CATARRH CATARRHAL DEAFNESS—HAY FEVER.

A NEW HOME-TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved to be a fact, and the result is that a simple remedy has been formulated whereby catarrh catarrh deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient, once in two weeks. N. B.—For catarrh discharges peculiar to females (white) this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents by A. H. Dixon & Son, 303 West King Street, Toronto, Canada.—Scientific American.

Sufferers from catarrhal troubles should read the above carefully.

LOCAL ITEMS

BAKER HILL PIC-NIC.—The village Sunday Schools have been invited to participate in the pic-nic at Baker Hill on Saturday next (to-morrow). All the neighboring schools have been invited and a large gathering and plenty of fun may be looked for.

STRAWBERRIES AND ICE CREAM.—Once more we would remind our readers of the Strawberry Festival, to be held under the auspices of the Congregational Church, in Daley's Hall, on Monday evening next. Admission free. Go by all means and have a good time.

LAWN SOCIAL.—On the grounds of D. Reesor Esq., Cedar Grove, on Friday next, a monster Lawn Social will be held in aid of the church building fund. The last one held on these grounds was a grand success and this one promises to eclipse it if the weather should prove fine. See another column for full particulars.

G. T. S.—The monthly public meeting of the G. T. S. will be held in Daley's Hall, on Tuesday evening, July 2nd, 1889. The programme will consist of an address by Rev. H. W. Knowles, on "Men for the Times," and a recitation by Mr. A. Charwood, and a solo by Mrs. A. Fleury. Come every body and bring along your Gospel Hymn Books. Admission free, no collection.

SOMETHING NEW.—We wish to call attention to Mr. D. Forsyth's new advertisement in another column. Mr. Forsyth, it will be seen, is the exclusive agent for the New Raymond Sewing Machine, in the territory mentioned. The latest novelty in Sewing Machines is the New Raymond "Cabinet Machine" which all should see before purchasing elsewhere. The cuteness of the contrivance must be seen to be appreciated.

POINTERS.—The sidewalks have been put into pretty good shape and the lumber is on the ground for the repair of the bridge west of the Town Hall, and folks are wondering when the gravel is to be put on the roads. It has been suggested that the Council should compel people to have their front gates open on their own property and not over the sidewalk as too many now do, to the imminent danger of peoples' shins and necks on dark nights. Speaking of dark nights makes one wonder if that street-lamp petition has been wandering around some night of late and got lost or has the Council given it the six month's hoist.

GARDEN PARTY.—The members and friends of the Lemonville Methodist Church will hold a Garden Party on the grounds of Mr. Macklem Cook, on Saturday, July 6th, 1889. Croquet and other amusements will be provided, and during the afternoon a base-ball match will be played between the Useless Nine of Unionville and the Lemonville Club. Ice-cream, strawberries and other refreshments will be served on the grounds. Music will be rendered by the Stouffville Cornet Band. Admission 25 cents; children 15 cents. No pains will be spared to make this a most enjoyable occasion to all who attend.

AMUSEMENTS.—This week has seen at least three of the smallest audiences that ever assembled to "take in" a public entertainment. On Monday evening John R. Clarke lectured to an audience of about forty and on Tuesday evening the attendance was so small that Mr. Clarke declined to proceed. It was thought that the coming of Baird's Dramatic Co. on Wednesday and Thursday evenings was the cause of the slim attendance but some other cause must be assigned as the crowd on Wednesday night was equally small and went the same way. It seems that folks have not recovered from Uncle Tom's Cabin and although the "Bootblack Orator" has lost none of his powers or popularity, folks are not in a mood to patronize any sort of an entertainment at present.

ANTI-JESUIT MEETING.—A fairly large audience assembled in the Methodist church on Friday evening last to hear the Jesuit aggression question discussed. The chair was filled by Mr. Geo. Flint St. Henry Brown, one of the delegates to the recent convention in Toronto was called upon to give a report of the proceedings of the convention and explain the plan of organization, after which Rev. H. W. Knowles addressed the meeting at some length, on the Jesuits' Estates Bill (Rev. W. Percy and Rev. J. Geo. Brown) also gave short addresses, referring to the gravity of the situation and showing the necessity for united action on the part of the Protestant community. We have been desired to state that any who have not yet signed the petition asking for disallowance, but who wish to do so, may have that privilege by calling on either Mr. H. Brown or Mr. N. J. Armstrong.

REAL ESTATE PURCHASE.—Mr. E. J. C. Morris has purchased Mr. T. Williamson's park lot on the south side of the village.

CRUELTY TO ANIMALS.—On at least two occasions within the last year we have published communications from parties calling attention to alleged cases of cruelty to animals. We understand that the interested parties to whom these charges refer have seen fit to get somewhat riled at the Tribune in consequence, but we do not hesitate to say to any such that there is not a bit of use in getting mad about it, as the TRIBUNE will go right on exposing such matters as long as we are satisfied that the statements of our correspondents are authentic. Our attention has been called this week to complaints that are being made by residents of the East End to the treatment which a certain cow in that part of the town receives at the hands of her owner. We hope the matter has been exaggerated, but in any case, the owner had better take a friendly hint, and see that his neighbors have no cause for complaint in the future.

"Ten Minutes to Twelve" is the title of the new novel, by M. G. McClelland in the July number of LIPPINCOTT'S MAGAZINE. The story cannot fail to add greatly to this brilliant young author's reputation. The plot is intricate and exceedingly well worked out, and in the delineation of character Miss McClelland shows the same firm touch and keen understanding of the people she deals with that has characterized her previous stories. "Ten Minutes to Twelve" is just the kind of a novel to take away for summer reading.

Dyspepsia or Indigestion is occasioned by the want of action in the biliary ducts, loss of vitality in the stomach to secrete the gastric juices, without which digestion cannot go on; also being the principal cause of Headache, Parmelee's Vegetable Pills taken before going to bed, for a while, never fail to give relief, and effect a cure. Mr. F. W. Ashdown, Ashdown, Ont., writes: "Parmelee's Pills are taking the lead against ten other makes which I have in stock."
