. Rev. Mr. McQuay was present and delivered an excellent address on temperance. The next meeting will be held in the Christian Church at Church Hill on 12th July.

MOUNT ALBERT.

Mr. Watson and wife, who have been spending a few weeks with their American cousins at Youngstown, Pa. have returned hale and hearty.

Another pic-nic on the 19th. About forty of our young people took a run down to Musselman's Lake, where a pleasant time was spent at boating, etc.

The fate of the newrigs just turned out by our butcher and baker seems unfortunate. The baker had a big runaway the first time he hitched to it, and our butcher also had a big runaway.

Miss Lillie Mann is spending a few days with friends in Stouffville.

Dr. Armstrong has removed to Zephyr in place of Dr. Campbell, who has removed. We wish him success in his new field.

On 1st July the Presbyterian Church have arranged for a grand garden party which is to be held at the residence of Mrs. Douglass on the 7th con. A good time expected.

Mr. Carrie and Dr. Gould from Uxbridge spent a few hours in town on Thursday last reviving acquaintances.

AGINCOURT.

Miss Mary Patterson, of Toronto, is home for a few weeks holidays.

Mr. McKay is in Toronto attending the Presbyterian Assembly. Last Sunday he preached at Embro, his old home and Mr. Monroe of that place filled the pulpit here.

Mr. and Mrs. T. Parker, of Toronto, Mr. John Parker, of Philadelphia, Mr. C. Haddrell, of Toronto, and Miss Nellie Lovington, spent Sunday with Mr. and Mrs. W. A. Kennedy. We hope they all enjoyed their visit.

Mrs. Fullerford of St Catharines, and Miss Purton of Thorold, are visiting at Mrs. T. Kennedy's, Mrs. Fullerford's mother.

Mr. Angus, the C. P. K. Agent here and his wife and family have been down with diphtheria, but we are glad to say they are all recovering.

The York Pioneer excursion was very near a failure this year, only 3 or 4 went from this station.

Miss Maud Haslett, of Toronto, spent last Sunday with her sister, Mrs. W. H. Ferguson.

The long expected comes off at last. Small boys and two or three women have your pans ready for next Wednesday.

The annual party of the Presbyterian Church here will be held in the grounds adjoining the church, on July first. Tea will be served from 4. to 6, after which there will be speeches by several prominent gentlemen in the church. If the weather proves fine they expect a good time.

For some weeks past Mr. E. Abrams has been missing numbers of his fowl and the other morning when he got up he found a large coon in his hen house.

Between Mr. A. and his dog his coonship was quickly dispatched, but not until he had destroyed 14 or 15 of Mr. A's best fowl. Cooney weighed 12 pounds.

Tramps are tramping along the railway lines in large numbers this summer. Hardly a day goes that from two to four are not seen passing along the C. P. R., and sometimes as many as nine or ten are seen in a day. Last week as a freight train drew into Green River station the Conductor in passing over the train came across seventeen of these fellows on his train, and when the Conductor ordered them off they refused to go and when he attempted to force them off two of them drew revolvers. Something ought to be done to put a stop to this kind of work. A week or two ago a couple of these gentlemen (?) broke into the unoccupied house of Mr. Amos Thomson, where they made their supper and went to bed. But Mr. T. was sorry to find that when they left they did not take all their company with them.

The Farmers' Institute picnic held at Ellesmere last Friday was a grand success. The day was all that could be desired for such an occasion, and a very large crowd of people took advantage of the fine weather to have a day's pleasure. At one o'clock a foot-ball was played between the 2nd eleven of Ellesmere and the 2nd eleven of Agincourt which resulted in no goals for either side. Then a base-ball match was played between the Useless Nine of Unionville and Agincourt clubs, this game was well played resulting in a tie. Then a foot-ball match between the Ellesmere and Scarborough village teams was played resulting in 3 straights for Scarborough, and during this time there was speaking in the bush by G.B. Smith M. P. for East York, and Mr. Wilson Reeve of York Township, and Mr. Awrey of Wentworth, President of the Central Farmers' Institute. In the evening the Literary Society gave an entertainment in the hall which was well attended. The proceeds of the day amounted to the handsome sum of two hundred and twenty-five dollars.
