

Hurrah! Hurrah! Hurrah!

Hip hip Hurrah! Hip hip Hurrah!
SO A MERRY XMAS
to you all, and lots of them

Spofford's Great Concert is over but the bargains still continue, over 3400 tickets given away, but only 2391 people got in to enjoy the Greatest Treat ever known in this noble Dominion of ours. And we want the 2391 customers of ours to stick right to us until my chin whiskers turn grey. We intend taking stock the first week of February, as we will then just have been one year in Stouffville, so we intend to reduce our stock from now until February at least \$5000.00, so that we can have room for our spring importations. Now remember we are no Fakirs, nor Blows, nor yet Fighters. But we are stickers, stick to our customers, and stick to what we say, and to get ahead of us you will have to study something harder than the hieroglyphics of ancient Egypt, as we are bound to take the lead, for our motto is "GET THERE and STAY THERE." You all know at least 2391 of you, what a treat you had on Friday last. Well just stick to the Bargain House, and come early and often until February stock-taking is over, and you will be more than surprised for there is something in store for all of our 2391 customers. I would not mention what our bargains are, for you all know our store is chucked full of Bargains, all choice, new and good. We have no baits, we send out no dodgers, we don't misrepresent our goods, we make no second price, we don't run down our neighbors, nor our neighbors goods. We love our neighbors and our neighbors love us, and when we give a treat, we give it, and not charge you with it, nor yet do you have to buy a \$15.00 overcoat for \$9.50 before you can buy a \$10.00 suit for \$6.95.

We have two more cases of our Silk Handkerchiefs, Linen and Cambric Handkerchiefs, Plush and Leather Pocket Books, Plush and Leather Satchels, all new, and just marketed at manufacturers prices. We are going to give bigger bargains than ever during December and January. Our worthy Editor would give me more room or I would tell you something that would make you laugh out loud. But keep your smiles until February as you will all need them, but come and see us often, the more you come, the more you buy, the more you buy from us the more you save.

CURIOUS TALES

And these in rippling began to make

With mellowed, shining in the sun

Into the sponge cake and the rum

With the bright yellow West and rice

Then over the mead, with the green

The youngsters lit like sunny beams

But ere a single slip they took

The jolly mountain starts to quake

It tumbles, tumbles, they awake

And that's the way it is with drams
