Parmelee's Pills possess the power of acting specifically upon the diseased organs stimulating to action the dormant energies of the system, thereby removing disease. In fact so great is the power of this medicine to cleanse and purify, that diseases of almost every name and nature are driven from the body. Dr. Casswell, Caswell & O. G. writes: "I have tried Parmelee's Pills and find them an excellent medicine, and one that will sell well."

With this issue the TRIBUNE begins the eighth year of its existence. We have during the past five years, since we have been connected with it endeavored to make it a thorough going local paper, and its largely increased circulation indicates how far we have been successful. With the continued support of our many patrons we will endeavor to maintain its high reputation, both as a news and advertising medium.

For constipation, sick headache, stomach and liver troubles, and all derangements of the digestive and assimilative organs, Ayer's Pills are of inestimable value. Sugar-coated and pleasant to take, they are always reliable, and retain their virtues in any climate.

At Uxbridge on Monday morning last the fire alarm sounded and as usual the firemen responded promptly to the call. The scene of the supposed fire was at the residence of Mr. T. McGrattan. Nothing more serious was seen, however, than some red hot pipes and considerable smoke.

BUTTER AND CHEESE.—Look out for a public meeting in the interests of the dairying industry to be held in Stouffville about the 20th inst. Addresses may be expected from some of our foremost provincial dairymen. The question is one on which every farmer should endeavor to gain the best modern information in view of the present glut in the butter market and the probable overstocking of the cheese market the coming season, which has been predicted by some of our old cheese men.

In this Vegetable Pills, Dr. Parmelee has given to the world the fruits of long scientific research in the whole realm of medicine, combined with new and valuable discoveries never before known to man. For delicate and debilitated constitutions Parmelee's Pills are like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body giving tone and vigor.

THAT HOCKEY GAME.—The following from the pen of G. Murray, of Pickering College, explains itself. "In your last issue appeared an article regarding the hockey match between Pickering College and Stouffville stating that foul play and impartial refereeing was indulged in by the College team. As referee I feel that I have had a very unjust charge laid against me. In all probability had the score of 6 to 8 been scored instead of 10, my name being heaped upon our team in general and myself in particular there would have been unbounded praise of our treatment. It is unquestionably very unscrupulous for any team to attribute their loss in a game to foul play and impartial refereeing, and it would only be done by a team not having sufficient skill to cope with an antagonist. It is owing to just such things as this that so much disrepute is put upon all games and it is to be regretted that Stouffville cannot boast of a team who would deign to resort to such sordid means to qualify their defeat. Let all who may have had reason to believe that the college team and their referee did not do the square thing notice the score in the return match on Saturday, 6 to 8 in our favor, Stouffville having their own referee and test on their own ice. [We would recommend Mr. Murray to read critically the article referred to in the TRIBUNE of Feb. 21st, ult., and compare it with his reply given above; it may assist him in his literary education.—Ed.]

Many people, with the notion that nature ought to take care of herself, allow a cough to plague them for weeks and months. Whereas, if nature were assisted with a dose or two of Ayer's Cherry Pectoral, the cure might be effected in a very few days.

Our hockey boys played the return match with the Pickering college seven here, last Saturday afternoon. The game was fast from the start and entirely devoid of rough play. The home team went to pieces during the last fifteen minutes of the game and allowed the visitors to score three goals in rapid succession, making the score 6 to 3. The following players represented the respective clubs: Pickering.—Goal, W. Cronk; point E. Doyle, cover point, J. Taylor; Forwards, M. Dople, J. Gibson, J. Place, W. Cornell. Stouffville.—Goal, W. J. McCarty; point, H. B. Sanders; forwards, J. L. Campbell, Jno. Woodgate, F. Rao and O. C. Burkholder.
