HOCKEY

Tues. — Mount Albert and Vardorf met in a very evenly matched game resulting in a score 8-4 in favor of Mt. Albert. Shields starred for the winners.

Lemonville won from Stouffville by a score of 10-1.

Referee — Pennock. Wed. — Stouffville won from Ringwood in a game full of excitement from start to finish. Both teams played good clean hockey. Ringwood was weakened by the absence of Tarr who was ill. The game ended with the score standing 9-6. Ref. Pennock.

Thursday evening afforded the spectators two very interesting exhibitions of hockey. Claremont lost to Stouffville in a very closely contested struggle. The score was 8-6.

Lemonville won from Mt. Albert by a score of 8-2. The winners were in better condition and had more weight than their opponents.

On Friday evening Lemonville and Stouffville met for the final game. From the very outset both teams went into the contest with a grim determination to win.

At the beginning of the first period the puck remained chiefly around Lemonville's territory and several shots were stopped by Byer. They managed however to rush the rubber to the opposite goal and from a scrimmage Atkinson found the net. He quickly followed it with another. It looked serious for Stouffville until Lee tied the score by two shots in quick succession. The period ended with both teams playing strong. It was anybody's game.

In the second period both teams got into their stride. At times the play was rough. The scoring came at the end of the period when Lee landed two more. With an outburst of speed Lemonville again tied the score. Pike getting both shots.

Not a man fagged in the final period and the result was in doubt until the whistle blew. Stouffville never notched two more and held their lead in spite of the efforts of their opponents. Connolly of Lemonville unfortunately received a bad scalp wound as a result of falling from a check by Lee.

Dr. Dales in a few words presented the prizes, six handsome club bags to the winners.

An Authoritative Ruling.

Mr. Sam Kydd, the well-beloved editor-in-chief of The Montreal Gazette, and Mr. E. F. Boddington, another widely-known Canadian newspaperman now on the staff of the Philadelphia Ledger, were talking shop as they walked along Craig Street in Montreal.

"What would you say is the difference between a journalist and a newspaper man?" asked Mr. Boddington, broaching a point which has never been decided since old Caxton's staff squabbled over it.

"Well," said Mr. Kydd, "I cannot better express my ideas on the matter than by giving a concrete illustration. You see that hole?" pointing to a circular opening in the sidewalk into which a load of coal was being shovelled.

"Well, if you or I stepped into that, we would go right through. But if your really, truly journalist were to step in, he wouldn't go all the way. His bulging brow and massive brain-pan would refuse to pass through." — Toronto Saturday Night.

One on the Doctor.

Dr. James L. Hughes, of Toronto, tells a good story on himself. He recently made a trip to New York and at the border was interrogated as customary by the United States Immigration Agent, a thorough Irishman.

"Are you an American?" he was asked.

"Yes, and a Canadian, thank God," replied the Doctor.

"Are you remaining in the States long?" was the next query.

"No," was the reply.

"Thank God," said the Immigration Agent.
