FACTS FOR Milk Producers.
 The Hinman Milker will produce 50 per cent more milk with 50 per cent less labor in the same time, and that with a two unit machine and equipment costing \$140 (without power which only 1 h.p. is required).
 PROOF—A year ago Mr. W. G. Cribbe of Thistletown was shipping 4 cans daily and paying a man good monthly wages to help, last summer Mr. Grubba put in a Hinman Milker and this year he has shipped 6 cans daily without any help. Mr. Frank Baker, of Stouffville, milked 13 cows in 20 minutes one evening a few weeks ago. Mr. W. J. Currey of Newmarket ships 6 cans daily and would not take \$500 for his if he could not replace it. Dr. Irwin, of Weston, thinks every progressive dairyman should have a Hinman. Why such men as Mr. Platt, Hamilton, Mr. Walker, Port Perry, Mr. Harris, of Cosby Jersey farm and many others prefer the Hinman in preference to others is because of their beautiful regime and because they know it to be eventually put in a
