## HOSPITAL REMEDIES.

What are they? The growth of intelligence in medical matters has given rise to a demand for a class of genuine, reliable medicine. The opportunity of the ignorant quack, who grew rich curing everything out of a single bottle has passed. To supply satisfactorily this demand this list of remedies has been created. They are the favorite prescriptions of the most famous medical practitioners of London, Paris, Berlin and Vienna. Prescriptions which cost the patients of these specialists from \$25 to \$100 are here offered prepared and ready for use at the nominal price of one dollar each. Not one of them is a cure all; each one has only the reasonable power of curing a single disease, and each one keeps its contract. Sufferers from Catarrh, Diseased Lungs, Bronchitis, Asthma, Consumption, Rheumatism, Dyspepsia, Liver and Kidney Complaints, Fever and Ague, Neuralgia, Female Weakness, Leucorrhoea or Nervous Debility, should send stamp for descriptive catalogue to Hospital Remedy Co., 303 1/2 West King St., Toronto, Canada. If your druggist does not keep these remedies remit price and we will send direct.

## LOCAL ITEMS.

**VERY GOOD.**—Our thanks are due to Mr. T. J. Dougall for a box of very fine honey in the comb.

**EARLY HARVESTING.**—Mr. A. Miller of the 6th concession Markham, commenced cutting Fall wheat on Friday last. This is the first we have heard of this year. Crops throughout the Province generally are looking well and the yield promises to be above the average.

**PICNIC.**—After an interval of a few years the formerly annual picnic of the bachelors and benedicts of Stouffville and vicinity will be held at Musselman's Lake Park on Saturday afternoon July 27th. The invitations will be issued at once and a very pleasant time is anticipated.

**FISHING PARTY.**—On Monday last Messrs. L. Dougherty, C. Perry, S. Burkholder, and A. G. Brown visited Port Perry for the purpose of trying their luck at trolling in Lake Scugog. Their expedition was ill timed, as the weather was unpropitious and therefore the "catch" was not at all proportionate to the number of fishers.

**THE BRANTFORD ALWAYS AHEAD.**—H. L. Vanzant, Agent for A. Harris, Son & Co., started one of their binders to-day, (Tuesday, July 16th,) for Mr. Levi Hoover in a field of barley. It did its work to the satisfaction of all, cutting and binding in the most satisfactory manner. Farmers, if you want a binder that will cause you no trouble by a Brantford.

**FREE RIDE.**—One of the village boys boarded the wavy-freight at the water-tank on Wednesday intending to crib a ride down to the station platform, but unfortunately the train did not stop at the station and he was carried through to Markham. With the increased velocity of the train this unwilling passenger's walk became more and more vociferous until he was out of ear-shot.

**THE PULPIT.**—Morning service was held in Church of England last Sabbath after which the Sacrament of the Lord's Supper was observed. The pastor, Rev. Mr. Osborne, officiated. Owing to the absence of the Rev. J. Unsworth, Mr. Geo. Flint, Jr. preached in the Congregational Church in the morning, and no service was held in the evening. Rev. Mr. Wills, of Toronto, officiated in the Methodist Church morning and evening, the pastor Rev. G. Brown being at Jackson's Point for a short rest and recuperation.

**ACCIDENT.**—As Mr. S. M. Warriner, accompanied by two of his children and the Rev. H. W. Knowles were coming up the 9th concession Markham, on Monday evening last the horse which they were driving suddenly took fright and became unmanageable. Both gentlemen were thrown from the rig, and the horse bolted with the children, but was unable to run far from the fact that the lines caught in the hubs and wound up so tight that the creature was brought to a standstill. The children escaped unhurt, but both gentlemen were considerably shaken up, especially Mr. Warriner, who received several bruises in different parts of his anatomy.

**A CLOSE CALL.**—On Saturday last G. W. Patterson and Byron Jones, of Bloomington, were driving to Whitby about one-half mile west of Claremont when the horse shied at some fresh dirt that had been thrown from a drain. He made a plunge into the south ditch which was three feet deep, completely upsetting the top buggy, breaking the shafts and making a total wreck of the buggy top. Mr. Scott and hired man ran to their assistance and held the horse down while the boys crawled out from under the wreck. Byron says George's 170 pounds Avoirdupois sat too heavily on his stomach and the consequence was he could not get air enough to breathe properly for several minutes. George is badly bruised up from the right shoulder to the knee.

**GARDEN PARTY.**—The beautiful grounds of Mrs. Monkhouse at the East End were crowded with visitors and pleasure-seekers on Tuesday evening last, it being the occasion of the Presbyterian garden-party. The grounds were illuminated with Chinese lanterns and the proceedings enlivened by the stirring music of our popular and efficient Band. An abundance of good provisions was temptingly displayed on the tables and promptly sampled, and ice-cream and lemonade, galore, disappeared under the genial influence of a warm sun and generous hearts. The ladies are to be congratulated on the success of their party.

**A KICKER.**—Not that the horse was an habitually, constitutionally and hereditarily vicious kicker, for he was never known to do such a thing before. But he selected this occasion when the young man had two young ladies driving with him, and as the trio were driving along beside another rig (not racing, mind you) the horse incontinently kicked up his heels and broke the shaft, which necessitated the removal of the ladies to the other fellow's buggy, and the broken vehicle to the carriage shop. All this occurred near Stouffville not very long ago. The young man can realize somewhat the feelings of the poet when he exclaimed:—

I never took my girl to church  
The longest way round home to plan  
But what she left me in the lurch,  
And went home with some other man.

**AN EXAMPLE NEEDED.**—For a number of years it has been the custom of the boys of the village to make Boyer's pond a place of resort for boating and swimming, until this year when Mr. B. was compelled for the safety of his premises and the feelings of his family to forbid bathing entirely and boating on Sundays which he was perfectly right in doing. But boys have an exaggerated notion of their rights and having enjoyed too much liberty they imagined themselves wronged, and last Sunday a number of them visited the pond and not being able to find the oars and use the boat they proceeded to revenge themselves by smashing the inside of the boat, which they did to their complete satisfaction, and in a manner worthy of a band of Mohawks. The owner, who by the way has been very kind to visitors, and has put up with a lot of annoyances, should prosecute these vandals and teach them a lesson in *meum and tuum* which might be of benefit to others as an example. No one has any pity for boys who have so little sense of right as to trespass on, and destroy property in this manner.

Words cannot express the gratitude which people feel for the benefit done them by the use of Ayer's Sarsaparilla. Long-standing cases of rheumatism yield to this remedy; when all others fail to give relief. This medicine thoroughly expels the poison from the blood.

Parmelee's Pills possess the power of acting specifically upon the diseased organs, stimulating to action the dormant energies of the system, thereby removing disease. In fact, so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body. Mr. D. Carswell, Carswell P. O., Ont., writes: "I have tried Parmelee's Pills and find them an excellent medicine, and one that will sell well."

## WORLD OVER.

A race has been arranged for Sept. 9th between Searle, the Australian oarsman, and O'Connor, the Canadian champion. Articles were signed on Monday last.

Ayer's Hair Vigor has long held the first place as a hair dressing, in the estimation of the public. Ladies find that this preparation gives a beautiful gloss to the hair, and gentlemen use it to prevent baldness and cure humors in the scalp.

A mule 45 years old does a little service for a Georgia physician, who has had him since 1849.

Ten years ago the superintendent of an Iowa railroad booted a tramp out of his office for having the cheek to ask for a pass. To-day that tramp is the superintendent of the same road, while the man who lifted him on his boot keeps a restaurant and sends him over lunches.
