

# THE TRIBUNE,

STOUFFVILLE, JUNE 21, 1889.

"EVIDENCE in the case against the city bill-poster connecting him with putting up indecent posters is all in and the decision is reserved. The result of the prosecution has been crowded houses for the company."

The above paragraph appears as a news item from Winnipeg in Monday's Mail, and a whole sermon on human depravity might be preached therefrom. The world probably is growing better every day in some ways but the rate of progress is so slow that any exhibition in one of our large cities can not be better advertised than by a prosecution such as the one referred to

The ripple of excitement which agitated the Salvation Army in Toronto a short time ago in connection with the attempted publication of a book entitled "The New Papacy, or Behind the Scenes in the Salvation Army," is revived by the fact that the book has been reprinted and is now being sold. The author, an ex-officer in the Salvation Army, appears to be an able writer, and in his book makes some very serious charges against the superior officers of the Army. What importance is to be attached to these charges is not for us to determine, but we think they should be taken with the proverbial "grain of salt," as deserters from any camp have generally a tough yarn to tell. There is, however, a certain amount of reasonableness, to the minds of some, in the author's narrative, but it is to be hoped the army officials will be able to successfully refute his statements. The Army has undoubtedly done a great work, especially in large cities, and it is to be hoped those charges will be met and disposed of in such a way as to prevent the usefulness of the organization from being impaired.

### BLOOMINGTON.

Miss Sarah J. Seaton returned home on Tuesday.

H. Kennedy's children have the scarlet fever.

Reeve Jones and Deputy Reeve Baker are attending County Council this week.

Our town was almost depopulated last Sunday, as everybody and their relations attended conference at Altona.

Mrs. Legitt and Mrs. Kennedy were summoned by telegram on Friday evening to Toronto to the deathbed of their sister Mrs. Walker.

Our boys held a meeting on Tuesday night to organize a base-ball club. They are anxious to do up Lemonville and Baker Hill clubs at the coming picnic on the 29th.

Oscar Lloyd and sister Laura of Bethesda, visited our Burg on Monday evening. Miss S. Williams returned home with them, where she has been visiting for a week.

Our principal street has been beautifully macadamized and boulevarded. At first it presented the appearance of being struck with an imported cyclone, but as it neared completion, it looked as if it was in the hands of a Toronto contractor.

Some of us have come to the conclusion that we shall have to wear our underclothes all summer, and those of us who moved the stoves to the back-kitchen sit around and shiver while we read the letters in the "Tribune." It's "mud mud" "rain rain" sneeze and cough, better described in the poem called "Agony," which runs thusly—

Wheezing, sneezing all the day,  
Eyes watery and streaming,  
Coughing in a shatt'ring way,  
Poor nose red and cheeks gray,  
Now voiceless and now screaming.

Pains and aches in every limb,  
Poor features sadly puffy,  
Hearing gone and eyesight dim,  
Sad, dejected, solemn, grim,  
Heavy head, hot and stuffy.

To feel all this, and then to told  
"My dear, you've only got a cold."

The North York Farmers' picnic was held in Hartman's Grove on Tuesday last and was a great success. The attendance was large and the weather fine. The president Mr. Chas. Webb, opened the proceedings and stated that the Institute was the most prosperous in the Province, having a membership of about two hundred and fifty.

There are cases of consumption so far advanced that Bickle's Anti-Consumptive Syrup will not cure, but none so bad that it will not give relief. For coughs, colds and all affections of the throat, lungs and chest, it is a specific which has never been known to fail. It promotes a free and easy expectoration, thereby removing the phlegm, and gives the diseased parts a chance to heal.

