 perance Hall last Friday evening.
 Subject "Bible Temperance supported
 by British History." He also exhibited
 his famous pictures "The Mill and the
 Still." Owing to insufficient adver-
 tising, Mr. Nicks was greeted by a
 small audience.

 ing to move into the house recently

We are sorry to report the loss of a
 good citizen in the person of Mr. Nel-
 son Smith, who is moving to Stouff-
 ville.

The Revere Hotel has been repainted

 ed by the addition of a handsome

There is danger in neglecting a cold.
 Many who have died of consumption
 dated their troubles from exposure, fol-
 lowed by a cold which settled on their
 lungs, and in a short time they were
 beyond the skill of the best physician.
 Had they used Bickel's Anti-Consump-
 tive Syrup before it was too late, their
 lives might have been spared. This
 medicine has no equal for curing
 coughs, colds and all affections of the
 throat and lungs.

HORSEMEN

will study their own interests, by kindly
 taking note of the following:—
 To Mr. Asa A. Brown, Toronto, Ont.
 Sir.—Although you may have numerous
 testimonials in favor of your MAGIC
 LINIMENT for horses, yet I would like
 to state for the benefit of others that it
 has removed completely a Bog-Spavin off
 a horse of mine without even starting the
 hair. When diluted according to direc-
 tions I can also recommend it as a very
 useful remedy for Sore Shoulders.

Yours respectfully,
 WM. TURNER, Green River.

To Mr. Asa A. Brown, Toronto, Ont.

Sir—I hereby certify that I have used
 your MAGIC LINIMENT for horses, and
 have found it to prove very effectual in
 the cure of Sore Shoulders. Having cur-
 ed several very bad cases while the horses
 were subject to the hardest kind of work
 —being used in lumbering—I can recom-
 mend it to others who have horses that
 are in constant use as an excellent remedy
 —being far superior to any preparation
 that I have ever used.

Yours respectfully,
 JNO. VANNOSTRAND,
 Whitchurch.

A word to the wise is sufficient.
 Price 50 cts. per bottle.

SUTTON.

Master Clarence Anderson is so
 seriously ill that no hopes of his re-
 covery are entertained.

The beautiful weather induced quite
 a large crowd to attend the Sutton
 Fair to-day, (Tuesday). The speeding
 in the ring was the principal attraction
 and resulted as follows:—

FARMERS RACE.

1st, Sheppard's "Mable Vaughan."
 2nd, Pollock's "Farmer Boy."
 3rd, Evan's "Gipsy Queen."
 4th, Hodgins' "Gray Chief."

Junges Messrs. Garden, Kavanagh and
 Col. Wayling.

Should the weather be fair to-morrow
 (Wednesday) the exhibition will prove
 a great success.

MOUNT ALBERT.

The infant son of Mr. G. Burnham
 died on Thursday morning last and
 was buried on Friday.

Mr. Will A. Miller, from Toronto,
 gave a Magic Lantern Show in the
 Methodist Church on Friday evening.

The Rev. R. Hassard, Methodist, and
 the Rev. Mr. McRae, Presbyterian, of
 this town, exchanged pulpits last Sab-
 bath evening.

In order to accommodate Mr. Rams-
 don's extensive business Mr. Hopkins
 has made a number of improvements
 and additions to his premises.

Mr. Richard Long, formerly a resi-
 dent here, and who has been in Detroit
 about a year, returned last week and
 is spending a few days renewing ac-
 quaintances. Dick looks well.

Mr. H. D. Ramsden, dealer in dry
 goods, etc., who has during the past
 three or four years occupied Mr. V.
 Brooks store on the top of the hill, has
 rented Mr. Jno. Hopkins' shop in the
 valley, and is going to move into it at
 once. Dry goods may be said to be
 coming down.

