In order to improve the matter and appearance of The Tribune, new type-setting machinery has been installed. Like automobiles, houses and new hats this costs money but we are expecting the increase in circulation to repay the outlay. It is for the benefit of our subscribers that these changes are made and we hope they meet with your approval. We have a favor to ask in return and it is that each subscriber will try to get a friend or neighbor to subscribe. It is not much to ask, but it means a great deal to us. Now is the time to help your home newspaper.
