Ten Reasons

For the Wonderful Success of Hood's Sarsaparilla, the Most Popular, and Most Extensively Sold Medicine in America.

Hood's Sarsaparilla possesses great medicinal merit, which it positively demonstrates when fairly tried. It is most economical, being the

2 only medicine of which "100 Doses One Dollar" can truly be said. It is prepared by a Combination. 3 Proportion and Process Peculiar to Itself, unknown to other preparations, and by which all the medicinal falue of the various ingredients is secured. 4 It effects remarkable cures where other medicines have utterly failed

to do any good whatever. 5 It is a modern medicine, originated by experienced pharmacists, and still carefully prepared under their personal supervision.

It is clean, clear and beautiful in O appearance, pleasant to take, and always of equal strength. Tt has proven itself to be positively the best remedy for scrofula and all blood disorders, and the best tonic for that tired feeling, loss of appetite and general debility: 8 - It is unequalled for curing desperota;

neys and liver. 9 It has a good name at home, there being more of Hood's Sarsaparilla sold in Lowell, Mass., where it is made, than of all other sarsaparillas and blood purifiers combined.

honest, and thoroughly backed up

by the medicine itself. A Point for You. If you want a blood purifier or strengthening medicine, you should get the best. Ask for Hood's Sarsaparilla, and insist upon having it. Do not let any argument or persuasion influence you to buy what you do not want. Be
