THE UNIVERSAL CAR

### Eighty-five Thousand Satisfied Owners Against Unproved claims and rosy promises.

Eighty-five thousand and more Canadian built Fords have "made good" in actual service. Since 1904 this sturdy economical car has stood the test—not only in Canada but throughout the British possessions.

Every passing year has seen Canadian Ford sales mount by thousands of cars—because, under almost every conceivable condition, the car has proved itself a splendid all-round utility.

It has sold on its record for dependable and economical performance—not on the rosy promises of its makers. The man who selects a Ford is backed in his judgment by more than eighty-five thousand satisfied motorists in the Empire.

Has this a significance for you?

### Police Court

The hot spell has made it necessary to imbibe rather freely, but it is just as well to confine refreshment to "pale ale" as was learned by some thirsty ones who appeared before Magistrate Brunton here to-day.

A. Yake was fined forty dollars and costs. Wm. Davis, after a severe lecture, has to pay twenty dollars and costs. The case against Wilmot Forsyth was dismissed for lack of evidence.

Chas. Nendick was fined one dollar and costs for assault against Ormsby Cechman.

### Law Breakers at CLAREMONT

A story comes from Claremont that reminds one of a backwoods settlement. A farmer who resides a short distance from the village, heard at a very late hour, a disturbance some distance from his house. On going to the spot, he found a number of young men, the cause of the commotion. He asked them to refrain from making a disturbance whereupon some grew insolent and attacked him, handling him very severely.

For several years our neighboring village has been the unfortunate centre of this sort of thing. It has become a regular matter to issue warnings through the press but nothing else has been done. Disturbing worshippers at church, passing uncalled for remarks to passers-by, flashing electric torches upon windows, stealing fruit and destroying public property are some of the misdemeanors carried on. It would be well for the citizens to put a stop to such actions.