### THE LLOYD PIC-NIC AT AURORA.

The Annual Pic-nic of the Lloyd Fraternity was held at the public park on Thursday the 13th inst, and from ten o'clock in the morning until two in the afternoon one continual procession of conveyances could be seen coming to town on the four principal streets leading to Aurora. The pic-nic dinner was served from one to two o'clock, when upwards of 400 hundred Lloyds sat down to satisfy the cravings of the inner-man who was pretty hungry by this time. A few minutes after two sweet strains of music were heard in the distance which proved to be the Aurora Citizens' Band marching towards the park. After the cloths were removed Mr. W. G. Lloyd, Alderman of Aurora, was appointed chairman, and speaking from the platform was the order of the day. Among the most distinguished speakers were W. Mulock, M. P. Toronto, E. J. Davis, M. P. King, Nelson Gorham, Newmarket, Senator W. R. Hutchinsou, Michigan City Indiana, H. L. Bennett, Batavia, N. Y., R. J. Kennedy, Toronto, B. Lloyd, Toronto, also A. Yule, Seth Ashton, L. L. Hartman, S. Stouffer, Rev. Mr. Amos, and J. P. Wells were on the platform. Among the friends from Stouffville were Dr. and Mrs. S. L. Free, Ed. Lloyd, Mr. and Mrs. A. von Buseck, Mr. and Mrs. Walter Miller, Mr. and Mrs. Simeon Stouffer, Miss Ella Stouffer, and Miss S. Williams, of Bloomington. At three o'clock it was thought by competent judges that fully six hundred people were in the park, and as all the Lloyds and their nearest friends wore beautiful badges of blue silk ribbon, it certainly assisted materially in breaking the monotony of the usual old fashioned pic-nic. The large crowd began to disperse at five o'clock, when everybody seemed pleased to think that they had made everybody else happy.

### BAKER HILL.

The Toronto Baptist Association met at Baker Hill this week commencing on Tuesday, at 2 o'clock and ending on Thursday noon. A number of delegates from the various churches throughout the district were present.

IMPROVEMENTS.—Mr. Alfred Baker, and Mr. Carleton Baker have each raised their barns, built an addition to the end, and built stone stables underneath. Mr. Jno. Jamieson has built a new wire fence along the road. Several repairs have been made to the church and church grounds which improve the appearance both inside and out.

The annual pic-nic, of the Baker Hill Baptist S. S. will D. V. be held in the Grove, at Baker Hill, on the afternoon of Saturday June 29th. The neighboring schools have been invited and outside of this a general invitation is extended to all. We hope everybody will feel free to come and spend the afternoon with us, but do not forget the one thing needful for a pic-nic. A base-ball match will be played during the afternoon, Stouffville v. Lemonville, also a foot-ball match is expected, Green River v. Gormley, besides other games, provided by the various schools that have been invited. Come one, come all.

Dyspepsia and Indigestion.—C. W. Snow & Co., Syracuse, N. Y., writes: "Please send us ten gross of Pills. We are selling more of Parmelee's Pills than any other Pill we keep. I have a great reputation for the cure of Dyspepsia and Liver Complaint." Mr. Chas. A. Smith, Lindsay, writes: "Parmelee's Pills are an excellent medicine. My sister has been troubled with severe headache, but these pills have cured her."

Until your hair becomes dry, thin, and gray before giving the attention needed to preserve its beauty and vitality. Keep on your toilet-table a bottle of Ayer's Hair Vigor—the only dressing you require for the hair—and use a little, daily, to preserve the natural color and prevent baldness.

Thomas Munday, Sharon Grove, Ky., writes: "Several months ago my hair commenced falling out, and in a few weeks my head was almost bald. I tried many remedies, but they did no good. I finally bought a bottle of Ayer's Hair Vigor, and, after using only a part of the contents, my head was covered with a heavy growth of hair. I recommend your preparation as the best hair-restorer in the world."

"My hair was faded and dry," writes Mabel C. Hardy, of Delavan, Ill.; "but after using a bottle of Ayer's Hair Vigor it became black and glossy."

Mr. John Lane, Casarea, showed us on Thursday an Indian tomahawk apparently used as a pipe head; that was turned up by Mr. John Bartlett on lot 17, con. 9, Cartwright, on the shore of Lake Scougog, a few days ago. It is composed of lead and though "home made" is nicely traced and ornamented. It looks like silver and is bright and clean. It is many years since the red man basked on these shores, so that it must have lain where found a long time. It is quite a curiosity.—Bowmanville Statesman.