On Thursday a very painful acci-
 dent happened at the school house of
 our village school. During the dinner
 hour some of the small children were
 amusing themselves playing with the
 fire, while doing so one Annie Hayes,
 a sparkling bright intelligent little
 girl of 5 or 6 summers, daughter of
 Mr. R. Hayes, butcher, set her clothes
 on fire. No one was present who was
 large enough to render any assistance.
 She ran out of doors, but as the day
 was windy the fire only burned the
 harder. She ran some distance on the
 sidewalk and was not discovered by
 any one who could render assistance
 until her clothing was almost entirely
 consumed. She was immediately tak-
 en home and all was done for her that
 could be, but it was of no avail. At
 eleven o'clock the same evening death
 put forth his hand and put an end to
 her sufferings. Mr. and Mrs. Hayes
 have the deepest sympathy of the
 whole village in this very sad bereave-
 ment.

Mr. W. Thaver, Wright, P. Q. had Dys-
 pepsia for 20 years. Tried many reme-
 dies and doctors, but got no relief. His
 appetite was very poor, had a distress-
 ing pain in his side and stomach, and
 gradually wasting away of flesh, when
 he heard of, and immediately com-
 menced taking, Northrop & Lyman's
 Vegetable Discovery. The pains have
 left and he rejoices in the enjoyment
 of excellent health, in fact he is quite a
 new man.

OBITUARY.

ROBERT STAPLETON.

The subject of this brief sketch was
 a native of England, being born in
 Devonshire in 1822. He removed to
 Canada in 1853 A. D. in company
 with his father and settled on the 8th
 Concession of Whitchurch, where he
 spent his life. He saw the dense, un-
 broken forest give place to smiling
 fields and many of his years were
 spent in getting the soil clear and
 ready for cultivation. In 1848 he
 married Rebecca, daughter of Freder-
 ick Mertens with whom he lived in
 happiness and prosperity until his
 lamented death. His family consisted
 of three sons and five daughters, all
 of whom are married except two,
 a son and a daughter, who live
 at home, and all living in this neigh-
 borhood except two daughters, one
 living in Oshawa and one in Ohio.
 The deceased was a highly respected
 member of the Christian Church at
 Bloomington for about 50 years and
 for many years a deacon. His useful
 help and liberal support of the church
 will be long remembered and much
 missed. His death, which occurred on
 Tuesday, Sept. 17th, although sudden,
 had been feared for some time, as he
 was afflicted with dropsy and heart-
 disease. He had been in unusually
 good health all this summer and at-
 tended a fellowship meeting at Bloom-
 ington on the 7th, where he bore testi-
 mony to the firm belief of the promises
 of God and a hope of Heaven. His
 funeral took place on Thursday, 19th
 inst. and was attended by a large num-
 ber of his numerous friends. The
 services were conducted by Elders
 Percy and Willoughby. His remains
 lie in the Christian Cemetery at Bloom-
 ington, awaiting the resurrection morn-
 ing.

So fades a summer cloud away;
 So sinks a wave when storms are o'er;
 So gently shuts the eye of day;
 So dies a wave along the shore.

It would be a gross injustice to con-
 found the standard healing agent—Dr.
 Thomas' Electric Oil—with the ordinary
 arguents, lotions and salves. They are
 oftentimes inflammatory and astring-
 ent. This oil is, on the contrary, emi-
 nently cooling and soothing, when appli-
 ed externally, to relieve pain, and, pow-
 erfully remedial when swallowed.

On Thursday of last week a huge
 mass of rock became detached from the
 cliff at the top of which stands the
 Citadel at Quebec, and crashed down on
 the top of houses on Champlain St.
 Numbers were rescued from the ruin
 but over forty were killed, besides a
 number wounded. Twenty-one of the
 victims were buried on Sunday last.

At a recent meeting of the Markham
 High School Board, the principal, Mr.
 Simpson, tendered his resignation. At
 the same meeting of the question of
 building a wood-shed was laid over.
 The village finances are not in the best
 of shape, and economy is necessary.

Some young men tried a coon in
 Aurora on Sunday evening, but on
 climbing the tree to capture his coop-
 ship, it was discovered to be an owl.
 There must be something wrong with
 the Crooks' Act in Aurora.
