liver a lecture on "The Political Future  
of Canada." The Vandorf Glee Club  
and others will be present and render  
choice and suitable music. Several  
foot-ball teams have been engaged and  
other innocent amusements will be  
provided, to commence at 2.30 p. m.  
No pains or expense will be spared to  
make this one of the grandest enter-  
tainments of the season. Tea served  
from 5 to 7 p. m. Admission to lec-  
ture and tea, etc., 25cts. children 15cts.

### RINGWOOD.

Mr. John Button and wife spent  
Sunday with friends at Buttonville.  
A number of people took advantage  
of the excursion to Jackson's Point on  
Wednesday.  
Miss Phillips, who has been spending  
a few weeks at her parents, returned  
home last week.

Mr. Silvester has improved the ap-  
pearance of his place by putting a new  
fence along the front.

Reports must be true as I see John  
has built a new stable, and is fixing  
up his place as if he intended to take  
possession of it before long.

Miss Perkins, who has been a long  
resident here, has secured a place at  
Eaton's, Toronto, and leaves to enter  
her new duties on Monday. We are  
very sorry to lose her from among  
us, but our best wishes go along with  
her.

### LEMONVILLE.

Mr. and Mrs. Morgan, of Auburn, N.  
Y. are visiting at Mr. Sutton's.

Mrs. M. Cook has gone on a visit  
to her sister Mrs. King in Barrie.

Mrs. William Young had the mis-  
fortune to fracture her collar bone by  
a fall last week.

Mrs. McLaughlin and daughter, who  
have been visiting friends in this  
locality have returned to their home in  
Lindsay.

There was a fair attendance at the  
Gospel Temperance Meeting in the  
Methodist Church last Friday evening.  
The President Mr. M. Cook occupied  
the chair. Select music was rendered  
by the Lemonville orchestra and inter-  
esting readings by some of the friends.  
The Rev. Mr. Newman delivered an  
appropriate address. The following  
officers were elected for the ensuing  
quarter: Mr. Thomas Stouffer, President;  
Miss Maggie Lemon, Vice-President;  
Mr. W. L. Colhard, Secretary; Miss  
Millie Baker, Treasurer; W. L. White,  
Chaplain; Executive Committee, James  
Kinnear, Nettie Cook, Eliza Jamieson,  
Alex. Lemon. The next meeting will  
be held on the 20th of September.

A bold attempt was made to burglar-  
ize Gornier's hardware store in New-  
market on Tuesday night of last week.  
A neighboring boarder overheard the  
noise of breaking glass and gave the  
alarm. The crooks escaped.

## CLAREMONT.

Mr. David Palmer, of Markham, is  
visiting with Mr. Wm. Dowswell.

Landlord Hastings, is busy repairing  
his house, and will improve it greatly.  
E. Derusha won first prize in the free-  
for-all quoiting tournament at Leslie's  
in Whitby last week.

John Palmer and wife have returned  
home after visiting Manitoulin, where  
they enjoyed themselves greatly.

No wonder Italians can work cheap  
and make money. Report says those  
working near here have eaten all the  
red squirrels along the track.

Our remarks last week about Burch  
& Burnip's Uncle Tom's Cabin company  
were evidently too severe. The show  
while not up to many others of the  
kind was very fair. The music fur-  
nished was good and the members of  
the company are said to have conduct-  
ed themselves very properly. The  
show was called a pretty slim affair at  
several other points where it held forth  
and we are pleased to know it is im-  
proving.—News.

## CATARRH.

CATARRH—DEAFNESS—HAY FEVER.

### A NEW HOME TREATMENT.

Sufferers are not generally aware that these  
diseases are contagious, or that they are due to  
the presence of living parasites in the lining  
membrane of the nose and eustachian tubes.  
Microscopic research, however, has proved the  
to be a fact, and the result is that a simple re-  
medy has been formulated whereby catarrh  
catarrh deafness and hay fever are perman-  
ently cured in from one to three simple applica-  
tions made at home by the patient once in two  
weeks. N. B.—For catarrhal discharges pecu-  
liar to females (white) this remedy is a specific.  
A pamphlet explaining this new treatment is  
sent on receipt of ten cents by A. H. DIXON  
& SONS, 303 West King Street, Toronto,  
Canada.—Scientific American.

Sufferers from catarrhal troubles should read  
the above carefully.

HUMAN greatness is wonderfully  
small when the individual is set over  
against the whole number of reading  
people in a land like this. A man  
seventy-five years old was buried in  
New York this week, of whom not  
more than a thousand people out of  
sixty million had ever heard, and who,  
probably, not a dozen of our hundred  
dread readers knew even by name, yet  
he was one of the richest men in New  
York city and leaves an estate worth  
nearly forty million dollars. He was  
head of the greatest carpet making  
firm in the United States. Before the  
war a millionaire was "spotted" wher-  
ever he went. How, the country is  
spotted with millionaires, and pretty  
soon the man who isn't a millionaire  
will be a curiosity, like the last of the  
buffaloes. The newspaper Jenkinses  
seem to roll the title "millionaire"  
in their mouths like so much chewing  
gum; and after all its more than likely  
that half of those credited with ten or  
twenty millions haven't one million at  
real solid value in their possession.  
Exaggeration has become a fixed habit  
with writers on man's possessions, and  
social qualities.—Detroit Commercial  
Advertiser.

The York County Public School Ex-  
aminers met in the Court House on  
Saturday to make arrangements for  
the sessions of the Model Schools.  
There were present Mr. D. Fothering-  
ham (Chairman); Mr. Davidson, In-  
spector of North York; Mr. Thompson,  
Principal of the Aurora Public Schools,  
and Mr. R. W. Doane, Secretary of the  
Board. It appears that there are 25  
Model School candidates, and they are  
to be divided between Newmarket and  
West Toronto Public Schools. The  
Board confirmed the suspension of the  
certificate of Carrie M. McKenzie, who  
is at present serving a term in the  
Mercer for robbing her employers.

BARGAIN DAYS.—Spofford has three  
special bargain days each week,  
Monday, Thursday and Saturday, so  
as to give all a chance.
